God's Healing for Your Broken Places

Thomas Nelson

In every trial or tribulation, there is an opportunity that can bring us closer to God and to our goals when we allow God to take control. *God, Take Over; I Am Finished* is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. *God, Take Over; I Am Finished* can restore hope and improve your relationships with God and man.

Broken Covenant, Fallen World Baker Books

Drake Pearson, a narrow-minded 18-year-old barely enduring Missouri's heat, is tired of feeling empty. Living conditions are about as cozy as a cardboard box, on account of his alcoholic father who can find nothing better to do than argue relentlessly with him. When Drake thinks he can't take another blow, he is reminded daily of his mom who vanished twelve years ago. And now there's a dead body. After a terrible accident turns into a protected secret, a twisted string of events brings Drake miles away from home to an elderly man's front door. Every promising opportunity also brings new doubts and temptations to run away—this time for good. When the secret he has kept locked away threatens to reveal itself, Drake knows he must shield it with his very life, even if the love he has been shown undeservingly is about to be destroyed.

God Loves Your Dream Jem Publishing

Who you think you are is not as important as who God says you are... Many of us wrestle with the gap between our weaknesses and our dreams, between who we are and who God says we are meant to be. We feel unqualified to do God's work or to live out the calling we imagine. But God has a way of using our weaknesses for good. In fact, God loves unqualified people. In *(Un)Qualified*, Pastor Steven Furtick helps you peel back the assumptions you've made about yourself and see yourself as God sees you. Because true peace and confidence come not from worldly perfection but from acceptance:

God's acceptance of you, your acceptance of yourself, and your acceptance of God's process of change. This is a book about understanding your identity in light of who God is. It's a book about coming to terms with the good, the bad, and the unmentionable in your life and learning to let God use you. It's about charging into the gap between your present and your hopes and meeting God there. After all, God can't bless who you pretend to be. But he longs to bless who you really are; a flawed and broken person. Good thing for us that God is in the business of using broken people to do big things. Being unqualified is God's favorite qualification... Our culture tells us that the answer to our failures is to fix them. The solution to our weaknesses is to hide them. The secret to our success is to appear as flawless as possible. But God's qualifying system is different than the world's. So is his view of our weaknesses, our purpose, and our true selves. In (Un)Qualified, Steven Furtick explores who God is as the great "I AM," and then helps us discover our own identity. Delving into the story of Jacob, Furtick invites us to acknowledge our weaknesses and ask God to work through them. The truth is, God has created us to be more, to accomplish more, and to love life more than we ever thought possible. But to become who he has called us to be, we must embrace who we are right now. (Un)Qualified equips us to face obstacles and failures without losing a sense of purpose. We can have a thriving sense of hope that God is working in us and through us, not in spite of our weaknesses but often as a direct result of them.

A Novel Multnomah

Brokenness happens. Tragedy, sin, and the painful choices of others all have the ability to disrupt an otherwise contented life. And as a result of our heartache, we often attempt to fix our own brokenness--with disastrous results. If you've tried to heal, but keep ending up in the same place--whether the battle is in your heart or out in the open where everyone can see--The Mended Heart is for you. In this book, author Suzanne Eller tells it like it is: people throw quick fixes at you or tell you to pull yourself up by your bootstraps (whatever that means). More important, though, she shares the powerful truth of Jesus's mission as outlined in Luke 4:18-21: He came to set free all those who are oppressed and in need of mending. You don't have to fix

yourself--Jesus loves you right where you are. In fact, He has already completed the work that needs to be done. The Mended Heart will encourage you to trust him, to give and receive grace, and to move ahead even stronger than before--even if others don't move with you.

A 40-Day Devotional for Messy, Broken People (Like Me!) Createspace Independent Pub

Find beauty and hope by facing and dealing with the messiness of family life. The family is an imperfect institution. Broken people become broken parents who make broken families. But actually,

broken is normal and exactly where God wants us. In *The Beauty of Broken*, Elisa Morgan, one of today's most respected female Christian leaders, for the first time shares her very personal story of brokenness—from her first family of origin to the second, represented by her husband and two grown children. Over the years, Elisa's family struggled privately with issues many parents must face, including: alcoholism and drug addiction infertility and adoption teen pregnancy and abortion divorce, homosexuality, and death Each story layers onto the next to reveal the brokenness that comes into our lives without invitation. "We've bought into the myth of the perfect family," says Elisa. "Formulaic promises about the family may have originated in well-meaning intentions, but such thinking isn't realistic. It's not helpful. It's not even kind." Instead she offers hope in the form of "broken family values" that allow parents to grow and thrive with God. Values such as commitment, humility, relinquishment, and respect carry us to new places of understanding. Owning our brokenness shapes us into God's best idea for us and enables us to discover the beauty in ourselves and each member of our family.

Less Than Perfect Deseret Book

The word of love in the book is a spiritual weapon meant for our current generation and the message to the generations to come. The prophetic word is the intertwine of the real life situations, visions, dreams and prophecies which I experienced in my way of faith. The challenges which I encountered and how the Lord helped me to pull through in the name of our Lord Jesus Christ. Nonetheless the malady of hatred which has contaminated the world, it is only peace and love from the Lord which can heal the infectious ulcer which man has suffered. Dignity has been lost in accordance to Hosea 4:6 'my people are destroyed for lack of knowledge: because thou hast rejected knowledge. I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also

forget thy children'. Further, that our Lord Jesus Christ came down with the seed of peace and love to unify the candidates of heaven through the provision of the Holy Scriptures. Let us unite and break the seed of hatred which Satan had planted in the hearts of men. 1 Corinthians 13:3 And now abideth faith, hope, love, these three; but the greatest of these is love. This book is dedicated to all my brothers and sisters in the Lord, especially those who are at the verge of losing hope of survival spiritually. It is therefore, here to impart in their hearts with Peace and Love from our God Almighty. The word in this book is aimed at reconciling the people on earth with love so as to cushion the conflicts among nations. It is in accordance to Isaiah 2:2-3 the message in the book has been written and it is therefore inviting all my brothers and sisters from across the world to experience the Holy Spirit with words of great faith in the Lord. The book is here to comfort the sick, the afflicted and those souls who are persecuted by the enemy. It also embraces all the races and does not stigmatize any person as it is based on the true love from our Lord and the message is inspired by the Holy Spirit with a view to unite the people across the globe. I therefore wish the Church, the United Nations, the governments and other charitable organizations to enhance preaching peace among the people in the land for us to have a better world. It is in this line, that the Lord our God came down on earth to save humanity. More so, we should embrace peace and love to survive this world of troubles. The love of God is unconditional, thus, we should follow suit to have a godly love in our hearts or humanity will be wiped out on the face of the earth soonest. The

beauty of welcoming peace and love from God is compared to the bond between the earth and the sun and the rain. There is no segregation in the house of the Lord but we are all equal in the face of our creator. Mother Nature has been very kind to us and it reprimands us whenever we err but our Lord Jesus Christ used to curse Nature. We have continued preaching about the importance of spreading the word of God and also His love which has made us to be who we are on earth. The love of God unifies the people and that it cuts through the rod of hatred which is in the hearts of the evil ones. We should therefore embrace the love of God for us to reach greater heights of love, where all religions, race and tribes shall stand tall in the same platform and pronounce to the higher heavens that we are one people. Women and children needs true love from our hearts. I dream of a beautiful world where we shall be protected by the love of God, because humanity on that day shall have total unite. It is common knowledge that Satan has infiltrated our governments, entertainment industry and a lot more circles of life. Therefore, it is time man woke up from the deep slumber and fight for his life or else he will die naked with shame. However, we wrestled the devil for us to have peace and love so that we get saved but the battle has been tough. The Lord has been fighting battles for humanity because God is love. Amen!!

You are never alone; God is always near. And more than anything else . . . God loves you beyond measure. The Covenant of Works Xulon Press Broken Covenant, Fallen World THE COVENANT OF WORKS The first of five volumes in the series, Covenants of the Almighty. The purpose of this series is to help ordinary Christians understand God's covenants at an easier reading level than most theology, the reading level of those who speak English as a second language. Collegiate language is minimal, colloquial idiosyncrasies are avoided, and illustrations can be universally understood. Difficult points are explained as simply as possible, sometimes from several approaches for readers who may not quickly grasp spiritual concepts. This series views the divine covenants through the lens of the New Testament, especially through the writings of the apostle Paul. The apostle's comments are taken as divinely inspired commentary explaining the true meaning of the text. Volume One examines the covenant God established with the first man in the Garden of Eden. For centuries this covenant has been described by

theologians as a "covenant of works." The Covenant of Works is normally seen as a contrast to the Covenant of Grace that God established through Jesus Christ for man's salvation. Recent debates have questioned these distinctions. This book skips the debate, to avoid putting some readers on the defensive, while making a case for the validity and essential nature of the Covenant of Works. The first part of the book is a "Synopsis of Covenant Theology" for readers who want an overview of the covenants or need to understand how to bring together the details described in later chapters of the series. This is a survey of main points of the covenants within their historical context. The second part of this first volume explains the history, meaning and application of the Covenant of Works, and its importance for a correct understanding of Biblical concepts such as the covenant, the fall of man into sin, the final judgment, redemption, Christ's role as Mediator and Last Adam, and Edenic themes in the promises of the new covenant in Christ Jesus. Other books planned for the series, Covenants of the Almighty: Volume Two: Camp of the Saints. (Release date: July/August 2012) God's Covenant with Abraham promised justification by grace through faith for believers from all nations. A

study of the basics of the Covenant of Grace within the Abrahamic Covenant. Important lessons for all pilgrims who walk in the steps of Abraham's faith today. Volume Three: The Lighthouse Kingdom (January 2013) God created the kingdom of Israel for His own glory, to reveal His righteousness to the nations, and to proclaim the future appearance of the Messiah who would bring salvation to all the earth and rule over all nations. Understand the old covenant through the illumination of the apostles, and sit at Moses' feet to ponder mysteries of the Messiah and the kingdom of heaven and gain insights valuable for citizens of heaven's kingdom. Volume Four: Dawn of Heaven's Light (Summer 2013) The way into the kingdom of heaven is opened only through the death and resurrection of the King of heaven. He came from heaven to establish His kingdom in the hearts of believers from every language, tribe, people and nation. After conquering the grave, Christ returned to heaven to serve His kingdom forever as King and High Priest of the new covenant. Volume Five: Heaven's Lamps in the Valley of Sorrows (Early 2014) The close relationship of the lines of covenant and eschatology throughout Biblical history until they come together and find their fulfillment in one man, Jesus Christ.
