Thelma usually outsmarts Frances until Frances decides to teach her a lesson about friendship.

*Mr Rinyo-Clacton's Offer* Indiana University Press

Arthur decides to make Mother and Father special Christmas cookies as a present.

But when the cookies are finally finished, they are hard as rocks! Can Arthur think of a way to turn this disaster into the best Christmas present ever?

Parent Reading Guide for "A Bargain for Frances" by Russell Hoban Candlewick  
The instant #1 New York Times bestseller. From the reporter who was there at the very beginning comes the revealing inside story of the partnership between Steve Bannon and Donald Trump—the key to understanding the rise of the alt-right, the fall of Hillary Clinton, and the hidden forces that drove the greatest upset in

American political history. Based on dozens of interviews conducted over six years, Green spins the master narrative of the 2016 campaign from its origins in the far fringes of right-wing politics and reality television to its culmination inside Trump's penthouse on election night. The shocking elevation of Bannon to head Trump's flagging presidential campaign on August 17, 2016, hit political Washington like a thunderclap and seemed to signal the meltdown of the Republican Party. Bannon was a bomb-throwing pugilist who'd never run a campaign and was despised by

Democrats and Republicans alike. Yet Bannon's hard-edged ethno-nationalism and his elaborate, years-long plot to destroy Hillary Clinton paved the way for Trump's unlikely victory. Trump became the avatar of a dark but powerful worldview that dominated the airwaves and spoke to voters whom others couldn't see. Trump's campaign was the final phase of a populist insurgency that had been building up in America for years, and Bannon, its inscrutable mastermind, believed it was the culmination of a hard-right global uprising that would change the world. Any study of Trump's rise to the presidency is unavoidably a study of Bannon. *Devil's Bargain* is a tour-de-force telling of the remarkable confluence of circumstances that decided the election, many of them orchestrated by Bannon and his allies, who really did plot a vast, right-wing conspiracy to stop Clinton. To understand Trump's extraordinary rise and Clinton's fall, you have to weave Trump's story together with Bannon's, or else it doesn't make sense.

*A Bargain for Frances Group Set* Harper Collins

Frances foils Thelma's plot to trick her out

of a new china set.

*Arthur's Christmas Cookies* ABRAMS

Frances, one of children's best-loved characters for over 30 years, now springs to life even more in *Bread and Jam* for Frances, beautifully reillustrated in sparkling full color by Lillian Hoban. In this memorable story, Frances decides that bread and jam are all she wants to eat, and her understanding parents grant her wish at breakfast, lunch, dinner, and even snacktime. Can there ever be too much bread and jam?

*Bargain for Frances* by Russell Hoban

Bloomsbury Publishing UK

One day Thelma tricks Frances into buying her old plastic tea set. Thelma says there are no backsies on the bargain. Can Frances come up with a plan that will change her friend's mind? *Outstanding Children's Books of 1970* (NYT)

*Bedtime for Frances* Harper Collins

In honor of Frances's 50th anniversary, this box includes three of the most beloved Frances titles—*Bread and Jam* for Frances, *Best Friends for Frances*, and *A Bargain for Frances*—now in I Can Read editions!

*Saints and Social Justice* HarperCollins

Simon the rabbit trades his three cars for his friend Ferdinand's red car but when the red car breaks, Simon tries to find a way to get his three cars back.

**A Birthday for Frances** Our Sunday Visitor

Frances is a fussy eater. In fact, the only thing she likes is bread and jam. She won't touch her squishy soft-boiled egg. She trades away her chicken-salad sandwich at lunch. She turns up her nose at boring veal cutlets. Unless Mother can come up with a plan, Frances just might go on eating bread and jam forever!

**A Russell Hoban Omnibus** HarperCollins  
Frances is jealous of her sister's birthday, but birthday spirit moves her to reluctantly give her coveted gift.

*Egg Thoughts* Harper Collins

Nancy and her partner for the talent show are very different. They don't have any of the same talents. How will they ever come up with an act?

**A Baby Sister for Frances** Random House Books for Young Readers

Twenty-two poems reflect Frances' observations on the events in her life.

A Bargain for Frances HarperCollins

Peace, many would agree, is a goal that democratic nations should strive to achieve. But is democracy, in fact, dependent on war to survive? Having spent their celebrated careers exploring this provocative question, John Ferejohn and Frances McCall Rosenbluth trace the surprising ways in which governments have mobilized armies since antiquity, discovering that our modern form of democracy not only evolved in a brutally competitive environment but also quickly disintegrated when the powerful elite no longer needed their citizenry to defend against existential threats. Bringing to vivid life the major battles that shaped our current political landscape, the authors begin with the fierce warrior states of Athens and the Roman Republic. While

these experiments in “mixed government” would serve as a basis for the bargain between politics and protection at the heart of modern democracy, Ferejohn and Rosenbluth brilliantly chronicle the generations of bloodshed that it would take for the world’s dominant states to hand over power to the people. In fact, for over a thousand years, even as medieval empires gave way to feudal Europe, the king still ruled. Not even the advancements of gunpowder—which decisively tipped the balance away from the cavalry-dominated militaries and in favor of mass armies—could threaten the reign of monarchs and “landed elites” of yore. The incredibly wealthy, however, were not well equipped to handle the massive labor classes produced by industrialization. As we learn, the Napoleonic Wars stoked genuine, bottom-up nationalism and pulled splintered societies back together as “commoners” stepped up to fight for their freedom. Soon after, Hitler and Stalin perfectly illustrated the military limitations of dictatorships, a style of governance that might be effective for mobilizing an army but not for winning a world war. This was a lesson

quickly heeded by the American military, who would begin to reinforce their ranks with minorities in exchange for greater civil liberties at home. Like Francis Fukuyama and Jared Diamond’s most acclaimed works, *Forged Through Fire* concludes in the modern world, where the “tug of war” between the powerful and the powerless continues to play out in profound ways. Indeed, in the covert battlefields of today, drones have begun to erode the need for manpower, giving politicians even less incentive than before to listen to the demands of their constituency. With American democracy’s flanks now exposed, this urgent examination explores the conditions under which war has promoted one of the most cherished human inventions: a government of the people, by the people, for the people. The result promises to become one of the most important history books to emerge in our time.

**A Bargain for Frances(CD1)(An I Can Read Book Level 2)** Harper Collins

This all-new early reader is based on the *My Little Pony* movie—available to stream on Netflix September 24, 2021! Meet the new leader of the pony group, Sunny, and

her adorable pony friends. This early reader is a level 2 I Can Read, which means it's geared for kids who read on their own but still need a little help. In the new movie, the pony world of Equestria has lost its magic. Friendship and harmony have been replaced by mistrust, and Ponies now live separated by species. Sunny—a feisty and idealistic young Earth Pony—is convinced there's still hope for this divided world. When Sunny befriends a lost Unicorn named Izzy, they embark on an epic adventure that will include a daring jewel heist, outrageous conspiracy theories, elaborate musical numbers, and the world's cutest flying Pomeranian. The world Sunny has dreamed of her entire life could finally become a reality as Sunny

and her newfound friends fight to prove that even little ponies can make a big difference!

*Arthurs Funny Money* HarperFestival  
With a new baby sister in the house, Frances is feeling quite forgotten. Mother doesn't have time to iron Frances's favorite dress, her parents don't appreciate her new song, and there are no raisins for her oatmeal. So Frances decides to run away, and she does—but not too far. Full of warmth and family love, this new edition of Russell and Lillian Hoban's beloved classic is perfect for beginning readers.

*Best Friends for Frances* Harper Collins  
Sharp and witty, but written with affection,

Mr Rinyo-Clacton's Offer reaches parts not previously reached by other Hoban novels.

**A bargain for Frances and other Frances stories [sound recording]** W.

W. Norton & Company

Frances doesn't think her little sister, Gloria, can be her friend. But when Frances's friend Albert has a no-girls baseball game, Frances shows him a thing or two about friendship—and a thing or two about what girls can do. Along the way, Frances discovers that sisters can indeed be friends . . . maybe even best friends.

*Devil's Bargain* Harper Collins

A hilarious account of Arthur's attempts to earn enough money to buy a T-shirt and cap, assisted by his sister Violet.
