Academics In Relation To The Book In India Is A Much Welcome Effort.

The Source of Yoga Gyan Books

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and

her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty

and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

This book examines the theoretical, methodological and practical dimensions of Qualitative Research in the study of illness, wellbeing and self-growth in the Indian context. Using wide-ranging narratives, interviews, group discussions, and cultural analyses, it offers a social and psychological understanding of health and therapy.

Bombay 3 Motilal Banarsidass Publ.

The definitive biography of Dadabhai Naoroji, the nineteenth-century activist who founded the Indian National Congress, was the first British MP of Indian origin, and inspired Gandhi and Nehru. Mahatma Gandhi called Dadabhai Naoroji the “father of the nation,” a title that today is reserved for Gandhi himself. Dinyar Patel examines the extraordinary life of this foundational figure in India’s modern political history, a devastating critic of

British colonialism who served in Parliament as the first-ever Indian MP, forged ties with anti-imperialists around the world, and established self-rule or swaraj as India’s objective. Naoroji’s political career evolved in three distinct phases. He began as the activist who formulated the “drain of wealth” theory, which held the British Raj responsible for India’s crippling poverty and devastating famines. His ideas upended conventional wisdom holding that colonialism was beneficial for Indian subjects and put a generation of imperial officials on the defensive. Next, he attempted to influence the British Parliament to institute political reforms. He immersed himself in British politics, forging links with socialists, Irish home rulers, suffragists, and critics of empire. With these allies, Naoroji clinched his landmark election to the House of Commons in 1892, an event noticed by colonial subjects around the world. Finally, in his twilight years he grew disillusioned with parliamentary politics and became more radical. He strengthened his ties with British and European socialists, reached out to American anti-imperialists and Progressives, and fully enunciated his

demand for swaraj. Only self-rule, he declared, could remedy the economic ills brought about by British control in India. Naoroji is the first comprehensive study of the most significant Indian nationalist leader before Gandhi.

Indian Silent Cinema, 1912-1934

Central Chinmaya Mission Trust

Traders, Pushers, Soldiers, Spies. A pivot for India’s Act-East policy. The gateway to a future of immense possibilities from hydrocarbons to regional trade over land and water that could create a new Silk Route. A bulwark against China. A cradle of climate change dynamics and migration. ‘Northeast’ India, the appellation with which India’s far-east is known, is all this and more. Alongside hope and aspiration, it is also home to immense ethnic and communal tension, and a decades-old Naga conflict and the high-profile peace process that involves four gateway states—Nagaland, Manipur, Arunachal Pradesh and Assam—and several million people. It’s among the most militarized zones in the world. It’s a playground of corruption and engineered violence. Only real peace, and calm in both Myanmar and Bangladesh, will unlock

this Eastern gate. A keen observer and frequent chronicler of the region, Sudeep Chakravarti has for several years offered exclusive insights into the Machiavellian—Chanakyan—world of the Naga and other conflicts and various attempts to resolve these. He now melds the skills of a journalist, analyst, historian and ethnographer to offer inside stories and a ringside view to the tortuous, no-holds-barred attempts at resolving conflict. Employing a 'dispatches' style of storytelling, and interviews with rebel leaders, politicians, bureaucrats, policymakers, security specialists and operatives, gunrunners, 'narcos', peace negotiators and community leaders, Chakravarti's narrative provides a definitive guide to the transition from war to peace, even as he keeps a firm gaze on the future. The Eastern Gate is a tour de force that captures this story of our times. CUP Archive

South London in the 1930s ...and Mrs Hilda Jones is fed up with her dull husband. She thought marrying would liven him up, but after twenty-five years he's just as boring as the day she married him, and now she wants to lead her own life. Her newly-

married daughter, Olive, is shocked, but Hilda is adamant. Meanwhile, a heavy East End gang has moved into the area from Shoreditch, and has established a lucrative protection racket, bringing drama and anxiety to this closely-knit neighbourhood. Pioneer of Indian Nationalism Weidenfeld & Nicolson

Himalayan Mysteries journeys from the foothills of the Indian Himalayas to the grand mountains of Nepal, and on to the secluded valleys and remote recesses in Bhutan and Tibet, exploring the silent heart of mystery. Packed with stunning photographs and adventurous tales of tragedy and triumph, of fable and fantasy, and of faith and folklore, Himalayan Mysteries makes the heart beat. A three-year program in the sciences for high school. Teacher (wraparound) ed. provides teachers with background information, strategies for guiding students through each activity using an inquiry-based approach, answers to the questions posed, and outcomes and indicators of success for each activity; has reduced student pages so teachers are on

the same page as the students and still have access to the strategies and answers.

Encyclopedia of Indian Cinema Harvard University Press

"Shiva does not spell religion. Shiva spells responsibility -- our ability to take our very life process in our hands." -- Sadhguru

'Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once. A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary mystic. Here science and philosophy merge seamlessly, so do silence and sound, question and answer-- to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.

Many text on music dance and drama

continued to be written in different parts of India until the 17th century. Between the 12th and the 16th century regional styles emerged. Medieval texts have been discovered in all parts. One amongst these is the Srihastamuktavali belonging to the eastern tradition.

the road to perfection Routledge

These twelve essays explore the nature of south Asian agrarian society and examine the extent to which it changed during the period of British rule. The central focus of the book is directed to peasant agitation and violence and four of the studies look at the agrarian explosion that formed the background to the 1857 Mutiny. The essays give a coherent historical treatment of the Indian peasant world, and the paperback edition of this successful book will be of interest to the student of peasant studies and to the sociologist as well as to development economists and agronomists generally.

In Four Volumes Roli Books Private Limited

The book presents a comparative study of the human rights abuses and legal problems faced by members of the third sex in India, complications regarding marriage adoption and sexual status, with

relevant and important documents, petitions field challenging the criminalization of homosexuality, and extracts from international human rights treatise for human rights activists, social scientist, lawyers, concerned citizens.

Mumbai is an ever-evolving city, bustling and brimming, never sleeping for a wink. But the past four decades brought upheavals of great magnitude that shaped the city as we know today. Marred by communal riots, gang wars and terrorism, the spirit of Mumbai has emerged indomitable every single time. Born and raised in the lanes of Bombay 3, this is the story of Jagan Kumar who dreams of being a television journalist and changing the world. But once he achieves this, he realises that television journalism has lost its path, now afflicted with sensationalism, corruption and bias. As a crime reporter, he comes across various unscrupulous means that law enforcement agencies adopt to combat organised crime syndicates. He is shocked to witness interdepartmental rivalry that often jeopardises public security. Disenchanted, in conflict with his conscience and confused about his calling, he is about to quit when something happens that

changes the course of his life. Bombay 3 begins from the bylanes of old Bombay of the seventies and then takes you to Mosul in ISIS's Iraq of 2014 and finally to the streets of Bangkok where the underworld of Mumbai has spread its tentacles. A fast-paced thriller, it answers certain questions

about life in Mumbai and raises a few new ones.

Zila Report. Patuakhali Orient Blackswan
The original (shorter) edition of this key historical reference to Indian silent cinema has been unavailable for years. This revised and expanded version has been

edited by original author and former National Film Archive of India (NFAI) director Suresh Chabria. He has brilliantly and painstakingly pieced together a definitive historiography of Indian silent film that would have been all but lost were it not for his efforts.
