A Game Plan for Success -- by Putting Passion into Your Life and Work Central Recovery Press, LLC
Have you ever thought about the game-changers in your life, family, or city? It could be your fourth grade teacher that saw your gift in math or the arts. It might have been your hockey coach who told you that you had leadership potential. Maybe you've even been a game-changer in someone's life. Game changers come in small and large packages. The purpose of this small book is to place this subject on the kitchen table and unwrap it. Is it possible to become a game-changer accidentally? Or can we transform our minds and expectations? Could we all come to a point of hunger and call out to God: I want to change and I want to change the lives of others.

If you are the parent of a teenager, you are coming down to what former All-American and one of today's most respected child advocates John Croyle calls the two-minute drill. In football the last two minutes are crucial; the whole game builds to those moments that can determine the final outcome. The Two-Minute Drill to Manhood is John's game plan that will help moms and dads make sure their sons are ready for authentic manhood. Based on Croyle's life and experience parenting more than 1,800 abused and neglected children on the Big Oak Ranch for Boys and Girls, as well as parenting his two biological children, he drills down into seven actionable life principles drawn from the word "manhood" itself: M - Master A - Ask and Listen N - Never Compromise H - Handle Responsibility O - One Purpose O - One Body D - Don't Ever, Ever, Ever Give Up

Your Personal Playbook for Success Da Capo Lifelong Books

This is your Playbook for life. In life, you're going to get tackled, intercepted, or end up in the wall.

So how do you prepare and be ready when life slams you unexpectedly? Maybe your struggle is with

your finances, your relationships, your job, or perhaps you just hope to gain understanding of some of the basics about God, salvation, and what your purpose is in life. If so, the *Game Plan for Life Bible, NIV* will reveal God's perspectives in these areas in a practical, engaging way and provide the tools you need to create a solid, God-honoring game plan for your life. The notes that lead you to the Bible's answers on your toughest questions are based on a national survey that former NFL coach and current NASCAR team owner Joe Gibbs commissioned. This research targeted the everyday life issues that men struggle with most. He may have Super Bowl rings and NASCAR Cup championship trophies to his credit, but Coach Gibbs believes that, by turning to the Bible in times of failure and adversity, he has learned about true success. Written specifically for the "average Joe", Joe Gibbs' notes will enlighten, encourage and inspire you as you strive to build a game plan for your life. Features: • Key articles from well-known experts on the areas of God, creation, finances, relationships, career, vocation and other topics of interest to men. • Devotions from Joe Gibbs that help you to learn from the Coach himself. • Character studies of Bible characters who actually followed God's *Game Plan*—and how you can follow it, too. • Book introductions for every book of the Bible. "Winning the game of life is like winning in NASCAR or the NFL—if you don't have the right game plan, you won't succeed. Like a lot of guys, I tried many "game plans." None led me to true success and a couple ended in disaster. Not until I turned to the Bible did I gain the insights of God's game plan for my life and experience true, eternal success. Written for the 'average Joe' like me, I'm convinced the *Game Plan for Life Bible* will help you if you're serious about developing a successful game plan for your life." - Joe Gibbs 8.5-point type size

Everyone imagines top CEOs as larger-than-life figures who do things no one else could. But deep down, a good business leader is an everyman who combines vision and high energy with the ability to connect with and learn from all types of people. In *The Power of Being Yourself*, renowned business leader Joe Plumeri offers simple yet profound guidance on how to stay positive, motivate yourself and others, and achieve success in your life and work. Plumeri's *Game Plan for Success* features eight key principles, from *Everyone Has the Same Plumbing*, in which his fish-out-of-water experience as CEO and chairman of a London-based company reveals how cultural differences can be overcome as people everywhere respond to authenticity, to *You Gotta Have Purpose!*, which explores the transformative ingredient that leads to tangible progress. And because this book is meant to be revisited and consulted whenever you need fresh inspiration or practical advice, *The Power of Being Yourself* also features a final section -- *Applying the Principles* -- imparting further guidance and checklists. By sharing his own experiences--and candidly exploring high-stakes business decisions along with many personal triumphs and tragedies--Plumeri explains that the secret to success is found not in boardroom strategy or corporate philosophy, but rather in allowing passion, purpose, and true emotions to inform your approach and guide your relationships. His book is a timely wake-up call in a world where heartless electronic communication too often takes precedence over genuine connection. Plumeri reveals that if we can live in the moment and be honest and true in our emotions, the effect carries over into how we live all facets of our lives.

Men everywhere are under attack—your neighbor, your coworker, your pastor, even your husband. And, even in Christian homes, 40% of men have fallen to this foe that can destroy marriages and ruin lives. Who is this devastating adversary? Pornography. It floods our airwaves and PCs, assaulting the senses, and luring its prey to return again and again. Drawing from seventeen years of counseling practice, and using material that he's taught for more than ten years, Joe Dallas is helping readers face this enemy. Equipping those who have been caught up in pornography or other forms of sexual sin with the ability to abandon that behavior and never return. Using the acronym ROUTE—Repentance, Order, Understanding, Training, and Endurance—Dallas walks readers through the steps necessary to attain—and maintain—sexual integrity. "No one understands this subject better than Joe Dallas. And nowhere is there a more biblical and user-friendly 'game plan' for Christian men committed to reclaiming moral purity. A resource no man should be without!" --Hank Hanegraaff, president of the Christian Research Institute and host of the Bible Answer Man broadcast "Joe Dallas has written a practical handbook for men who want to get serious about their purity. The Game Plan is the tool that answers one of the most troubling problems in the church today, and it does so with compassion, clarity, and a sound biblical base."--D. James Kennedy, Ph.D. "You may beat your demon the first time through The Game Plan or you may need it through a long season, but it's a worthy companion. Joe's advice is sound and his format is friendly."--Tom Minnerly, Focus on the Family "I can tell you without hesitation that The Game Plan is one of the best books I've ever read on this important topic."--Robert Adrescok, Editor, New Man Magazine
