 Critique Of Everyday Life
 HenriHenri Lefebvre's three-volume Critique of Everyday Life is perhaps the richest, most prescient work by one of the twentieth century's greatest philosophers. Written at the birth of post-war consumerism, the Critique was a philosophical inspiration for the 1968 student revolution in France and is Henri Lefebvre's magnum opus: a monumental exploration of contemporary society.Critique of Everyday Life by Henri LefebvreWritten at the birth of post-war consumerism, the Critique was a philosophical inspiration for the 1968 student revolution in France and is

considered to be the founding text of all that we know as cultural studies, as well as a major influence on the fields of contemporary philosophy, geography, sociology, architecture, political theory and urbanism.
