I am Cassius, the King of the immortals, A Dark One. And today I tasted fear for the first time. How can I win her when my human emotions overtake every ounce of logic I possess? A darkness is brewing. One I cannot stop as a human. One that Stephanie, my love's visions, have shown will be my end. Thirty days ago I was King of the immortals. Today I know fear. Today I know how I will die. By her hand. The woman I love.

But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

El Patologo. Parte I Entangled: Amara

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into

a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps

the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
