*Sacred Christmas Solos* CCAR Press

This work is a comprehensive treatment of the music of Biblical and early Talmudic times. It is thoroughly documented, setting forth the origins, forms and ethos of Hebrew music. It draws upon the most recent archaeological discoveries and contemporary Biblical research, dealing not only

with sacred music, but also the broad field of ancient secular music which up to now has been only dimly comprehended. Of special interest to the Christian world in this period of ecumenical discussion is the clarity with which Dr. Sendrey interprets the common musical legacy shared between Judaism and Christianity. // Dr. Sendrey is Professor of Musicology at the University of Judaism in Los Angeles and is widely known in the world of musicology for his important Bibliography of Jewish Music, published by Columbia University Press (1951). This work is today the primary source book for Jewish music research and is used throughout the world. // Alfred Sendrey was a Hungarian-American conductor and composer. A pupil of Koessler at the Budapest Academy (1901-5), he worked in Germany, the USA and Austria as an opera conductor, (also of the Leipzig SO, 1924-32), then moved to Paris (1933-40) and finally to the USA, where he completed his studies of Jewish music.

Even the most pious Jew need not shed so many tears over the destruction of Jerusalem as the women were in the habit of shedding when Stempenyu was playing. The first work of Sholom Aleichem's to be translated into English—this long out-of-print translation is the only one ever done

under Aleichem's personal supervision—Stempenyu is a prime example of the author's hallmark traits: his antic and often sardonic sense of humor, his whip-smart dialogue, his workaday mysticism, and his historic documentation of shtetl life. Held recently by scholars to be the story that inspired Marc Chagall's "Fiddler on the Roof" painting (which in turn inspired the play that was subsequently based on Aleichem's Tevye stories, not this novella), Stempenyu is the hysterical story of a young village girl who falls for a wildly popular klezmer fiddler—a character based upon an actual Yiddish musician whose fame set off a kind of pop hysteria in the shtetl. Thus the story, in this contemporaneous "authorized" translation, is a wonderful introduction to Aleichem's work as he wanted it read, not to mention to the unique palaver of a nineteenth-century Yiddish rock star.

*Adele - 30* Heritage Music Press

[The Music of the Bible Revealed](#) Chicago Review Press

This is a translation by Dennis Weber, edited by John Wheeler and jointly published with King David's Harp, in which a noted French musicologist argues that the accentual system preserved in the Masoretic Text was originally a method of recording hand signals (chironomy) by which temple musicians were directed in the performance of music. She explains her reconstruction of these

notations which has allowed her to perform haunting and beautiful music around the worlds using only the Hebrew text as a score.
