Do you want to start a profitable Kindle publishing business that makes you money every single day while you sleep?Over a year ago, I knew I did.Since then, I have published books in several different niches and tried numerous different strategies to build my publishing business to where it is now.Today, I consistently make several thousand dollars a month with Kindle publishing, ten of my books have reached the #1 bestseller ranking in their respective categories, and I sell thousands of books every month.Having been there and done that, I can tell you that the #1 thing I have done to get to where I am today is to build up your pen names as authoritative brands in your niche, and that's exactly what I'm going to teach you how to do in this book.In this book, I will share with you the following:- The story of how I got into Kindle publishing- The 5 basic steps to create a Kindle book-

How to choose a niche and keyword that will make you money- How to research, write, and publish a Kindle eBook in less than 24 hours- How to turn your pen name(s) into an authoritative brand- How to publish your eBook to the Kindle Store- Kindle Publishing tips you can't afford to overlookWithin those chapters, the additional topics will be discussed as well:- How to find a niche that's getting lots of monthly searches but also has low competition- How to choose competitive keywords- How to choose a book title and subtitle that sell- How to write an excellent introduction and conclusion- How to ensure that your entire book is high quality and contains value- Guidelines for creating a high quality Kindle cover- Why value is more important than length for your book- How to promote your pen name on social media- The importance of building an email list and how to interact with your subscribers- How to reward your loyal email subscribers - How/why Amazon will promote your book for you- How to determine the best price for your books- Easy and effective tactics to always get lots of 5 star reviews for your books- How to outsource your book and coverKindle publishing is the easiest and quickest way to create a passive income stream online, and it's something that anybody can do. As we'll discuss, you don't even have to be a writer to be a Kindle publisher because you can outsource the entire process! It also has a low start-up cost, and since Amazon is the largest bookstore in the world and the number of Kindle books sold has long since eclipsed the number of traditional paperback books sold, the potential reward is HUGE.And the best party is the sky is the limit with what you can make with Kindle publishing.It's possible to either write

a book that makes you an extra hundred bucks or two a month with it in passive income, or it's possible to fully commit yourself to the process and produce lots of Kindle books each week under an authoritative pen name to eventually earn you thousands of dollars a month. If you want to learn how to create a Kindle publishing business that consistently produces thousands of dollars a month while you sleep, then this book is for you.

This sophomore/junior level core text is intended for the juvenile delinquency course taught in criminal justice, criminology, and sociology departments at both four year and two year institutions. Taking a sociological approach, *Juvenile Delinquency*, Tenth Edition, discusses delinquency as it relates to and emerges from the youth's family, neighborhood, school, peer group, social class, and overall cultural and social environment. The author incorporates contributions from sociologists, psychologists, social workers, criminologists, and other specialists who have sought to understand, explain, control, and prevent juvenile delinquency. New to this edition: • All data on delinquents and delinquency derived from FBI Uniform Crime Reports and Juvenile Court Statistics have been updated. • Reports and analyses of contemporary school shootings and other violent youth behavior provide theoretical explanations of cause and suggest preventative measures. The etiology of this phenomenon will be expanded. • The coverage of contemporary integrative theories of juvenile delinquency, including contributions from rational choice, deterrence, and feminist theory, have been expanded. This book is accompanied by a learning package designed to enhance the experience of both instructors and students. Instructor's Manual and Test Bank. For each chapter in the text, this valuable resource provides a chapter summary, student learning objectives, lecture outlines, and recommended classroom exercises. The Test Bank includes multiple choice, true-false, fill-in-the-blank, and essay questions.
