This collection of crocheted patterns includes adorable animal hoods like a giraffe and bunny for kids and elegant, textured styles for adults. Hoods are both stylish and extra-warm, protecting both your head and neck from the winter chill. Various stitch patterns and embellishments make these hoods interesting and fun to crochet.

*The Slime Annual 2019* Lake Union Publishing  
For fans of *All the Light We Cannot See*, *Beneath a Scarlet Sky*, and *The Nightingale* comes an emotionally gripping, beautifully written historical novel about extraordinary hope, redemption, and one man's search for light during the darkest times of World War II. Germany, 1942. Franciscan friar Anton Starzmann is stripped of his place in the world when his school is seized by the Nazis. He relocates to a small

German hamlet to wed Elisabeth Herter, a widow who seeks a marriage--in name only--to a man who can help raise her three children. Anton seeks something too--atonement for failing to protect his young students from the wrath of the Nazis. But neither he nor Elisabeth expects their lives to be shaken once again by the inescapable rumble of war. As Anton struggles to adapt to the roles of husband and father, he learns of the Red Orchestra, an underground network of resisters plotting to assassinate Hitler. Despite Elisabeth's reservations, Anton joins this army of shadows. But when the SS discovers his schemes, Anton will embark on a final act of defiance that may cost him his life--even if it means saying goodbye to the family he has come to love more than he ever believed possible.

For the plant-obsessed woman of any age, this humorous, illustrated little book celebrates the devotion and quirky habits plants inspire. You know you're a crazy plant lady when watering is a hobby, you can't resist a cute pot, and just looking at succulents and monsteras makes you smile. This charming celebration of the plant lady lifestyle proves that plant love is the joy that keeps growing. There are sweet puns: Aloe you vera much. Plant lady dreams: thrifting the perfect vintage mister. Relatable mantras: Every day is a good day to go plant shopping. All featuring vibrant art by Isabel Serna throughout—plus, a bonus sheet of plant-themed stickers!

Pattie and her family are among the last refugees to flee a dying Earth in an old spaceship. And when the group finally lands on the distant planet which is to be their new home, it seems that the four-year journey has been a success. But as they begin to settle this shiny new world, they discover that the colony is in serious jeopardy. Nothing on this planet is edible, and they may not be able to grow food. With supplies dwindling, Pattie and her sister decide to take the one chance that might make life possible on Shine.

**Shopkins Seek and Find Surprise!** Harper Collins

Parenting can be such an overwhelming job that it's easy to lose track of where you stand on some of the more controversial subjects at the playground (What if my kid likes to rough house—isn't this ok as long as no one gets hurt? And what if my kid just doesn't feel like sharing?). In this inspiring and enlightening book, Heather Shumaker describes her quest to nail down "the rules" to raising smart, sensitive, and self-sufficient kids. Drawing on her own experiences as the mother of two small children, as well as on the work of child psychologists, pediatricians, educators and so on, in this book Shumaker gets to the heart of the matter on a host of important questions. Hint: many of the rules aren't what you think they are! The "rules" in this book focus on the toddler and

preschool years—an important time for laying the foundation for competent and compassionate older kids and then adults. Here are a few of the rules: • It's OK if it's not hurting people or property • Bombs, guns and bad guys allowed. • Boys can wear tutus. • Pictures don't have to be pretty. • Paint off the paper! • Sex ed starts in preschool • Kids don't have to say "Sorry." • Love your kid's lies. IT'S OK NOT TO SHARE is an essential resource for any parent hoping to avoid PLAYDATEGATE (i.e. your child's behavior in a social interaction with another child clearly doesn't meet with another parent's approval)!

Dawn Conners's parents are famous for finding historic treasures, but she has a knack for losing things—her job, her boyfriend, and now, her reputation. Thanks to a mud-slinging exposé, Dawn's late great-grandfather is assumed guilty of stealing silver from a century-old shipwreck. Hoping to clear his name, Dawn returns to Starlight Cove, her idyllic hometown on Lake Michigan, where the doomed vessel sleeps beneath the beam of a ramshackle lighthouse. Her plan: remodel and sell the lighthouse while untangling the perplexing family mystery. Neither task is easy, especially once her well-meaning parents and the quirky locals—including nautical researcher and Starlight Cove's most eligible bachelor, Kip Whittaker—get involved. Despite their attraction, Dawn is reluctant to trust Kip, or any of the close-knit townsfolk. But as she pieces together the truth, Dawn's once-shuttered heart opens up. And if she's willing, the

lighthouse might guide her to a place she never expected to find, where the past entwines with a bright new beginning.

*A Curve in the Road* Emily Post's Etiquette, 19th Edition Manners for Today

A mysterious, heartwarming tale of small-town intrigue, family secrets, and the possibility of new love from the Amazon Charts bestselling author of *The Lighthouse Keeper*. Emma Laurent has always preferred helping others to asking for help. But now, she's the one in need. Her stepmother is selling her late father's candy shop, her grandmother's assisted-living facility has become a financial burden, and the anniversary of her

fiancé's death is quickly approaching. Rather than face her problems, Emma does what she does best-- finds someone else to help by offering a mother and son with nowhere to go somewhere to stay. So when a couple visiting Starlight Cove suddenly offers to pay \$20,000 for the old painting that has hung on the candy shop's wall since Emma was a child, it seems like fate has stepped in to help Emma in return--but the more she thinks about it, the more suspicious the offer seems. Determined to uncover why the couple is so interested in the painting, Emma begins to investigate, unknowingly wading into a sea of old family secrets. At the same time, a new flirtation has her feeling guilty and confused. As Emma uncovers more about the past, can she find the courage she needs to save the candy shop and give herself permission to open her heart to love again?

*Cute and Easy Crafts for Kids* Andrews McMeel Publishing

"Witty, gritty, and full of heart." -Nick Atlas, author of *The Light Travelers*  
After his brothers are murdered, a New York mob lawyer testifies against his associates and

is forced to enter WITSEC (the Witness Protection Program). He and his wife are relocated to a rural area outside a small town in Colorado where he is compelled to adapt to his new life under the constant threat of mafia reprisal. Reflexively resisting his immersion into all things country, this life long city boy meets and adopts a loquacious mule and befriends his closest neighbors, who have even greater secrets to conceal. A renegade US Marshall, a lesbian couple that includes a powerful psychic-medium-witch and an ex-army ranger complete his new circle of friends. When the mob associates are released due to the lawyer's intentionally prejudicial testimony at trial, they come gunning for him before the retrial can occur. When Wise Guys meet the Wise Ass and friends, all hell breaks loose.

*An Illustrated Encyclopedia, 1949 Through 2003* Theatre Communications Group  
Thousands of travelers become stuck after ISIS attacks the United States, leaving the nation's physical, electrical, and technological infrastructure in tatters.

Jim Powell and his co-workers are stranded in a hotel in Richmond, Virginia, about five hundred miles from home. He and several others embark on a journey to try to get back home, by any means possible, in a world with scarce law enforcement where the rules of civilized society no longer apply.
