 '...distant hooves beat time with the name. Nick Nick Nicholas Nick, they cantered. A melody began that danced along on the magical words...' It's 1960 in an Australian country town - a time well before smartphones and social media. Fourteen-year-old Sandra, a shy but ambitious piano student, is on a journey of discovery. She's secretly in love with Nick Morgan, but he's already left school and hardly knows she exists. Everything changes when she finally

gets to know Nick at a polocrosse carnival. Even her best friend and Sandra's beautiful piano become less important. But she is swept out of her depth by events which test the value of her friendships and challenge her in ways she could never have imagined. 'A truly absorbing tale for teenagers.' - Barbara Ker Wilson AM, University of Queensland Press (Ret.)  
 'There are so many beautiful passages, lovingly felt moments and deft touches that will strike the reader back to

the purity of their own childhood, first love and love of the land that make for inescapable reading. I can thoroughly recommend it.' - Tom Thompson, ABC Radio 702  
 'A delightful coming-of-age story about first love, teenage dreams and the courage to face reality... all told through a filter of beautiful music...' - Candida Baker

*The High Kings* Ashgate Publishing, Ltd.  
 Made in Ireland: Studies in Popular Music serves as a comprehensive and thorough introduction to the history, sociology and musicology of 20th- and 21st-century Irish popular music. The volume

consists of essays by leading scholars in the field and covers the major figures, styles and social contexts of popular music in Ireland. Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Irish popular music. The book is organized into three thematic sections: Music Industries and Historiographies, Roots and Routes and Scenes and Networks. The volume also includes a coda by Gerry Smyth, one

of the most published authors on Irish popular music.  
Historical Dictionary of Irish Cinema Hassell Street Press  
 Fans of Terry Pratchett and Shane Kuhn's THE INTERN'S HANDBOOK will love this noir supernatural thriller. hr Death needs a vacation. Badly. But there's a catch: There are people who cheat the system, always falling through the cracks and not dying like they're supposed to. Who's going to take care of them while Death's sipping on

sangria? The answer is simple: Death needs an intern, and it doesn't take a rocket scientist to realize that one prospect, Buck Palasinksia—a bankrupt hitman with a roleplaying addiction—might have what it takes. While scoping out his next target, Buck gets drilled in the forehead by a bullet and falls right into Death's lap. If they shove him back into his body, he'll have a few weeks to prove that he has what it takes to be Death's right-hand. All he has to do is

take out Public Enemy No. 1, John Dillinger, and quit smoking.

McGill-Queen's Press - MQUP

Cracker Culture is a provocative study of social life in the Old South that probes the origin of cultural differences between the South and the North throughout American history. Among Scotch-Irish settlers the term "Cracker" initially designated a person who boasted, but in American usage the word has come to designate poor whites.

McWhiney uses the term to define culture rather than to signify an economic condition. Although all poor whites were Crackers, not all Crackers were poor whites; both, however, were Southerners. The author insists that Southerners and Northerners were never alike. American colonists who settled south and west of Pennsylvania during the 17th and 18th centuries were mainly from the "Celtic fringe" of the British Isles. The culture that these people

retained in the New World accounts in considerable measure for the difference between them and the Yankees of New England, most of whom originated in the lowlands of the southeastern half of the island of Britain. From their solid base in the southern backcountry, Celts and their “Cracker” descendants swept westward throughout the antebellum period until they had established themselves and their practices across the Old South. Basic among those practices that determined

their traditional folkways, values, norms, and attitudes was the herding of livestock on the open range, in contrast to the mixed agriculture that was the norm both in southeastern Britain and in New England. The Celts brought to the Old South leisurely ways that fostered idleness and gaiety. Like their Celtic ancestors, Southerners were characteristically violent; they scorned pacifism; they considered fights and duels honorable and consistently ignored laws

designed to control their actions. In addition, family and kinship were much more important in Celtic Britain and the antebellum South than in England and the Northern United States.

Fundamental differences between Southerners and Northerners shaped the course of antebellum American history; their conflict in the 1860s was not so much brother against brother as culture against culture.

 Omnibus Press

Traditional Songs for the 5-String Banjo features 22 classic old-time favourites, specially arranged for 5-string Banjo. The distinctive sound of the 5-string Banjo is most usually associated with folk, country and bluegrass music. In this book you'll find a superb collection of traditional songs that lend themselves perfectly to a variety of Banjo styles. Each song has been chosen and arranged to make the most of the instrument's unique capacity for rolling

rhythms and flexible fingerpicking patterns.  
 Song list: - Auld Lang Syne - All Through The Night - Amazing Grace - Danny Boy - Home On The Range - The Black Velvet Band - The Midnight Special - She Moved Through The Fair - Loch Lomond - My Grandfather's Clock - My Wild Irish Rose - On Top Of Old Smoky - Sam Hall - Scarborough Fair - Shady Grove - St. James Infirmary - Sweet Betsy From Pike - There's A Hole In My Bucket - Wayfaring Stranger - What Shall We

Do With The Drunken Sailor - Wild Mountain Thyme - The Yellow Rose Of Texas  
Traditional Songs for the 5-String Banjo University of Alabama Press (Banjo). These rousing Irish folksongs have been sung in pubs for generations. The arrangements in this 35-song collection include the vocal melodies, lyrics, chord diagrams and tabs for the 5-string banjo. 3-finger picking annotations are also included below the tab, but the arrangements can easily

be adapted for plectrum use. Songs include: Arthur McBride \* Cliffs of Doneen \* Finnegan's Wake \* I'll Tell Me Ma \* The Irish Rover \* Leaving of Liverpool \* Molly Malone (Cockles & Mussels) \* Nancy Whisky \* A Pub with No Beer \* Seven Drunken Nights \* When Irish Eyes Are Smiling \* Whiskey in the Jar \* Whiskey, You're the Devil \* Wild Rover \* and more.

Roads Musical media and the audio recording industry have an important and complex history in Newfoundland and Labrador: professional musicians, community songwriters, local institutions, and even politicians have gone on record. The result is a widespread body of work that undercuts the idea of recorded music as a cultural commodity and deepens the province's tradition of cultural activism. Drawing on contemporary testimony

and over fifty years of interviews, *On Record* explores how recording projects have served as sonic signatures, forms of protest, homage, or parody of the foibles of those in power. Beverley Diamond examines how audio recording in Newfoundland and Labrador has been shaped not merely by creative individuals, but by such events as resettlement, residential schools, the cod moratorium, technological change, and disasters that have befallen those who live

and work on the North Atlantic. A chapter by ethnomusicologist and musician Mathias Kom examines the widespread response to a unique annual "challenge" to make an audio recording. Spanning both commercial and community-oriented initiatives, this book reflects the vibrant, socially engaged, and resilient nature of communities that value simultaneously and equally the highest professional standards and the creative potential

of every citizen.  
 Encompassing music from both settler and Indigenous communities, On Record redefines the culture of a province that has most often been associated with traditional music, demonstrating that recording goes beyond the creation of a commodity: it responds to the present and to constructs of public memory.

 Tilly was a bright, outgoing little girl who liked playing with ghosts and matches. She loved fizzy drinks, swear words, fish fingers and Catholic churches, but most of all she loved living in Brighton in Queenie Malone's magnificent Paradise Hotel with its endearing and loving family of misfits. But Tilly's

childhood was shattered when her mother sent her away from the only home she'd ever loved to boarding school with little explanation and no warning. Now an adult, Tilda has grown into an independent woman still damaged by her mother's unaccountable cruelty. Wary of people, her only friend is her dog, Eli. But when her mother dies, Tilda returns to Brighton and with the help of her beloved Queenie sets about unravelling the mystery of her exile from The Paradise Hotel, only

to discover that her mother was not the woman she thought she knew at all ... Mothers and daughters ... their story can be complicated ... but it can also turn out to have a happy ending. 'A tender tale' Woman & Home 'Absorbing, tender and heartfelt' Mike Gayle, author of The Man I Think I Know 'Her best novel yet' Hannah Beckerman, author of If Only I Could Tell You 'Exuberant and full of zest' Nina Pottell Canadiana Hal Leonard Corporation Collects questions and

answers pertaining to such subjects as popular sayings, quotations, people and places, and literary connections, that have accumulated in "The Exchange" over the past several years.

The Cambridge Companion to the Singer-Songwriter The O'Brien Press

New York Times Bestseller  
"McKeon's delightful memories have been tucked away for fifty years, and thankfully, she has brought them out to share the enchanting magic of Camelot with us

all.” —Kirkus Reviews  
“Celebrity watchers who covet an insider’s role will find McKeon’s frank yet benevolent memoir to be both a sobering reality check and an engaging foray into the ever-fascinating world of the Kennedy dynasty.”

—Booklist An endearing coming-of-age memoir by a young woman who spent thirteen years as Jackie Kennedy’s personal assistant and occasional nanny—and the lessons about life and love she learned from the glamorous first lady. In

1964, Kathy McKeon was just nineteen and newly arrived from Ireland when she was hired as the personal assistant to former first lady Jackie Kennedy. The next thirteen years of her life were spent in Jackie’s service, during which Kathy not only played a crucial role in raising young Caroline and John Jr., but also had a front-row seat to some of the twentieth century’s most significant events.

Because Kathy was always at Jackie’s side, Rose Kennedy deemed

her “Jackie’s girl.” And although Kathy called Jackie “Madam,” she considered her employer more like a big sister who, in many ways, mentored her on how to be a lady. Kathy was there during Jackie and Aristotle Onassis’s courtship and marriage and Robert Kennedy’s assassination, dutifully supporting Jackie and the children during these tumultuous times in history. A rare and engrossing look at the private life of one of the most famous women of the twentieth century,

Jackie's Girl is also a moving personal story of a young woman finding her identity and footing in a new country, along with the help of the most elegant woman in America.
