**A Pleasant Escape** S. Chand Publishing  
The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you desire on your terms. It

is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. Chanakya is regarded as a great thinker and diplomat in India. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today's times. The topics discussed in this book are morality, ethics, governance and several others.

**Chanakya Neeti** Jordans Pub

When Alok Shirke decided to prepare for the mother-of-all-exams - UPSC Civil Service - little did he know that the journey would turn out to be much more

than just books and classes. He moves from the comfort of his home to the crowded lanes of Old Rajinder Nagar. A chance encounter with Sarah seems like destiny's compensation for all his hard work. He also meets buddies for a lifetime. Their life-stories of love, regret, friendship and shattered dreams take him through Kashmir and Turkey; from brothels to hospitals; and from dingy quarters to the hallowed halls of UPSC. When life finally seems to be coming back on track, he stumbles upon a truth that is bound to change him and the rest of his life. Will

Alok crack the exam, or will be just one of the many soon-forgotten aspirants? Will a strange revelation make him see his life as A Pleasant Escape?

Emerson's Essay on Compensation Oswaal Books and Learning Private Limited  
During the 2020 Democratic primary campaign, candidate Andrew Yang's policy of universal basic income was something many Americans had never heard of. Yang's background as a tech entrepreneur likely influenced his platform, as he projected that within the next decade 1 of every 3 workers would be at risk of losing their jobs to new technologies. Basic income has been debated and piloted in countries around the world since the 1960s. Readers will evaluate whether a country that prides itself on the merits of hard work, automation, and a drastically evolving labor force could change that. *Rich Dad, Poor Dad* Upkar Prakashan  
Explore Japan with the smartest and shrewdest guidebook on the market. Fully updated and expanded, this stunningly illustrated travel guide brings you superb coverage of all the country's unmissable experiences, from staying in a cosy ryokan and soaking in an onsen bath to climbing

snow-capped Mount Fuji and watching a titanic bout of sumo. Get up-to-the minute tips on contemporary Japan, from Kyoto's burgeoning street-food scene to Tokyo's up-and-coming hipster hubs, and read expert background on everything from anime to Zen. Packed with advice on all the best places to eat, sleep, drink and party - on every budget - this new edition of *The Rough Guide to Japan* covers Japan with our trademark mix of candour, insight and practical advice. Full colour maps and Japanese characters are given throughout to help navigate this bewildering and bewitching country. Make the most of your trip with *The Rough Guide to Japan*. Winner of the Top Guidebook Series in the Wanderlust Reader Travel Awards 2017.

*Cyber Safe Girl* is a handbook, curated to help the netizens to browse the internet responsibly. As the whole world moving online, the need for responsible browsing is very crucial as during the pandemic, there has been a sudden spike in cases of online frauds, scams and threats. This book comprises of 40 cyber crimes, tips and guidelines to stay protected, steps to

keep our digital devices and online accounts safe, glossary and attack vectors used by cyber criminals. Moreover, the IT Act, IPC and other relevant acts associated with each of the 40 cyber crimes are explained in detail, to create awareness about the consequences. This book is a must read for every netizen.

**General Principles and a Guide to Good Practice** W W Norton & Company Incorporated

"Pepper comes through again with this clever tale of how cyber sabotage of elections, coupled with highly concentrated ownership of traditional media operations, can undermine American democracy."--President Bill Clinton  
A twisty, one-step-ahead-of-the-headlines political thriller featuring a rogue reporter who investigates election meddling of epic proportions written by the ultimate insider. Investigative reporter Jack Sharpe is down to his last chance. Fired from his high-profile gig with a national news channel, his only lead is a phone full of messages from a grad student named Tori Justice, who swears she's observed an impossible result in a local election. Sharpe is sure she's

mistaken...but what if she isn't? Sharpe learns that the most important tool in any election is the voter file: the database that keeps track of all voters in a district, and shapes a campaign's game plan for victory. If one person were to gain control of an entire party's voter file, they could manipulate the outcome of virtually every election in America. Sharpe discovers this has happened--and that the person behind the hack is determined to turn American politics upside down. The more he digs, the more Sharpe is forced to question the values--and viability--of the country he loves and a president he admired. And soon it becomes clear that not just his career is in jeopardy...so is his life.

Essay on Transcendental Philosophy presents the first English translation of Salomon Maimon's principal work, originally published in Berlin in 1790. In this book, Maimon seeks to further the revolution in philosophy wrought by Kant's Critique of Pure Reason by establishing a new foundation for transcendental philosophy in the idea of difference. Kant judged Maimon to be his most profound critic, and the Essay went on to have a decisive influence on the course of post-Kantian German Idealism. A more recent admirer was Gilles Deleuze who drew on Maimon's Essay in constructing his own philosophy of difference. This long-overdue translation makes Maimon's brilliant analysis and criticism of Kant's philosophy accessible to an English readership for the first time. The text includes a comprehensive introduction, a glossary, translators' notes, a bibliography of writings on Maimon and an index. It also includes translations of correspondence between Maimon and Kant and a letter Maimon wrote to a Berlin journal clarifying the philosophical position of the essay, all of which bring the book's context alive for the modern reader.

v4.0 Bloomsbury Publishing

This book develops a critical understanding of Mahatma Gandhi's philosophy and practice in the context of contemporary challenges and engages with some of his key work and ideas. It highlights the relevance of Gandhi's legacy in the quest towards peace-building, equity and global justice. The volume examines diverse facets of Gandhi's holistic view of human life - social, economic and political - for the creation of a just society. Bringing together expert analyses and reflections, the chapters here emphasise the philosophical and practical urgency of Gandhi's thought and action. They explore the significance of his concepts of truth and nonviolence to address moral, spiritual and ethical issues, growing intolerance, conflict and violence, poverty and hunger, and environmental crisis for the present world. The volume serves as a platform for constructive dialogue for academics, researchers, policymakers and students to re-imagine Gandhi and his moral and political principles. It will be of great interest to those in philosophy, political studies, Gandhi studies, history,

cultural studies, peace studies and sociology.

There are no specific rules to prepare for a GD. And no one knows what the topic of GD is going to be. This book includes topics that are likely to be put by the Group Testing Officer before the candidates to gauge their personality and leadership qualities. It will be a good idea to keep yourself abreast with topics from:

1. Current Affairs - Current Affairs is something that you have to be thorough with. Understand the recent crises affecting the world, latest developmental initiatives, and important national & global events.
2. Historical topics- Have a fair knowledge about the history of India and the world. Having historical information will help you cite examples and make references whenever needed.
3. Sports, Arts & Literature - In these topics, try to have a decent idea about what is popular, who are the leaders in each area, the latest that has happened in these areas.
4. Data crunching - Do familiarize yourself with important data. Throwing in some

data if required in your GD will definitely create an impression among the assessors. Speak with a measure of confidence on the given topic; and secure the nod of the evaluator.

*Finding God in the Details of this Weird and Wonderful Life* Taylor & Francis  
 Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and

malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment What Works in Girls' Education is a compelling work for both concerned global citizens, and any academic, expert, nongovernmental organization (NGO) staff member, policymaker, or journalist seeking to dive into the evidence and policies on girls' education.

The principles and good practices set out in this Guide serve the following purposes: they assist in the more effective implementation and application of those provisions of the Hague Convention of 25 October 1980 on the Civil Aspects of International Child Abduction which concern transfrontier contact & they draw attention to provisions of the Hague Convention of 19 October 1996 on Jurisdiction, Applicable Law, Recognition, Enforcement and Co-operation in respect of Parental Responsibility and Measures for the Protection of Children which relate to transfrontier contact and which supplement the 1980 Convention, and provide guidance concerning their application & they provide an overall

model for constructing an international system of co-operation designed to secure effective respect for rights of contact. As such, the Principles and Guide are intended to be helpful also to those States, which are not Parties to the Hague Conventions, but are considering how best to develop effective structures. The Guide is intended to be of particular use to judges and Central Authorities appointed under the 1980 or 1996 Conventions, as well as to governments and other professionals engaged in the development of policies concerning transfrontier contact.

*The Diary of a Young Girl* Lulu Press, Inc  
W. W. Norton & Company is proud to present the Sixth Edition of The Norton Sampler. As a rhetorically arranged collection of short essays for composition, our Sampler echoes the cloth samplers once done in colonial America, presenting the basic patterns of writing for students to practice just as schoolchildren once practiced their stitches and ABCs on needlework samplers. This new edition shows students that description, narration, and the other patterns of exposition are not just abstract concepts used in

composition classrooms but are in fact the way we think--and write. The Norton Sampler contains 63 carefully chosen readings--classics as well as more recent pieces, essays along with a few real-world texts--all demonstrating how writers use the modes of discourse for many varied purposes.

*The Voter File* Dr. Ananth Prabhu G

In this National Bestseller, Mary Katherine Backstrom shares heartbreaking and hilarious stories of how God uses each "mess" in our lives to bring us closer to

Him. She shows us that it's okay to celebrate exactly where we are right now—holy, hot mess and all. A lot of people struggle with the concept of being holy. But the fact is, even the hottest of messes are being shaped—right now—into Jesus' likeness. In this book, Mary Katherine shares the sometimes-hidden evidence of God's work in her life and shows you that it's okay to embrace the hot messes. Mary Katherine will share both hilarious and vulnerable stories about faith, friendships, motherhood, marriage, and depression. She will cover the topics that plague our hearts every day with raw, honest truth and a side of laughter. Mary Katherine invites you into her story as a friend, encouraging you to embrace the hot messes in your life. Because we are all a work in progress, and as long as we are alive, we are under construction—and construction sites tend to be messy.

*Evidence for the World's Best Investment*  
Cambridge University Press

The book that inspired the major new motion picture *Mandela: Long Walk to*

Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.
