 Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. #1 New York Times bestseller \* 4 starred reviews \* A School Library Journal Best Book of the Year \* A Kirkus Best Book of the Year \* A Booklist Editors' Choice \* A Bustle Best YA Novel \* A Paste Magazine Best YA Book \* A Book Riot Best Queer Book \* A BuzzFeed Best YA Book of the Year \* A BookPage Best YA Book of the Year  
 On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: There's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of *Before I Fall* and *If I Stay*, *They*

*Both Die at the End* is a tour de force from acclaimed author Adam Silvera, whose debut, *More Happy Than Not*, the New York Times called “profound.” Plus don't miss *The First to Die at the End: #1* New York Times bestselling author Adam Silvera returns to the universe of international phenomenon *They Both Die at the End* in this prequel. New star-crossed lovers are put to the test on the first day of Death-Cast's fateful calls.

**Salvage the Bones** W. W. Norton & Company

Just when you think you have nothing left to lose, they come for your dreams. Humanity has nearly destroyed its world through global warming, but now an even greater evil lurks. The indigenous people of North America are being hunted and harvested for their bone marrow, which carries the key to recovering something the rest of the population has lost: the ability to dream. In this dark world, Frenchie and his companions struggle to survive as they make their way up north to the old lands. For now, survival means staying hidden — but what they don't know is that one of them holds the secret to defeating the marrow thieves.

When a shipowner is found dead, tied to a bed in one of

Reykjavik's smartest hotels, sergeant Gunnhildur Gísladóttir of the city police force sees no evidence of foul play but still suspects things are not as cut and dried as they seem. And as she investigates the shipowner's untimely - and embarrassing - demise, she stumbles across a discreet bondage society whose members are being systematically exploited and blackmailed. But how does all this connect to a local gangster recently returned to Iceland after many years abroad, and the unfortunate loss of a government laptop containing sensitive data about various members of the ruling party? What begins as a straightforward case for Gunnhildur soon explodes into a dangerous investigation, uncovering secrets that ruthless men are ready to go to violent extremes to keep. Praise for Quentin Bates: 'Superior crime fiction set in Iceland... this is a well constructed, well written and satisfying police procedural'. The Times. A meticulously constructed thriller, peopled with exceptionally convincing characters and shot through with black humour. Frozen Out is as chilling as an Icelandic winter. S.J. Bolton "[A] crackling fiction debut ... palpable authenticity." Publishers Weekly British author Bates captures the chilly spirit of Nordic crime fiction in what is the apparent start of a promising series with a distinctly appealing protagonist. Fans of Arnaldur Indriðason's Reykjavík mysteries will want to add Bates to their reading lists. Booklist

#### **The Snakes** Pear Press

Poetry. "Of the many ways of knowing the world, Stacie Cassarino in her elegant and poignant first book of poems, ZERO AT THE BONE, reminds us of the primacy of the senses. She tells us 'our mouths try to get it right' or that the 'mouth of the trees' will swallow us whole, by which she means taste is the most direct authenticator of experience and also the most defenseless because it's instruments of lips and tongue are eager. As a result, her great pre-occupation is with the vulnerability of human relationships, but as the title of the book suggests, Cassarino is fearless in her explorations of the risks. She knows 'you've got to live like everything will hurt you'"--Michael Collier.

#### Life in the Bones Penguin

Adam Mulvaney lives a double life. By day, he's the spoiled youngest son of an eccentric billionaire. By night, he's an unrepentant killer, one of seven psychopaths raised to right the wrongs of a justice system that keeps failing. Noah Holt has spent years dreaming of vengeance for the death of his father, but when faced with his killer, he learns a daunting truth he can't escape. His father was a monster. Unable to ignore his own surfacing memories, Noah embarks on a quest to find the truth about his childhood with the help of an unlikely ally: the very person who murdered his father. Since their confrontation, Adam is obsessed with Noah, and he wants to help him uncover the answers he seeks, however dark they may be. The two share a mutual attraction, but, deep down, Noah knows Adam's not like other boys. Adam can't love. He wasn't born that way. But he refuses to let Noah go, and Noah's not sure he wants him to. Can Adam prove to Noah that passion, power, and protection are just as good as love? Unhinged is a fast-paced, roller coaster ride of a romance with an HEA and no cliffhangers. It features a dirty-talking, possessive psychopath and a sweet cinnamon roll of a boy with Daddy issues and a core of steel. There's gratuitous violence, very dark humor, enough steam to fog up a hundred car windows, and something a lot like love. This is book one in the Necessary Evils series. Each book follows a different couple.

#### **Rule Of The Bone** DCB

"The Snakes is many things—a parable and an ancient drama where a father's greed devours his children, a police procedural, an avid take on tabloid venality, and a bitter comedy, superbly observed, where behind a woman's eyes she is 'all movement

inside herself, like a wasp in a glass.' I admit that I'm still shaken by parts of this novel. Sadie Jones writes with pitiless aplomb and corrosive intelligence."—Louise Erdrich A chilling page-turner and impossible to put down, THE SNAKES is Sadie Jones at her best: breathtakingly powerful, brilliantly incisive, and utterly devastating. The new novel by Sadie Jones tells the tense and violent story of the Adamsons, a dysfunctional English family, with exceptional wealth, whose darkest secrets come back to bite them. Set mostly in rural France during contemporary times, THE SNAKES is an all-consuming read and a devastating portrait of how money corrupts, and how chance can deal a deadly hand. THE SNAKES exposes the damage wreaked by parents on children as observed by a new member of the family, Dan, a mixed-race man from Peckham who marries Bea, the daughter who refuses to take any of her father's filthy money. But when Bea's brother Alex (who runs a shabby hotel in Paligny, France) dies suddenly in unexplained circumstances, the confusion and suspicion which arise bring other dark family secrets—and violence—to the surface. And none of the family, even the good members, go untouched.

#### At Zero New Issues Poetry & Prose

Tillie Walden's Eisner Award winning graphic memoir Spinning captures what it's like to come of age, come out, and come to terms with leaving behind everything you used to know. It was the same every morning. Wake up, grab the ice skates, and head to the rink while the world was still dark. Weekends were spent in glitter and tights at competitions. Perform. Smile. And do it again. She was good. She won. And she hated it. For ten years, figure skating was Tillie Walden's life. She woke before dawn for morning lessons, went straight to group practice after school, and spent weekends competing at ice rinks across the state. Skating was a central piece of her identity, her safe haven from the stress of school, bullies, and family. But as she switched schools, got into art, and fell in love with her first girlfriend, she began to question how the close-minded world of figure skating fit in with the rest of her life, and whether all the work was worth it given the reality: that she, and her friends on the team, were nowhere close to Olympic hopefuls. The more Tillie thought about it, the more Tillie realized she'd outgrown her passion—and she finally needed to find her own voice. This title has Common Core connections. A New York City Public Library Notable Best Book for Teens A Chicago Public Library Best Book of 2017 A 2018 YALSA Great Graphic Novel A 2017 Booklist Youth Editors' Choice

#### **Silent to the Bone** Macmillan

For ex-detective Frank Swann, being on the outside of Western Australia's police force is the only way to get justice done. Perth in 1979 is a city of celebration and corruption. There are street parties, official glad-handing - even a royal visit - to commemorate a century and a half since colonisation. But behind the festivities a new kind of land grab is going on, this time for mining leases. The price of gold is up, and few are incorruptible before its lure. When Swann is hired to probe the suicide of a well-regarded geologist, he's drawn into a mire of vice and fraud that has at its heart a lust for wealth that verges on a disease . . . By the author of the acclaimed Line of Sight, Zero at the Bone lifts the lid on Perth at the start of the mining boom to show a town where Chinatown meets Underbelly, and where the establishment and the lawless blend into one. 'Full of crooked cops, corrupt politicians and rapacious mining companies . . . I really enjoyed Zero at the Bone.' Michael Robotham 'Has all the economy, pace, unexpected humour and local colour we've come to expect from David Whish-Wilson. Highly recommended.' Adrian McKinty 'The plot is unexpected and intriguing, the action intense, but best of all is Whish-Wilson's ability to draw characters so familiar they could be next-door neighbours.

Beautifully written ... An absorbing read and thoroughly recommended if you love a great story. You won't want to put this one down until the very last page.' West Australian 'Satisfying turns [hold] narrative interest in a complex plot... This heavily researched and painstaking attention to detail skilfully captures the essence of Perth in the late 1970s and bodes well for Whish Wilson.' ABR 'Zero at the Bone is a gritty and utterly absorbing read... I'll be going back for more.' Good Reading

**Zero at the Bone** Simon and Schuster  
NEW YORK TIMES BESTSELLER • From former U.S. Poet Laureate Billy Collins comes a twelfth collection of poetry offering over fifty new poems that showcase the generosity, wit, and imaginative play that prompted The Wall Street Journal to call him “America’s favorite poet.” The Rain in Portugal—a title that admits he’s not much of a rhymer—sheds Collins’s ironic light on such subjects as travel and art, cats and dogs, loneliness and love, beauty and death. His tones range from the whimsical—“the dogs of Minneapolis . . . / have no idea they’re in Minneapolis”—to the elegiac in a reaction to the death of Seamus Heaney. A student of the everyday, Collins here contemplates a weather vane, a still life painting, the calendar, and a child lost at a beach. His imaginative fabrications have Shakespeare flying comfortably in first class and Keith Richards supporting the globe on his head. By turns entertaining, engaging, and enlightening, The Rain in Portugal amounts to another chorus of poems from one of the most respected and familiar voices in the world of American poetry. Praise for The Rain in Portugal “Nothing in Billy Collins’s twelfth book . . . is exactly what readers might expect, and that’s the charm of this collection.”—The Washington Post “This new collection shows [Collins] at his finest. . . . Certain to please his large readership and a good place for readers new to Collins to begin.”—Library Journal “Disarmingly playful and wistfully candid.”—Booklist

The definitive guide to Zero Balancing brings this increasingly popular therapy to life. It contains a clear description of the anatomy and physiology of energy which leads on to a compelling explanation of how and why this form of bodywork can have such powerful effects. Throughout, there are illustrations which convey the unique energy of a Zero Balancing session and John Hamwee provides fascinating examples of clients, their experiences and the outcomes of the work.

*50 Below Zero* Macmillan

Christian Wiman braids poetry, memoir, and criticism to create an inspired, career-defining work. Few contemporary writers ask the questions about faith, morality, and God that Christian Wiman does, and even fewer—perhaps none—do so with his urgency and eloquence. Wiman, an award-winning poet and the author of *My Bright Abyss*, lays the motion of his mind on the page in this genre-defying work, an indivisible blend of poetry, criticism, theology, and searing memoir. As Marilynne Robinson wrote, “[Wiman’s] poetry and his scholarship have a purifying urgency that is rare in this world . . . It enables him to say new things in timeless language, so that the reader’s surprise and assent are one and the same.” *Zero at the Bone* begins with Wiman’s preoccupation with despair, and through fifty brief pieces, he unravels its seductive appeal. The book is studded with the poetry and prose of writers who inhabit Wiman’s thoughts, and the voices of Wallace Stevens, Lucille Clifton, Emily Dickinson, and others join his own. At its heart and Wiman’s, however, are his family—his young children (who ask their own invaluable questions, like “Why are you a poet? I mean why?”), his wife, and those he grew up with in West Texas. Wiman is the rare thinker who takes up the mantle of our greatest mystics and does so with an honest, profound, and contemporary sensibility. *Zero at the*

*Bone* is a revelation.

Chappie is a punked-out teenager rejected by his mother and abusive stepfather. Out of school and in trouble with the police, he drifts through crash pads, dooper squats, and malls until he finally settles in an abandoned school bus with Rose, a seven-year-old child, and I-Man, an exiled Rastafarian who will dramatically change his life. Together they begin an amazing journey...

**Day Zero** C & R Crime

A NEW YORK TIMES NOTABLE BOOK The Babylonians invented it, the Greeks banned it, the Hindus worshipped it, and the Christian Church used it to fend off heretics. Today it's a timebomb ticking in the heart of astrophysics. For zero, infinity's twin, is not like other numbers. It is both nothing and everything. Zero has pitted East against West and faith against reason, and its intransigence persists in the dark core of a black hole and the brilliant flash of the Big Bang. Today, zero lies at the heart of one of the biggest scientific controversies of all time: the quest for a theory of everything. Within the concept of zero lies a philosophical and scientific history of humanity. Charles Seife's elegant and witty account takes us from Aristotle to superstring theory by way of Egyptian geometry, Kabbalism, Einstein, the Chandrasekhar limit and Stephen Hawking. Covering centuries of thought, it is a concise tour of a world of ideas, bound up in the simple notion of nothing.

*Zero at the Bone* HarperCollins

After witnessing a mob hit, surgeon Jack Francisco is put into protective custody to keep him safe until he can testify. A hitman known only as D is blackmailed into killing Jack, but when he tracks him down, his weary conscience won't allow him to murder an innocent man. Finding in each other an unlikely ally, Jack and D are soon on the run from shadowy enemies. Forced to work together to survive, the two men forge a bond that ripens into unexpected passion. Jack sees the wounded soul beneath D's cold, detached exterior, and D finds in Jack the person who can help him reclaim the man he once was. As the day of Jack's testimony approaches, he and D find themselves not only fighting for their lives... but also fighting for their future. A future together.

*Zero at the Bone* Farrar, Straus and Giroux

WINNER OF THE NOBEL PRIZE IN LITERATURE "A brilliant literary murder mystery." —Chicago Tribune "Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

*#Zero* HarperCollins

The adventure starts when cousins Fone Bone, Phoney Bone, and Smiley Bone are run out of Boneville and later get separated and lost in the wilderness, meeting monsters and making friends as they attempt to return home.

*ZERO AT THE BONE* John Wiley & Sons

Katherine Driscoll is just three weeks away from disaster: foreclosure on her home and business, even the sale of her beloved dog. She has no hope of raising the \$91,000 she so desperately needs—until the father she hasn't seen for thirty years writes to her, offering her enough money to solve her problems...if she will do one thing in return. But Katherine may never learn what that is. When she arrives in Austin, she is hours too late: her father has died in a bizarre accident. As she sifts through the cryptic notes he left behind, she finds herself caught up in terrible family secrets—and a deadly illicit trade. The more she learns, the more determined she becomes to prove her father's death was no accident. In doing so, Katherine will make a bitter enemy—one desperate enough to kill...and perhaps, kill again.

*Drive Your Plow Over the Bones of the Dead* Bitingduck Press LLC  
Late one evening in the summer of 2003, Erec Toso arrived home to his wife and children after an ordinary day at his university office. In the darkness of his yard, a rattlesnake lay along the path, basking in the post-monsoon coolness. Toso, lost in thought, never saw the snake, which struck him on the foot and injected a huge dose of venom. *Zero at the Bone* is a deeply personal narrative about Toso's physical recovery and emotional transformation following this near-death experience. In elegant prose that inspires as much as it unsettles, Toso takes the reader along with him on his expedition into the uncharted territory of cellular damage, hallucination, and ultimately profound spiritual awakening. On all levels, it is a book about pain. Toso spares no detail in his accounts of agonizing hospital procedures, in his revelations about rattlesnake lore, or in his descriptions of the wide-ranging effects of snake venom. But quickly the reader realizes that the physical pain of the snakebite is only the more tangible marker of the psychological pain and turmoil that Toso endures in the emotional journey that ensues. In the months that follow his terrifying attack, priorities, daily habits, family relations, and definitions of self all come into question. What is predictable becomes problematic; what is comfortable becomes disconcerting. In a story that hinges on a common fear about an unlikely event—that of a snakebite—Toso uncovers a more widespread reality that many of us do not fear enough—complacency.

*Zero at the Bone* Unbound Publishing

When you're a new parent, the miracle of life might not always

feel so miraculous. Maybe your latest 2:00 a.m., 2:45 a.m., and 3:30 a.m. wake-up calls have left you wondering how “sleep like a baby” ever became a figure of speech—and what the options are for restoring your sanity. Or your child just left bite marks on someone, and you're wondering how to handle it. First-time mom Tracy Cutchlow knows what you're going through. In *Zero to Five: 70 Essential Parenting Tips Based on Science (and What I've Learned So Far)*, she takes dozens of parenting tips based on scientific research and distills them into something you can easily digest during one of your two-minute-long breaks in the day. The pages are beautifully illustrated by award-winning photojournalist Betty Udesen. Combining the warmth of a best friend with a straightforward style, Tracy addresses questions such as: Should I talk to my pregnant belly / newborn? Is that going to feel weird? (Yes, and absolutely.) How do I help baby sleep well? (Start with the 45-minute rule.) How can I instill a love of learning in my child? (By using specific types of praise and criticism.) What will boost my child's success in school? (Play that requires self-control, like make-believe.) My baby loves videos and cell-phone games. That's cool, right? (If you play, too.) What tamps down temper tantrums? (Naming emotions out loud.) My sweet baby just hit a playmate / lied to me about un-potting the plant / talked back. Now what? (Choose one of three logical consequences.) How do I get through an entire day of this? (With help. Lots of help.) Who knew babies were so funny? (They are!) Whether you read the book front to back or skip around, *Zero to Five* will help you make the best of the tantrums (yours and baby's), moments of pure joy, and other surprises along the totally-worth-it journey of parenting.

***Zero at the Bone (Manga)*** Catapult

His sister's disappearance threatens to tear a boy's family apart. Cray is the first to smell smoke. It's his 1st week on the job, working alongside his father at the family plant, and he's afraid of making a fool of himself. So he waits on the factory floor, the machines screaming and wood chips flying. But he's finally certain: The roof is on fire, and if the blaze isn't put out, the factory could explode. Cray calls the fire department and races through the building telling the workers to flee. He's amazed by how calm they are. The fire is extinguished, and life slowly returns to normal. But the true crisis is just around the corner. When Cray's sister disappears and the police search reveals no trace of her, he discovers fear affects everyone differently—and it's not always smart to stay calm.
