Fire & Flood Orchard Books

In this transnational account of black protest, Nicholas Grant examines how African Americans engaged with, supported, and were inspired by the South African anti-apartheid movement. Bringing black activism into conversation with the foreign policy of both the U.S. and South African governments, this study questions the dominant perception that U.S.-centered anticommunism decimated black international activism. Instead, by tracing the considerable amount of time, money, and effort the state invested into responding to black international criticism,

Grant outlines the extent to which the U.S. and South African governments were forced to reshape and occasionally reconsider their racial policies in the Cold War world. This study shows how African Americans and black South Africans navigated transnationally organized state repression in ways that challenged white supremacy on both sides of the Atlantic. The political and cultural ties that they forged during the 1940s and 1950s are testament to the insistence of black activists in both countries that the struggle against apartheid and Jim Crow were intimately interconnected.

Winning Our Freedoms Together Simon and Schuster
Dune meets The Poppy War in Aparna Verma's *The Boy with Fire*, a glorious yet brutal tour-de-force debut that grapples with the power and manipulation of myth in an Indian-inspired epic

fantasy. Yassen Knight was the Arohassin's most notorious assassin until a horrible accident. Now, he's on the run from the authorities and his former employer. But when Yassen seeks refuge with an old friend, he's offered an irresistible deal: defend the heir of Ravence from the Arohassin, and earn his freedom. Elena Ravence prepares to ascend the throne. Trained since birth in statecraft, warfare, and the desert ways, Elena knows she is ready. She only lacks one thing: the ability to hold Fire. With the coronation only weeks away, she must learn quickly or lose her kingdom. Leo Ravence is not ready to give up the crown. There's still too much work to be done, too many battles to be won. But when an ancient prophecy threatens to undo his lifetime of work, Leo wages war on the heavens themselves to protect his legacy. The first of The Ravence Trilogy, *The Boy with Fire* is the tale of a world teetering on the edge of war and prophecy, of fate and betrayal, of man's irrevocable greed for power - and the sacrifices that must come with it.

The jaw dropping conclusion to the bestselling Fire and Ice Trilogy! I thought the threat from Seattle was finished. That we showed up in time and took care of business. I hate being wrong. It really ruins my day. When Roger, the alpha of the North American pack, shows up at my door with the news that a demon has made it to the Underworld with knowledge of me, some hard decisions have to be made. Do I stay above ground, with all my magical friends, and wait for the battle to come to me? Or do I seek the demon out, and pluck the threat out by the root? I don't want my friends to die on my behalf. I could never live with myself. But if I venture into the Underworld, it'll be the most

perilous journey of my life. This time, it isn't just my life hanging in the balance, it is my eternity.

Devotion ISCI

Bestselling author Julianna Baggott presents the second volume in her new post-apocalyptic, dystopian thriller trilogy. We want our son returned. This girl is proof that we can save you all. If you ignore our plea, we will kill our hostages one at a time. To be a Pure is to be perfect, untouched by Detonations that scarred the earth, and sheltered inside the paradise that is the Dome. But Partridge escaped to the outside world, where Wretches struggle to survive amid smoke and ash. Now, at the command of Partridge's father, the Dome is unleashing nightmare after nightmare upon the Wretches in an effort to get him back. At Partridge's side is a small band of those united against the Dome: Lyda, the warrior; Bradwell, the revolutionary; El Capitan, the guard; and Pressia, the young woman whose mysterious past ties her to Partridge in ways she never could have imagined. Long ago a plan was hatched that could mean the earth's ultimate doom. Now only Partridge and Pressia can set things right. To save millions of innocent lives, Partridge must risk his own by returning to the Dome and facing his most terrifying challenge. And Pressia, armed only with a mysterious Black Box containing a set of cryptic clues, must travel to the very ends of the earth, to a place where no map can guide her. If they succeed, the world will be saved. But should they fail, humankind will pay a terrible price . . .

Fire and Water Cooking HarperCollins

In the late 1970s, a pyromaniac runs amok in a close-knit community in rural Norway. Homes are burnt to a cinder, and

panic spreads, as neighbors wonder who amongst them could be wreaking such fear and anguish. And slowly, almost imperceptibly, a mother comes to realize that her son is lighting the fires. Born into this time of chaos, Gaute Heivoll is indelibly linked to the arsonist intent on such destruction. By juxtaposing the pyromaniac's story with his own, Heivoll explores memory, loss, and the agonizing separation of child from parent that it is a rite of passage for us all. Written in fluid, luminous prose, *Before I Burn* is a literary sensation, by the foremost Norwegian writer of his generation.

Children Under Fire Penguin

Reagan's trip down to the underworld was never going to remain a mystery. And now Lucifer is actively looking for the woman and her vampire cohort that raised hell in his domain. When a band of demons come to the surface with a note asking after Lucifer's heir, the truth of Reagan's true lineage can no longer be hidden. The problem is, the elves remember Lucifer's past heir, and how he nearly took down the Realm. This time, they do not intend to stand by while Lucifer finds his heir and raises her to power. This time, they'll cut the problem out at the root. Reagan went from a nobody in NOLA, to the most wanted woman in all the worlds. It's time for her to own who and what she is. It's time for her to fight back.

Before I Burn Harper Collins

The first full biography of legendary East Village artist and gay activist David Wojnarowicz, whose work continues to provoke twenty years after his death 'Carr's biography is both sympathetic and compendious; it's also a many-angled account of the downtown art world of the 1980s . . . a vivid and peculiarly

American story' New York Times 'A beautifully written, sympathetic, unsentimental portrait of one of the most lastingly influential late 20th century New York artists' LA Times

_____ David Wojnarowicz was an abused child, a teen runaway who barely finished high school, but he emerged as one of the most important voices of his generation. He found his tribe in New York's East Village, a neighborhood noted in the 1970s and '80s for drugs, blight, and a burgeoning art scene. His creativity spilled out in paintings, photographs, films, texts, installations, and in his life and its recounting-creating a sort of mythos around himself. His circle of East Village artists moved into the national spotlight just as the AIDS plague began its devastating advance, and as right-wing culture warriors reared their heads. As Wojnarowicz's reputation as an artist grew, so did his reputation as an agitator-because he dealt so openly with his homosexuality, so angrily with his circumstances as a Person With AIDS, and so fiercely with his would-be censors. *Fire in the Belly* is the untold story of a polarizing figure at a pivotal moment in American culture-and one of the most highly acclaimed biographies of the year.

Natural Mage Scholastic Inc.

From New York Times bestselling author of *POET X* comes a story of a girl with talent, pride and a little bit of magic that keeps her fire burning bright. Ever since she got pregnant during freshman year, Emoni Santiago's life has been about making the tough decisions, doing what has to be done for her daughter and her abuela. The one place she can let all that go is in the kitchen. There, she lets her hands tell her what to cook, listening to her intuition and adding a little something magical every time,

turning her food into straight-up goodness. Even though she's always dreamed of working in a kitchen after she graduates, Emoni knows that it's not worth her time to pursue the impossible. But then an opportunity presents itself to not only enrol in a culinary arts class in her high school, but also to travel abroad to Spain for an immersion program. Emoni knows that her decisions post high school have to be practical ones, but despite the rules she's made for her life — and everyone else's rules that she refuses to play by — once Emoni starts cooking, her only choice is to let her talent break free.

Born in Fire Grove Press

New York Times Bestseller! From the #1 internationally bestselling author of the Cartel Trilogy (The Power of the Dog, The Cartel, and The Border), The Force, and Broken comes the first novel in an epic new trilogy. "Superb. City on Fire is exhilarating." - Stephen King "Epic, ambitious, majestic, City on Fire is The Godfather for our generation." - Adrian McKinty, New York Times bestselling author of The Chain Two criminal empires together control all of New England. Until a beautiful woman comes between the Irish and the Italians, launching a war that will see them kill each other, destroy an alliance, and set a city on fire. Danny Ryan yearns for a more "legit" life and a place in the sun. But as the bloody conflict stacks body on body and brother turns against brother, Danny has to rise above himself. To save the friends he loves like family and the family he has sworn to protect, he becomes a leader, a ruthless strategist, and a master of a treacherous game in which the winners live and the losers die. From the gritty streets of Providence to the glittering screens of Hollywood to the golden casinos of Las Vegas, two

rival crime families ignite a war that will leave only one standing. The winner will forge a dynasty. Exploring the classic themes of loyalty, betrayal, and honor, City on Fire is a contemporary masterpiece in the tradition of The Godfather, Casino, and Goodfellas—a thrilling saga from Don Winslow, "America's greatest living crime writer" (Jon Land, Providence Journal).

For a Muse of Fire HarperCollins

Now with a new introduction for the Tor Essentials line, A Fire Upon the Deep is sure to bring a new generation of SF fans to Vinge's award-winning works. A Hugo Award-winning Novel! "Vinge is one of the best visionary writers of SF today."-David Brin Thousands of years in the future, humanity is no longer alone in a universe where a mind's potential is determined by its location in space, from superintelligent entities in the Transcend, to the limited minds of the Unthinking Depths, where only simple creatures, and technology, can function. Nobody knows what strange force partitioned space into these "regions of thought," but when the warring Straumli realm use an ancient Transcendent artifact as a weapon, they unwittingly unleash an awesome power that destroys thousands of worlds and enslaves all natural and artificial intelligence. Fleeing this galactic threat, Ravna crash lands on a strange world with a ship-hold full of cryogenically frozen children, the only survivors from a destroyed space-lab. They are taken captive by the Tines, an alien race with a harsh medieval culture, and used as pawns in a ruthless power struggle. Resulting from ongoing, international research into fusion processes, the International Tokamak Experimental Reactor (ITER) is a major step in the quest for a new energy source. The first graduate-level text to cover the details of ITER, *Controlled Fusion and Plasma Physics* introduces various aspects and issues of recent fusion research activ

Exposure HarperCollins

From a writer and expert who has been at the center of the fight for more than thirty years, a brilliant, big-picture reckoning with our shocking failure to address climate change. *Fire and Flood* focuses on the malign power of key business interests, arguing that those same interests could flip the story very quickly—if they can get ahead of a looming economic catastrophe. Eugene Linden wrote his first story on climate change, for *Time* magazine, in 1988; it was just the beginning of his investigative work, exploring all ramifications of this impending disaster. *Fire and Flood* represents his definitive case for the prosecution as to how and why we have arrived at our current dire pass, closing with his argument that the same forces that have confused the public's mind and slowed the policy response are poised to pivot with astonishing speed, as long-term risks have become present-day realities and the cliff's edge is now within view. Starting with the 1980s, Linden tells the story, decade by decade, by looking at four clocks that move at different speeds: the reality of climate change itself; the scientific consensus about it, which always lags

reality; public opinion and political will, which lag further still; and, perhaps most important, business and finance. Reality marches on at its own pace, but the public will and even the science are downstream from the money, and *Fire and Flood* shows how devilishly effective moneyed climate-change deniers have been at slowing and even reversing the progress of our collective awakening. When a threat means certain but future disaster, but addressing it means losing present-tense profit, capitalism's response has been sadly predictable. Now, however, the seasons of fire and flood have crossed the threshold into plain view. Linden focuses on the insurance industry as one loud canary in the coal mine: fire and flood zones in Florida and California, among other regions, are now seeing what many call "climate redlining." The whole system is teetering on the brink, and the odds of another housing collapse, for starters, are much higher than most people understand. There is a path back from the cliff, but we must pick up the pace. *Fire and Flood* shows us why, and how.

Revealed in Fire Ddvn: Fire and Ice Trilogy

"An unconventional thriller [and] a page turner . . . As much a surprising love story as it is a tale of spies" (*The New York Times Book Review*). In 1960 London, the Cold War is at its height, and a spy may be a friend or neighbor, colleague or lover. Two colleagues, Giles Holloway and Simon Callington, face a terrible dilemma over a missing top-secret file. At the end of a suburban garden, in the pouring rain, Simon's wife, Lily, buries a briefcase containing the file deep in the earth. She believes that in doing so she is protecting her family. What she will learn is that no one is immune from betrayal or the devastating consequences of

exposure. “Dunmore’s strategy, placing a triangle of past and present loves within a spy novel, yields an unexpected dividend. Even the most ordinary elements of life—the lengths to which a mother will go to protect her children, meeting someone special, what remains unsaid within a marriage—become viscerally exciting.” —The New Yorker “Exposure is many things at once—an espionage thriller, a forbidden-love story, an immigrant’s tale . . . A novel you won’t be able to shake.” —Entertainment Weekly “One of those books that you read with your heart in your mouth, your mind fully engaged, and with a sense of desolation as you note the dwindling number of pages left before it comes to an end.” —Chicago Tribune

Holy Fire Bloomsbury Publishing USA

Memory, morality, and immortality merge in this “haunting and lyrical triumph” from the bestselling author of *Schismatrix Plus* (Time). In the late twenty-first century, technology has lengthened lifespans far beyond what was once medically possible. Existence itself has become relatively easy—if boring. In this futuristic paradise, ninety-four-year-old Mia Ziemann longs for something different and undergoes a radical new treatment that restores both her body and mind to that of a twenty-year-old. After her dramatic transformation, Mia finds herself lost in an avant-garde world of passion, designer drugs, and creative expression . . . “Ideas—big ideas—lurk beneath Mia’s romp through Sterling’s delightfully imagined newly post-human Earth. Art, artifice, the pursuit of immortality, and youth and aging bounce around the story, the characters, and their conversations in imaginative, engaging fashion. . . . In the end, *Holy Fire* is one of the most interesting, imaginative, and subtly humorous—and

relevant for it—novels the cyberpunk/post-human era has produced. . . . *Holy Fire* may very well be [Sterling’s] best work.” —Speculiction “An intellectual feat, it is also a treat for the spirit and the senses.” —Wired “A patented Sterling extra-special.” —Newsday “The future Sterling traces is plausible and provocative, particularly his consideration of several contrasting cultures, and of the disenfranchised who are unable to become ‘post-human.’ Those interested in serious speculative conversation set within a very strange near-future will find this much to their taste.” —Publishers Weekly

Fused in Fire Grand Central Publishing

In the explosive finale to New York Times bestselling author Jeaniene Frost’s *Night Prince* series, Vlad is in danger of losing his bride to an enemy whose powers might prove greater than the *Prince of Vampires’* . . . In the wrong hands, love can be a deadly weapon For nearly six hundred years, Vlad Tepesh cared for nothing, so he had nothing to lose. His brutal reputation ensured that all but the most foolhardy stayed away. Now, falling in love with Leila has put him at the mercy of his passions. And one adversary has found a devastating way to use Vlad’s new bride against him. A powerful spell links Leila to the necromancer Mircea. If he suffers or dies, so does she. Magic is forbidden to vampires, so Vlad and Leila enlist an unlikely guide as they search for a way to break the spell. But an ancient enemy lies in wait, capable of turning Vlad and Leila’s closest friends against them . . . and finally tearing the lovers apart forever.

Have you ever wondered what it would be like to be able to cook food to an exact temperature and texture without a lot of fuss

and hassle? The sous vide cooking method can work hand in hand with your smoker and grill to make some of the best food you have ever made! It can also produce a finished product unlike any you can produce with using these methods on their own. Have you ever wondered what tender, juicy, beef brisket would taste like if cooked medium rare instead of well done? What about succulent beef ribs? Ever wondered the best way to cook smoked chicken and pork without drying it out? This book will give you the tools and techniques to do just that. Combining the elements of "Fire & Water" can open up a whole new cooking experience for even the most novice of home cooks. None of the techniques are super hard and the recipes included are easy and can be customized for your own personal tastes. We walk you through the equipment, process, and all that are needed to get you started and experimenting on your own.

Battle with Fire Hardie Grant Publishing

A pulse-pounding thrill ride, where a teen girl must participate in a breathtaking race to save her brother's life--and her own. Time is slipping away. . . . Tella Holloway is losing it. Her brother is sick, and when a dozen doctors can't determine what's wrong, her parents decide to move to the middle of nowhere for the fresh air. She's lost her friends, her parents are driving her crazy, her brother is dying--and she's helpless to change anything. Until she receives mysterious instructions on how to become a Contender in the Brimstone Bleed. It's an epic race across jungle, desert, ocean, and mountain that could win her the prize she desperately desires: the Cure for her brother's illness. But all the Contenders are after the Cure for people they love, and there's no guarantee that Tella (or any of them) will survive the race. The

jungle is terrifying, the clock is ticking, and Tella knows she can't trust the allies she makes. And one big question emerges: Why have so many fallen sick in the first place? Victoria Scott's breathtaking novel grabs readers by the throat and doesn't let go.

Natural Dual-Mage Recurve Press, LLC

As the Mages' Guild reorganizes, Penny seeks out training with the most unlikely teacher possible - leather-clad, crazy Reagan Somerset. Reagan's unorthodox training methods work, but they also expose Penny to enemies who seek to capture her for their own nefarious purposes.

City on Fire Createspace Independent Publishing Platform

The seat-gripping conclusion to the #1 bestselling Magical Mayhem trilogy One thing has become perfectly clear: The Mages' Guild won't stop coming for me until I am either under their control, or dead. So rather than wait to be cornered...I'm going to take the fight to them. But Emery and I can't do it alone. We have to assemble enough power in the magical world to rip the Guild off of their high horse. And to do that, we'll need the shifters as well as the vampires. Except, shifters and vampires would rather kill each other than work together. And after a surprise run-in with a strangely powerful goblin, my world is slapped sideways. If I can't learn the strange new power I totally didn't-steal-because-it-wasn't-my-fault, and can't get arch nemeses to work together for the common good, the Guild will finally have their prize. Me. This epic adventure will leave you breathless

Fuse Taylor & Francis

The explosive new addition to the DDVN World (Fire and Ice

Series) by USA Today Bestselling author K.F. Breene! Something has always been missing from my life. A hole that I could never seem to fill. When I accidentally turn a coven of witches into nightmares, I find out what that something is. Magic. And it turns out, I have a crap load of it. As a latent power awakens deep inside of me, I'm exposed to one of the most powerful and

corrupt organizations in the magical world-the Mages' Guild. Barely knowing a spell from a few swear words and luck, I won't be able to evade them alone. And that's when I meet him. The Rogue Natural. The best and most feared mage in the world. He's dangerous, mysterious, and has a vendetta of his own. He is now the only thing between me and magical enslavement.
