*Great on the Job* W. W. Norton & Company

For fans of *Old Yeller* and *Shiloh*, *Where the Red Fern Grows* is a beloved classic that captures the powerful bond between man and man's best friend. This special edition includes new material, including a note to readers from Newbery Medal winner and Printz Honor winner Clare Vanderpool, a letter from Wilson Rawls to aspiring writers, original jacket artwork, and more. Billy has long dreamt of owning not one, but two dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It's true that times are tough, but together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair. Praise for *Where the Red Fern Grows* A Top 100 Children's Novel, School Library Journal A Must-Read for Kids 9 to 14, NPR A Great American Read's Selection (PBS) Winner of Multiple State Awards Over 14 million copies in print! "A rewarding book . . . [with] careful, precise observation, all of it rightly phrased....Very touching." —The New York Times Book Review "One of the great classics of children's literature . . . Any child who doesn't get to read this beloved and powerfully emotional book has missed out on an important piece of childhood for the last 40-plus years." —Common Sense Media "An exciting tale of love and adventure you'll never forget." —School Library Journal "A book of unadorned naturalness." —Kirkus Reviews "Written with so much feeling and sentiment that adults as well as children are drawn [in] with a passion." —Arizona Daily Star "It's a story about a young boy and his two hunting dogs and . . . I can't even go on without getting a little misty." —The Huffington Post "We tear up just thinking about it." —Time on the film adaptation

*The One and Only Ivan* RDR Books

After spending the summer with her artist grandmother, Trisha knows she wants to be an artist, too. She's thrilled when her sketches get her into Miss Chew's special art class at the high school. A substitute teacher tells her she's wasting time on art when she should be studying - but fortunately, this is one battle that Miss Chew and Trisha are up for! This true story shows just how important a teacher can be in a child's life - and celebrates the power of art itself.

**We Want to Do More Than Survive** Sourcebooks, Inc.

A modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike for almost fifteen years and has sold over 3.5 MILLION copies! The city of Ember was built as a last refuge for the human race. Two hundred years later, the great lamps that light the city are beginning to flicker. When Lina finds part of an ancient message, she's sure it holds a secret that will save the city. She and her friend Doon must race to figure out the clues before the lights go out on Ember forever! Nominated to 28 State Award

For a long time, the people of Hargigo, a village in the tiny African country of Eritrea, were living without enough food for themselves and their animals. Then along came a scientist, Dr Gordon Sato, who helped to change their lives for the better. And it all started by planting some special mangrove trees. This fascinating story of environmental innovation is a celebration of creativity, hard work and the ability of one man to make a positive difference in the lives of many.

*The Mangrove Tree* Lindhardt og Ringhof

30th Anniversary edition with a new introduction from the author Hannah is tired of holiday gatherings—all her family ever talks about is the past. In fact, it seems to her that's what they do every Jewish holiday. But this year's Passover Seder will be different—Hannah will be mysteriously transported into the past . . . and only she knows the unspeakable horrors that await. Winner of the National Jewish Book Award "A triumphantly moving book." --Kirkus Reviews, starred review

**The City of Ember** Harper Collins

This is a reproduction of the tenth edition of the book, published around 1840. We have made our best endeavours to remove any imperfections that may have been introduced by the scanning process. This edition has been magnified to fit an A4/Letter sized page, to make easy reading of the text. A work of high standard, beneficial to both students and adults seeking self-improvement. We believe this rendering is superior to the current editions available through various outlets. Our commitment is to make available other culturally important important works by other historical and notable Authors. We hope you enjoy reading and taking benefit from this valuable book.

**The Great Plant-Based Con** Penguin

No calorie counting. No gram counting. Cheating is allowed! It's uncomplicated. Inexpensive. A cinch to maintain. And most of all, a sensible guide to healthy eating that will help you lose weight fast and keep it off for the rest of your life. During his forty years of medical practice and in his nationally syndicated medical column, Dr. Peter Gott has been asked constantly by patients and readers for a simple, foolproof way to lose weight. In response, he developed the No Flour, No Sugar Diet, which has prompted countless success stories from his patients, thousands of letters from his readers raving about their phenomenal weight loss, and this New York Times bestselling book. While Dr. Gott's program teaches you how to eliminate flour and sugar from your diet, you won't go hungry. The diet includes selections from all the food groups, with a strong emphasis on nutrient-dense foods that leave you feeling satisfied. You'll still enjoy lean meats, brown rice, low-fat dairy products,

vegetables, fruits, and other goodies?and discover how to satisfy your sweet tooth and carb cravings without sugar or flour. In addition, Dr. Gott's No Flour, No Sugar Diet? features: Easy-to-follow meal plans you customize to your needs More than 50 mouthwatering recipes for soups, entrees, desserts, and more--from Omelet Muffins to Pork Tenderloin Roasted with Fennel, Apples, Potatoes, and Onions to Strawberry Crepes with Dark Chocolate Sauce Pantry and food lists Guidelines for finding the hidden flour and sugar in many foods Important nutritional and exercise tips Inspirational stories from Dr. Gott's patients and letters from readers ...and much more. Get ready to let four powerful words "No Flour, No Sugar"make you healthier than you've ever been before!

**The People** New World Library

The infant management concepts presented in this book have found favor with over two million parents and twice as many contented babies. On Becoming Babywise brings hope to the tired and bewildered parents looking for an alternative to sleepless nights and fussy babies. The Babywise Parent Directed Feeding concept has enough structure to bring security and order to your baby's world, yet enough flexibility to give mom freedom to respond to any need at any time. It teaches parents how to lovingly guide their baby's day rather than be guided or enslaved to the infant's unknown needs. The information contained within On Becoming Babywise is loaded with success. Comprehensive breast-feeding follow-up surveys spanning three countries, of mothers using the PDF method verify that as a result of the PDF concepts, 88% breast-feed, compared to the national average of only 54% (from the National Center for Health Statistics). Of these breast-feeding mothers, 80% of them breast-feed exclusively without a formula complement. And while 70% of our mothers are still breast-feeding after six months, the national average encourage to follow demand feeding without any guidelines is only 20%. The mean average time of breast-feeding for PDF moms is 33 1/2 weeks, well above the national average. Over 50% of PDF mothers extend their breast-feeding toward and well into the first year. Added to these statistics is another critical factor. The average breast-fed PDF baby sleeps continuously through night seven to eight hours between weeks seven and nine. Healthy sleep in infants is analogous to healthy growth and development. Find out for yourself why a world of parents and pediatricians utilize the concepts found in On Becoming Babywise.

Coraline Penguin

ALA Best Book for Young Adults • School Library Journal Best Book • Publishers Weekly Best Book • IRA/CBC Children's Choice • NCTE Notable Children's Book in the Language Arts A Vietnamese girl

plants six lima beans in a Cleveland vacant lot. Looking down on the immigrant-filled neighborhood, a Romanian woman watches suspiciously. A school janitor gets involved, then a Guatemalan family. Then muscle-bound Curtis, trying to win back Lateesha. Pregnant Maricela. Amir from India. A sense of community sprouts and spreads. Newbery-winning author Paul Fleischman uses thirteen speakers to bring to life a community garden's founding and first year. The book's short length, diverse cast, and suitability for adults as well as children have led it to be used in countless one-book reads in schools and in cities across the country. Seedfolks has been drawn upon to teach tolerance, read in ESL classes, promoted by urban gardeners, and performed in schools and on stages from South Africa to Broadway. The book's many tributaries—from the author's immigrant grandfather to his adoption of two brothers from Mexico—are detailed in his forthcoming memoir, No Map, Great Trip: A Young Writer's Road to Page One. "The size of this slim volume belies the profound message of hope it contains." —Christian Science Monitor And don't miss Joyful Noise: Poems for Two Voices, the Newbery Medal-winning poetry collection!

The Devil's Arithmetic (Puffin Modern Classics) Disney Electronic Content

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, The Distance Between Us poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as La distancia entre nosotros.

**The Digested Read** Random House Books for Young Readers

This classic series of essays represents Alan Watts's thinking on the astonishing problems caused by our dysfunctional relationship with the material environment. Here, with characteristic wit, a philosopher best known for his writings and teachings about mysticism and Eastern philosophy gets down to the nitty-gritty problems of economics, technology, clothing, cooking, and housing. Watts argues that we confuse symbol with reality, our ways of describing and measuring the world with the world itself, and thus put ourselves into the absurd situation of preferring money to wealth and eating the menu instead of the dinner. With our attention locked on numbers and concepts, we are increasingly unconscious of nature and of our total dependence on air, water, plants, animals, insects, and bacteria. We have hallucinated the notion that the so-called external world is a cluster of objects separate from ourselves, that we encounter it, that we come into it instead of out of it. Originally published in 1972, Does It Matter? foretells the environmental problems that arise from this mistaken mind-set. Not all of Watts's predictions have come to pass, but his unique insights will change the way you look at the world.

An Invisible Thread Harper Collins

Tenth anniversary edition of Neil Gaiman's modern classic, brilliantly illustrated by Chris Riddell, with a new foreword by the author, in a gift presentation slipcase

Parvana's Journey Simon and Schuster

A warm, intimate portrait of Jackie Robinson, America's sports icon, told from the unique perspective of a unique insider: his only daughter. Sharon Robinson shares memories of her famous father in this warm loving biography of the man who broke the color barrier in baseball. Jackie Robinson was an outstanding athlete, a devoted family man and a dedicated civil rights activist. The author explores the fascinating circumstances surrounding Jackie Robinson's breakthrough. She also tells the off-the-field story of Robinson's hard-won victories and the inspiring effect he had on his family, his community. . . his country! Includes never-before-published letters by Jackie Robinson, as well as photos from the Robinson family archives.

**How to Catch a Leprechaun** Loyola Press

I walked on the moon. This is my journey. But it didn't begin when I stepped on board Apollo 11 on July 1, 1969. It began the day I was born. Becoming an astronaut took more than education, discipline, and physical strength. It took years of determination and believing that any goal is possible—from riding a bike alone across the George Washington Bridge at age ten to making a footprint on the Moon. I always knew the Moon was within my reach—and that I was ready to be on the team that would achieve the first landing. But it was still hard to believe when I took my first step onto the Moon's surface. We all have our own dreams. This is the story of how mine came true.

A Philosophical Dictionary Bloomsbury Publishing

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse—Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

Kindness is My Superpower St. Martin's Griffin

A much-needed "people skills" primer and master class in all facets of workplace communication Do you know how to ask for help at work without sounding dumb? Do you know how to get valuable and useful feedback from your colleagues? Have you mastered your professional elevator pitch so that every time you meet someone, they remember and are impressed by you? If you answered "no" to any of these questions, you need *Great on the Job*. In 2008, Jodi Glickman launched *Great on the Job*, a communications consulting firm whose distinguished client list includes Harvard Business School, Wharton, The Stern School of Business, Merrill Lynch, and Citigroup. Now, Glickman's three-step training program is available in book form for the first time. With case studies, micro strategies, and example language, readers will learn communication skills that can be practiced and implemented immediately. In today's economy, it's not typically the smartest, hardest working or most technically savvy who succeed. Instead, the ability to communicate well is often the most important precursor to success in the workplace. So whether you're a star performer or a struggling novice, *Great on the Job* will give you the building blocks you need for every conversation you'll have at work.

Best Sellers - Books :

One of Publishers Weekly's Best Books of the Year Winner of the Christopher Award Winner of the Catholic Press Association Book Award WITTY, WRYLY HONEST, AND ALWAYS ORIGINAL, *My Life with the Saints* is James Martin's story of how his life has been shaped by some surprising friends—the saints of the Catholic Church. In his modern classic memoir, Martin introduces us to saints throughout history—from St. Peter to Dorothy Day, St. Francis of Assisi to Mother Teresa—and chronicles his lifelong friendships with them. Filled with fascinating tales, Martin's funny, vibrant, and stirring book invites readers to discover how saints guide us throughout our earthly journeys and how they help each of us find holiness in our own lives. Featuring a new chapter from Martin, this tenth-anniversary edition of the best-selling memoir updates readers about his life over the past ten years. In that time, he has been a New York Times best-selling author, official chaplain of The Colbert Report, and a welcome presence in the media whenever there's a breaking Catholic news story. But he has always remained recognizably himself. John L. Allen, Jr., the acclaimed Catholic journalist, contributes a foreword that shows how Martin has become one of the wisest and most insightful voices of this era. "An outstanding and often hilarious memoir." —Publishers Weekly "One of the best spiritual memoirs in years." —Robert Ellsberg "Remarkably engaging." —U.S. Catholic "Martin's final word is as Jungian as it is Catholic: God does not want us to be Mother Teresa or Dorothy Day. God wants us to be most fully ourselves." —The Washington Post Book World *Arguing with Zombies: Economics, Politics, and the Fight for a Better Future* Rutgers University Press Plant-based is best for health, go vegan to help save the planet, eat less meat... Almost every day we are bombarded with the seemingly incontrovertible message that we must reduce our consumption of meat and dairy - or eliminate them from our diets altogether. But what if the pervasive message that the plant-based diet will improve our health and save the planet is misleading - or even false? What if removing animal foods from our diet is a serious threat to human health, and a red herring in the fight against climate change. In *THE GREAT PLANT-BASED CON*, Jayne Buxton demonstrates that each of these 'what-ifs' is, in fact, a reality. Drawing on the work of numerous health experts and researchers, she uncovers how the separate efforts of a constellation of individuals, companies and organisations are leading us down a dietary road that will have severe repercussions for our health and wellbeing, and for the future of the planet. *THE GREAT PLANT-BASED CON* is neither anti-plant nor anti-vegan - it is a call for us to take an honest look at the facts about human diets and their effect on the environment. Shocking and eye-opening, this book outlines everything you need to know to make more informed decisions about the food you choose to eat.

**Does It Matter?** Harper Collins

A "coming-of-age memoir spanning two decades, from the Culture War of the early 1990s to the War on Terror ... [a] blend of picaresque adventure, how-to activist handbook, and rigorous inquiry into questions of identity, resistance, and citizenship. It is also a ... personal recollection of friendships and fallings-out and of finding true love--several times over. After the Lesbian Avengers imploded, Cogswell describes how she became a pioneering citizen journalist, cofounding the Gully online magazine with the groundbreaking goal of offering 'queer views on everything'"--Amazon.com.
