A special 20th anniversary hardcover Baby Blues retrospective, this is the colossal collection that Baby Blues's 55 million-plus fans have been clamoring for. BBXX is a hefty, hardcover treasury highlighting 20 years of Baby Blues, one of the most popular comic strips in history. Seduction of the Innocent

William Marston was an unusual man—a psychologist, a soft-porn pulp novelist, more than a bit of a carny, and the (self-declared) inventor of the lie detector. He was also the creator of Wonder Woman, the comic that he used to express two of his

greatest passions: feminism and women in bondage. Comics expert Noah Berlatsky takes us on a wild ride through the Wonder Woman comics of the 1940s, vividly illustrating how Marston's many quirks and contradictions, along with the odd disproportionate composition created by illustrator Harry Peter, produced a comic that was radically ahead of its time in terms of its bold presentation of female power and sexuality. Himself a committed polyamorist, Marston

created a universe that was friendly to queer sexualities and lifestyles, from kink to lesbianism to cross-dressing. Written with a deep affection for the fantastically pulpy elements of the early Wonder Woman comics, from invisible jets to giant multi-lunged space kangaroos, the book also reveals how the comic addressed serious, even taboo issues like rape and incest. Wonder Woman: Bondage and Feminism in the Marston/Peter Comics 1941-1948 reveals how illustrator and writer came

together to create a unique, visionary work of art, filled with bizarre ambition, revolutionary fervor, and love, far different from the action hero symbol of the feminist movement many of us recall from television.

Hyperborea #1

The Joker is dead. There is no doubt about that. But whether Batman finally snapped his scrawny neck or some other sinister force in Gotham City did the deed is still a mystery. Problem is, Batman can't remember... and the more he digs into this labyrinthian case, the more his mind starts to doubt everything he's uncovering. So who better to set him straight than... John Constantine? Problem with that is as much as John loves a good mystery, he loves

messing with people's heads even more. So with John's "help," the pair will delve into the sordid underbelly of Gotham as they race toward the mind-blowing truth of who murdered The Joker.

BATMAN: DAMNED is a supernatural horror story told by two of comics' greatest modern creators- a visceral thrill-ride that proudly puts the "black" in BLACK LABEL. This new collection includes a sketch gallery and other bonus features.

be graduating from the shallow end to adult swim!

REACHING NEW HEIGHTS
ON SOLO FLIGHTS!!!
Sometimes a busy, mature housewife just needs a little alone time, y'know? Some time to get in touch with herself... to recharge her batteries. Which sometimes means draining a few batteries. And a little baby oil. Or the garden hose. There might be a spatula involved. Possibly a banana. And what's Mom

doing with her teenage daughter's class photo? From the kitchen to the laundry room, in the backyard and in the bedroom, and even at the store, these intimate personal moments are captured in loving detail in this gallery of sensuously shaded pencil drawings by Rebecca, who obviously knows a thing or two (or seven hundred) about XXX-rated suburban sexuality. (*Erotic CEO/Boss Billionaire Office Romance*) Dynamite Entertainment
