## MALONE DAISY

*Case Closed, Vol. 84* Yen Press LLC  
 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to

face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Sherlock Holmes: The Hero With a Thousand Faces ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle's famous detective over the course of three centuries. In plays, films, TV shows, and other media, one generation after another has reimagined Holmes as a romantic hero, action hero, gentleman hero, recovering drug addict, weeping social crusader, high-functioning sociopath, and so on. In essence, Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place. Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame. Victorian novelists like Anthony Trollope and William Thackeray had pointedly written "novels without a hero," because in their minds any well-ordered and well-mannered society would have no need for heroes or heroic behavior. Unfortunately, this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn't trust the police, who were generally regarded as corrupt and incompetent. Into this gap stepped the world's first

consulting detective, an amateur reasoner of some repute by the name of Sherlock Holmes, who shot to fame in the pages of *The Strand Magazine* in 1891. When Conan Doyle proceeded to kill Holmes off in 1893, it was American playwright, director, and actor William Gillette who brought the character back to life in his 1899 play *Sherlock Holmes*, creating a sensation on both sides of the Atlantic with his romantic version of Holmes, and cementing his place as the definitive Sherlock Holmes until the late 1930s. By that point, Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person, formed clubs like *The Baker Street Irregulars*, and introduced the idea of cosplay to the embryonic world of fandom. These well-educated fanboys subsequently became the self-assigned protectors of Sherlock Holmes, anxious that their version of the character not be besmirched or defamed in any way. In spite of this, there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes, which effectively turned him into an action hero due to the lack of sound. When sound films took the industry by storm in the late 1920s, there were a numbers of pretenders who reached for the Sherlock Holmes crown, including Clive Brook, Reginald Owen, and Raymond Massey, but it took more than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone.
