I don't know who thought it was a good idea to put me in charge of protecting the gorgeous twenty-something year-old daughter of an heiress. Yet here I am, doing my best to keep her alive and out of a hitman's cross hairs. Unfortunately, the heiress refuses to listen to a damn word anyone says and she treats her daughter, Isabelle, like shit--which doesn't sit well with me. When the heiress gets herself killed, I can't say I'm heartbroken, given how horrible she's been to Isabelle. And when Isabelle begs me to keep her alive, there's no way I can turn her down. Not when I haven't been able to shake her from my thoughts from the moment I laid eyes on her. In typical Blackthorn fashion, I'm falling for her fast and hard. But there's still a killer on the loose, and it turns out the heiress had some secrets she'd have preferred to take to her grave. Now, it's not just Isabelle's life that's at stake, but my heart, and there's a damn good chance I'm going to lose them both. *** This story has a Happily Ever After for the couple and can be read as a stand alone, though there are small plot points that will continue in upcoming books. ***

Ella is the kind of gorgeous woman who would turn heads everywhere. Unfortunately, she has never found a man who can push all the right buttons. Until now. Enter Nicholas Gentry, a playboy billionaire who knows exactly how to make a woman submit. It doesn't take long for him to crumble her resistance and make her surrender to him completely. ~~~~~ PG Excerpt ~~~~~ "Come now, let's get you cleaned up," his large hand circled my wrist and he pulled me past the imposing double doors. "Mr. Gentry, this is hardly appropriate. You should be—" "Hush. You should get cleaned up before the dress stains," he said, guiding me up the winding stairs and down the hall to the last room. He pushed open the door and we stepped into the

empty room. His arm still cupping my elbow, he led me to a small love seat and gestured for me to sit. Then, he reached for a napkin his pocket and pressed it against my chest and neck. Warm sizzles coursed down my spine as he touched my skin gingerly. I could feel the heat of his fingertips scorching me with desire. It was ridiculous how easily my body was reacting to his every move. My breasts swelled and my nipples quickly perked up. I was completely aware of how low-cut the dress was and how dangerously close his fingers were to touching bare skin. "I can do that myself, thank you very much," I demurred, taking the napkin from his hand and dabbing the wetness from my breast gingerly, unsuccessfully avoiding the intense reaction his mere presence was having on my nerves the entire time. Even my own touch was making me more aroused. "Can I convince you out of the dress?" he asked and my heart stopped. "Excuse me?" I gasped, looking up to lock eyes with him. I was certain that I had heard him wrong. Did he just ask me to undress?! "The dress," he said. "I'm afraid ants will start coming after you if you keep wearing that any longer," he said jokingly. "But mostly I'm worried that will stain." At a loss for words, I remained silent as I continued dabbing the sweet liquid from my skin. He was right. I was fighting a losing battle. The drink had seeped to my dress and was fast creating a stain. The faster I took it off, the easier it was to get the color out. "Do you have anything else I could wear?" I asked carefully. He looked around for a moment, then took off his jacket and started unbuttoning the white suit beneath it. "I don't think this will be missed," he said with an easy smile when my eyes bulged at he slowly undressed right in front of me. The expensive tailored formalwear came off, revealing his perfect half-naked body beneath it. His body was rock hard. All muscles and masculinity with just a hint of hair on his chest. His abs were so pronounced I was certain I could wash off the stain on my dress on it. I resisted the urge to run my fingers over his body to feel if they were real. They were too perfect to be real. I licked my lips. It was hard not to wonder how it would feel to have my fingers over his back as he pounded into me. "Like what you see?" he asked, surprising me from my daydream.

WHERE REALITY AND FANTASY COLLIDE AND BONDAGE IS THE CURRENCY OF SURRENDER. Rachel's introduction to bondage is from the mysterious Strict Bondage magazine she found on the floor next to her front door. The fantasies in her head were brought about by the vivid pictures in the book of bound, naked women. The only place she could buy them was a porn store. The magazine rack was a cornucopia of bondage delights. She didn't mind when the clerk in the store came up behind her. That was the first time she came by someone else's hands while she stared at the perverted pictures, imagining it was her bound tight and surrendering to the passion that bondage inflicted in her. Natalia had a boyfriend that she trusted too much. How he managed to convince her to let him strip her naked and tie her spread eagle to the bed, she didn't know. She loved the feeling of the ropes around her arms and legs, putting her into obscene positions. His mouth took possession of her and made her climax. What she hated was how her boyfriend used her body, taking away her

ability to keep him out of her mouth. The bondage is what excited her, but her helplessness is what she disliked. Yet, he did make her cum. Rachel and Natalia are best friends, and after graduation from college, they decide to take a vacation to the country of Nauru, part of a thousand islands in the Western Pacific Ocean. They are lured in with cheap airfare and hotel. They meet the mysterious Jade when they landed on Nauru. The country of eight square miles was nothing like they expected, but it did have the warm beach sand and crystal clear water. A major robbery where the elderly owner was beaten for the jewels and gold that he kept for his jewelry business changed their vacation to something else. Circumstances led the security police's trail of the crooks to the small resort the three women were staying at. The security police picked up Jade first and then Natalia and Rachel. It was nothing like the women expected, but it was what they imagined. Interrogation meant being bound naked to sturdy chairs, naked in a room of men. While the police investigated, the three women were remanded to a cell in the prison located in the same building. It was here that Judge Michael presided with his brand of justice. He was also the President of Nauru and funded the country's budget out of his immense wealth. The people of Nauru were beholden to him and allowed him the luxuries and pleasures that accrue to a national leader. His prison was his pleasure. For the next two days, the three women learned firsthand about bondage and are promoted to Strict Bondage. It became a blur between fantasy and reality for the three women. The Master of BDSM, Powerone, takes you on an erotic ride that borders on reality and fantasy.
