HILLARY ESMERALDA

A True Story august house

A teenager tries to steal the purse of Mrs. Luella Bates Washington Jones and is rebuked in a surprising fashion.

A Comprehensive Guide to Their Identification, Behavior, and Calls University of Arizona Press

Match wits with 12 year old Einstein Anderson and his best friend, Paloma Fuentes, who use their science knowledge to unravel tricky puzzles and solve mysteries. Plus, do their science experiments, and become a science geek too!

North American Toads and Frogs with a Study of the Habits and Life Histories of Those of the Northeastern States Macmillan

This book is the most complete account in existence of a strange group of animals—the spadefoot toads. This small group of species, which, because of their secretive and burrowing habits, the author calls "gnomes of the night," have unusually numerous interesting facts in their life history. The purpose of the book is twofold: to give a factual picture of the lives of the spadefoots, drawing upon the technical literature as well as the author's wide experience with certain species; and to illustrate how a naturalist works, the mistakes he sometimes makes, his correction of them with time and further experience, and the necessity for him to accept and examine critically the comments on his work by others. Gnomes of the Night should appeal to all zoologists, especially those whose interests are in the lives of animals in their natural habitat rather than in the laboratory. Illustrated

with maps and photographs, it is a scholarly and fascinating account of little-known but prevalent animals.

Univ of California Press

This satisfying story explores the powerful impact of our actions on the world around us. When his father takes a new job in Massachusetts, Ben Moroney must leave behind his best friend Tony, a western banded gecko named Lenny, and worst of all, the Arizona desert home he has loved and explored. Ben's adjustment to his new environment is not going well until he unexpectedly finds a kindred spirit in his eccentric fifth-grade science teacher, Mrs Tibbets. She introduces him to the rare and elusive Eastern spadefoot toads that make their home on her rural property. When Ben discovers that Mrs. Tibbets's land may be sold to developers, he knows he has to do something. As Ben's obsession with saving the spadefoot toads' habitat grows, his schoolwork and his relationships with his family and new friends suffer. But just when it seems things can't get any worse, Ben finds a way to meet his responsibilities to the people around him and demonstrates the importance of even the smallest efforts to save the earth's rapidly disappearing habitats. With great environmental themes, this appealing middle grade novel comes from renowned storyteller and two-time Grammy Award winner Bill Harley.

Rain Forest Food Chains Capstone

It's springtime again in Deanville and everything is in full bloom—including some microscopic nuisances that put a damper on outdoor activities. What could it be? Help Jesse use science skills to figure it out!

The Calls of Frogs and Toads Houghton Mifflin Harcourt

Shows the species of frogs and toads in the United States and Canada, accompanied by a seventy minute CD which includes the calls of nearly every species.

Skye Above StarWalk Kids Media

In the village of Giant's Hand Jack's grandfather has been pushing him to find a princess and get married, so when a young lady falls out of the sky wearing a shirt that says "Punk Princess," and she tells Jack that her grandmother, who looks suspiciously like the long-missing Snow White, has been kidnapped, Jack decides to help her.

The Mighty Ants and Other Cases Harper Collins

Journey with Diana Kappel-Smith into the nocturnal world of wild North America. Night Life combines scientific descriptions and personal reflections on creatures ranging from spiders and snakes to large predators of the northern Plains.

Zach's Lie Capstone

"A Natural History of the Sonoran Desert provides the most complete collection of Sonoran Desert natural history information ever compiled and is a perfect introduction to this biologically rich desert of North America."--BOOK JACKET.

Bats in Trouble Orca Book Publishers

The dreaded Dirty Joe and his piratical crew sail in search of the smelliest treasure ever: dirty socks! The rogues cheerfully pillage their way across the seven seas, until the day they run across another band of pirates-one led by the notorious Stinky Annie. Has Dirty Joe finally met his match? From Grammy Award ;winning storyteller Bill Harley and bestselling illustrator Jack E. Davis comes a zany, tongue-twisting, side-splitting tale certain to be prized by budding buccaneers!

Night Life Sourcebooks, Inc.

The narrative of a boy who lived through Auschwitz and Buchenwald provides a short and terrible indictment of modern humanity.

Mister H Heinemann-Raintree Library

In the jungles of South Borneo, an orangutan has set up home on a dangerous palm oil plantation. He has been resisting all attempts to move him to the safety of the nearby reservation. When Ben and Zoe arrive to try to help, they discover that illegal logging is taking place. As they investigate, it quickly becomes clear that the orangutan isn't the only one in grave danger . . .

[Salamander Rescue](#) Night of the Spadefoot Toads

When Jack Osborne is befriended by his school's custodian and a Basque girl, he begins to adjust to his family's sudden move to Elko, Nevada, after entering the Witness Security Program, but the drug cartel against which his father will testify is determi

[Because I Stubbed My Toe](#) Little, Brown

Ben and Zoe cruise to the Caribbean where a shady marine park has dumped an unwanted young dolphin into the sea. Having been raised in captivity, the dolphin is ill-equipped to survive on its own and soon finds itself in troubled waters. The twins must find the young dolphin and guide it to safety before the confused creature is lost at sea.

[Dirty Joe, the Pirate](#) Simon and Schuster

Introduces the rain forest food chain, describing the parts of a food chain and identifying some of the consumers, producers, and decomposers in the rain forests around the world.

Night of the Spadefoot Toads Peachtree Publishers

A hippopotamus who has learned to speak English escapes the zoo and sets out for his home in Africa, but finds many distractions along the way.

Pioneer of Ecology Wm. B. Eerdmans Publishing

Clear-eyed and spirited, Taylor Greer grew up poor in rural Kentucky with the goals of avoiding pregnancy and getting away. But when she heads west with high hopes and a barely functional car, she meets the human condition head-on. By the time Taylor arrives in Tucson, Arizona, she has acquired a completely unexpected child, a three-year-old American Indian girl named Turtle, and must somehow come to terms with both motherhood and the necessity for putting down roots. Hers is a story about love and friendship, abandonment and belonging, and the discovery of surprising resources in apparently empty places. Available for the first time in mass-market, this edition of Barbara Kingsolver's bestselling novel, *The Bean Trees*, will be in stores everywhere in September. With two different but equally handsome covers, this book is a fine addition to your Kingsolver library.

Lost and Found University of Pennsylvania Press

Ben and Zoe, WILD's top operatives, are sent to investigate the death of a polar bear near an Alaskan village. The twins' mission takes an unexpected turn when they learn that the bear's orphaned cub is somewhere out in the frozen wilderness. Will Ben and Zoe be able to find the lost cub in time?

A Novel Orca Book Publishers

Cricket McKay has lived in Waterton all her life, so she is surprised to discover an animal she hasn't seen before: the long-toed salamander. She finds a band of them migrating from the pond to their hibernation grounds at Crandell Mountain. Crossing the road that lies between the pond and the mountain is dangerous enough, but now a newly-constructed curb makes their journey even more challenging. Can Cricket and her friends come up with a solution to help the salamanders? Salamander Rescue is the second book featuring Cricket and friends, following *Ospreys in Danger*.

[Noisy Frog Sing-Along](#) Peachtree Publishers

In this early chapter book, the seventh installment in the Justine McKeen series, Justine sets out to ban bottled water from her school.
