In Ravka, just because you avoid one trap, it doesn't mean you'll escape the next. This story is a companion folk tale to Leigh Bardugo's upcoming novel, *Siege and Storm*, the second book in the Grisha Trilogy. At the Publisher's request, this title is being sold without Digital Rights

Management Software (DRM) applied.

**Murder at Queen's Landing** Unsainted New York Times bestselling author Penelope Douglas introduces Quinn, younger sister to Jared, Madoc, and Jaxon, in this captivating novella in the *Fall Away* series. Quinn Caruthers has several problems: her father, Jason, and her three older brothers, Jared, Madoc, and Jaxon. Under the close watch of the men in her family, Quinn has found it nearly impossible to spread her wings—or even date—without them jumping in to hover. And when a family friend—several years

older—from her childhood captures her heart, she knows they're going to be a problem. Lucas Morrow is a man—experienced, sophisticated, and important. And knowing her brothers, he may as well be forbidden. But Lucas left town years ago and shows no signs of returning. Quinn knows she shouldn't wait for him anymore. Then a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn Quinn's world upside down. She's never asked about the tumultuous path of her parents' romantic

history, but she soon learns their happy marriage had a very rocky and passionate start. As she begins to see things around her with new eyes, Quinn will have to make tough choices about whether she'll keep waiting...or finally go after what she really wants.

Nothing More Dangerous Lulu.com

Pawn. Diamond princess. Prey. Since I can remember, I've been a pawn in someone's game. Danger was looming but never enough to harm me. Until now. Then he came along. My new bodyguard. The only person who saw past my edges.

Meanwhile, I was rooted deep in a web of deception, trying to save myself. He was supposed to protect me and keep me from harm's way. Just like everyone else, he wanted to break me. Now we've both been thrown into a game neither one of us wanted to play. I was taught to be unbreakable like a diamond. I was a diamond, and diamonds don't break.

The Boy with Fire Penguin

This means nothing. That sentence would become the biggest lie I've ever told myself after spending an unforgettable night with Sebastian Compton. Because he has rules-one night, no strings attached.

It's easier that way. He travels the world as a bodyguard for his best friend and one of the most famous pop icons alive. I'm merely a glorified coffee-runner, still trying to get noticed by my boss. It would never work between us. It should have meant nothing. After all, my best friend schemed to hurt the very man Sebastian was hired to protect-and I knew about it. He shouldn't want to be near me. We shouldn't be sneaking around, hiding our feelings from those closest to us. I shouldn't want him. He's arrogant, jealous, and possessive-breaking his rules and my boundaries, claiming me for another night only to leave again. But now, it means everything. I never expected more than a single night with him. I didn't foresee being thrust back together by the product of our lust. It didn't occur to me that while fighting our feelings, we may have built something worth fighting for. Most of all, I never thought something so perfect could grow from a relationship that had always been founded on temptation.

**Broken Fae** Createspace Independent Publishing Platform

His songs were better when he had a broken heart.That sentence would change

my life after my dream job was dished to me on a shiny, silver platter.All I had to do?Hurt Nash Pierce enough to get him writing good music again.The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album-like the first he'd penned, using his heartbreak as fuel.The plan was simple: I'd go on tour with him as a backup dancer?and make him fall in love with me. I was hired to inspire-to become embedded into every lyric he wrote. Then, I was to set fire to it all-to destroy every feeling we hoped he'd develop for me.It seemed simple enough. Easy, even.I didn't expect to be consumed myself-to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own.Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye.

Hollow Sourcebooks Casablanca Missouri native Allen Eskens' "stunning small-town mystery" (New York Times Book Review) is a necessary exploration of family, loyalty, and racial tension in America and "a coming-of-age book to

rival some of the best, such as Ordinary Grace" (Library Journal, starred review). In a small Southern town where loyalty to family and to "your people" carries the weight of a sacred oath, defying those unspoken rules can be a deadly proposition. After fifteen years of growing up in the Ozark hills with his widowed mother, high-school freshman Boady Sanden is beyond ready to move on. He dreams of glass towers and cityscapes, driven by his desire to be anywhere other than Jessup, Missouri. The new kid at St. Ignatius High School, if he isn't being pushed around, he is being completely ignored. Even his beloved woods, his playground as a child and his sanctuary as he grew older, seem to be closing in on him, suffocating him. Then Thomas Elgin moves in across the road, and Boady's life begins to twist and turn. Coming to know the Elgins -- a black family settling into a community where notions of "us" and "them" carry the weight of history -- forces Boady to rethink his understanding of the world he's taken for granted. Secrets hidden in plain sight begin to unfold: the mother who wraps herself in the loss of her husband, the neighbor who carries the

wounds of a mysterious past that he holds close, the quiet boss who is fighting his own hidden battle. But the biggest secret of all is the disappearance of Lida Poe, the African-American woman who keeps the books at the local plastics factory. Word has it that Ms. Poe left town, along with a hundred thousand dollars of company money. Although Boady has never met the missing woman, he discovers that the threads of her life are woven into the deepest fabric of his world. As the mystery of her fate plays out, Boady begins to see the stark lines of race and class that both bind and divide this small town -- and he will be forced to choose sides. The conclusion to the Cat and Mouse Duet is here...The DiamondDeath walks alongside me,But the reaper is no match for me.I'm trapped in a world full of monsters dressed as men, and those who aren't as they seem.They won't keep me forever.I no longer recognize the person I've become,And I'm fighting to find my

way back to the beast who hunts me in the night.They call me a diamond,But they've only created an angel of death.The HunterI was born a predator,With ruthlessness ingrained in my bones.When what's mine is stolen from me in the night,Like a diamond hidden within a fortress,I find that I can no longer contain the beast.Blood will paint the ground as I tear apart this world to find her.And bring her back to where she belongs.No one will escape my wrath,Especially not those who have betrayed me.Warning: This is the second and final installment to the Duet. You must read *Haunting Adeline* first.

He wants revenge, but he wants her more. Once Upon A Time, there was a little boy. His belly full of laughter, his life full of joy. Until one day, something changed; stripped his innocence away. The hole inside making space for the devil to come and play. His dreams gone forever, he grew up way too fast. An endless night of crocodiles, and watches made of glass. He grew into a villain, the taste of vengeance on his tongue. Craving to make his enemies pay for the misdeeds they had done. Instead he found a darling girl, and

refused to let her go. For what better way to make the man pay, than to steal his little shadow. \*Hooked is a full-length, complete standalone and the first in The Never After Series: A collection of fractured fairy tales where the villains get the happy ever after. This is a DARK Contemporary romance (not fantasy) featuring mature themes and content that may not be suitable for all audiences. Reader discretion is advised.\*

Aiden From the second I saw her, I knew she'd be my ruin. Sitting all alone at the bar, she looked like an angel. Eurydice in human form; her beauty eclipsed by demons. Now, I'm one of them. The ghost she's tried for years to escape. Thinking I wouldn't be able to find her. But I never stopped trying, and now that I have, her past sins should be the least of her worries. Riley From the moment he saw me, I knew I'd ruin his life. Alone at the bar, I dared the monster to come and play. Orpheus in the flesh, with his sad songs and strange obsessions. I became one of them. The siren who calls to the darkest parts of him. Only, I disappeared before he could act on it. But now he's here, and he

wants me to repent for my sins. \*\*\*

\*Vipers and Virtuosos is a full-length, standalone dark rockstar romance inspired by the myth of Orpheus and Eurydice. It is NOT fantasy, historical, or a retelling. If you are not a dark romance reader, this book may not be suitable for you. Reader discretion is advised.

#### **Savage Lands** Mixtape Series

Almost twenty years after the barrier between Earth and the Otherworld fell in the Fae Wars, Budapest is balancing on the precipice. A battle for dominance is brewing between the elite fae and the privileged humans in Eastern Europe. The prejudice between the sides is bubbling with hate and violence. Nineteen-year-old human, Brexley, has grown up in privilege, but not without heartbreak. After being orphaned, she is taken in by General Markos, living in a walled city rife with power grabs and ruthless political games. Then one night the course of her life changes, and Brexley is thrown into the most feared prison in the east. Halalhaz, the House of Death-where you go in but don't come out. She must learn to live with the worst of fae and human criminals. The rule of hierarchy puts humans on the

bottom, where the only way to survive each day is to make alliances with the fae. Here she meets the sexy, vicious legend, Warwick Farkas. A myth among man and fae. He is as brutal, cruel, arrogant, and as lethal as the lore says he is, ruling the prison with unchallenged authority. Brexley can't deny an intense draw to him, one that might cost her life. If The Games don't take her out first-A fight to the death where only one survives.

FEATURING NEW EXCLUSIVE BONUS CONTENT! Like Buffy or The Vampire Diaries but with tons more spice, a titillating fork-tongued demon, and a ritualistic monster cult, the edgy dark romance that set Tiktok on fire is now here as a special edition with bonus content for fans of Scarlett St. Claire, Penelope Douglas, and Katee Robert. The demon didn't just want my body. He wanted my soul. Leon: My reputation among magicians is unblemished. Killer, they call me; killing is what I'm best at. One wrong move and you're dead. Except her. The one I was supposed to take, the one I should have killed. The cult that once controlled me wants her, but I'm not about to lose my new toy to them. Rae: I've always believed in the supernatural. Hunting for ghosts is my passion, but

summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient—something evil—is waking up . . . and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body—he wants my soul.

She's the sweetest sin he's ever committed... Doctor Kal Anderson assumes his heart worked at some point. But now his cold, emotionless existence gives him an edge as a fixer and in-house physician for the Mafia, while his judgment is impartial and complication-free. Until Elena Ricci, his boss's twenty-year-old daughter. After admiring the heartless doctor from afar most of her life, Elena catches him in a moment of weakness, and the pair shares a night of passion as

they attempt to work each other from their systems. Only, the night seems to have the opposite effect. Elena is no longer a simple temptation to Kal, but a necessity. An obsession. One he won't let anyone stand in his way of--even if that means crashing her wedding to another man, forcing her hand in marriage, and stealing her away to the corrupt island he resides on. Alone with the man of her nightmares, Elena starts to chip away at the layers of ice surrounding his hardened heart. But the warmth and depravity from her new husband may not be worth the secrets unveiled, or the lives that will forever be altered. From USA Today bestselling author Sav R. Miller comes a dark and twisted romance inspired by the Hades and Persephone myth.

She's the most volatile of the Horsemen that rule the Island of Ys. War. With the Horsemen's revenge plot finally picking up speed, the last thing Kenzie needs is the distraction Liam offers. If she had a little more self-control, maybe she could keep her hands off him, but Kenzie and self-control have never been on speaking terms.

Determined to have her cake and eat it too, Kenzie offers Liam a bargain--a seven

day fling and then he leaves the island forever. But the Horsemen's enemies are circling and it's never been more hazardous to be attached to the Island of Ys. All Liam wants to do is protect Kenzie from the demons of her past, but with the clock ticking down and her trust in short supply, they're both in more danger than either of them could have dreamed.

### **Kill Switch**

Thrust into an unknown, unwanted situation, most would feel panic, fear anger and fall into chaos. Erik and Rugrat are not immune to those feelings, but they have stepped into chaos so many times, it is simply a different challenge. Two weeks ago, Erik lost his legs and his arm. Today he got a message. "You have been randomly selected to join the Ten Realms. One may choose to ascend the Ten

Realms, thereupon making a request to the Gods of the Realms. Only those who are Level 10, 20, 30, 40, 50, 60, 70, 80, and 90 may ascend to the next realm. Fortune favors the strong!" For a retired combat medic and Marine Recon sniper, the Ten Realms offer a clear challenge and sense of purpose that they had only found on the battlefield. How much trouble can you get into in a new realm?
