Mod Sun has his own take on the world. In *Did I Ever Wake Up?* the drummer-turned-rapper offers his advice on how to succeed in life, just as he's done. Born and raised in Minnesota, Mod's philosophy is about pulling up your bootstraps and taking control of your existence. No one can do it for you. Like he says in Chapter 6, "There's no such thing as hard." Positive thinking can provide the impetus to do great things. Reading this book is one big step in that direction.

Reading Minds is a practical guide to the cognitive science revolution. With fascinating descriptions of studies of the mind, from the brain scans of lovers and liars in London to the eye movements of babies in Budapest, this book takes the reader into the laboratories of the most innovative psychological researchers around the world. Using anecdotes from everyday life and his clinical practice, renowned psychotherapist and academic the author shows how to use the insights of science to better understand and relate to others.

Waking up early was the most life-changing habit I ever did. In just a few weeks I was waking up 2 hours early every day and feeling more productive and happier than ever. This book will show you how I did it. But first, Does this sound like you? Are you dissatisfied with your life? Are you overwhelmed with obligations to everyone else but you? Do you want more time to yourself? Are you confused about your purpose? Are you worried about the future? Do you feel unhappy at work? Are you seeking peace and quiet? Are you feeling depressed and powerless in your life? Do you feel like life is passing you by? That's how I felt. Trust me, I've tried and failed many times! I was addicted to the snooze button and lost momentum when I slept in on the weekends. I couldn't keep the habit and went on Amazon looking for morning routine books. Sound familiar? I was able to string together days, weeks, and months of waking up early every day. I started feeling more alive, more enthusiastic, and more in control of my life. After a few months I felt like I had woken up to a deeper part of my self. My true self. I call this my awakening. There are lots of books out there about waking up early and habit change. What you get with *Wake Up* is a personal story of how someone just like you put all the advice into practice and saw massive change in his life. It's

real, it's honest, it's inspirational. I WOULD LOVE TO WAKE UP EARLY BUT I CAN'T BECAUSE... Let me stop you there, friend. I know what you're going to say. You don't have time, right? You are already get too little sleep and there is NO WAY you could possibly wake up early. Maybe you have kids or family obligations that make it difficult to carve out time for yourself. All I can say is I hear you loud and clear. But this isn't the only excuse I've heard. Do any of these EXCUSES sound familiar? Not enough time I'm not a morning person Lack of self-discipline I keep hitting snooze I'm too tired in the morning My family makes it difficult I can't keep the habit consistent Fortunately, I help you with all these excuses and more in *Wake Up*. After reading the book, you will have no excuses left! Now's the time to take action my friend! READ WAKE UP AND YOU WILL LEARN HOW TO: BECOME AN EARLY RISER Develop the habit of waking up early every day. Build a perfect morning routine. Imagine what you could do with an extra hour each morning! FIND YOUR PURPOSE We each have a purpose for being on this planet. Learn how to follow your joy and curiosity, then find the courage to show it to the world. BECOME A HABIT MASTER Most of our actions are habitual. Change your habits, change your life! Create the perfect morning routine to do amazing habits every day, consistently! OVERCOME PROCRASTINATION Procrastination is a symptom of a deeper problem. Sometimes we just can't keep a good habit going or we just can't get started. Learn why. GAIN CLARITY AND INNER PEACE Create a sacred morning ritual that embraces quiet solitude and deep thinking. Start your day in touch with your inner self and genuine desires. OVERCOME DEPRESSION Depression is a symptom of a stifled soul that cannot express it's true gifts. Put the power of your life back into your hands and create the life you desire. What would your life be like if you could wake up early every day? Read "Wake Up" and find out. Your true self awaits. *How to Wake Up* Did I Ever Wake Up?A BookMod Sun has his own take on the world. Reading this book is one big step in that direction.Wake UpThe Morning Routine That Will Change Your Life Jesus said, "My sheep hear My voice," but many Christians do not know how to hear from God. In this practical, story-rich guidebook, international teacher Larry Kreider shows believers how to develop a listening relationship with the Lord. *Speak Lord, I'm Listening* explores the multiple ways Christians can hear the voice of God in today's world. It offers real-life examples of how God teaches His followers to listen. Contains tips in each chapter

for distinguishing His voice from the noise of Satan's interference. Christians across the denominational spectrum will develop a closer and deeper relationship with God as they learn fifty unique ways to listen to Him. You will realize that God was speaking to you all along but, like the disciples on the road to Emmaus, you didn't know it was Him!

Gene Wolfe's *Return to the Whorl* is the third volume, after *On Blue's Waters* and *In Green's Jungles*, of his ambitious SF trilogy *The Book of the Short Sun* . . . It is again narrated by Horn, who has embarked on a quest in search of the heroic leader Patara Silk. Horn has traveled from his home on the planet Blue, reached the mysterious planet Green, and visited the great starship, the Whorl and even, somehow, the distant planet Urth. But Horn's identity has become ambiguous, a complex question embedded in the story, whose telling is itself complex, shifting from place to place, present to past. Perhaps Horn and Silk are now one being. *Return to the Whorl* brings Wolfe's major new fiction, *The Book of the Short Sun*, to a strange and seductive climax. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

America was built on nine distinct virtues which shaped the character of our nation and made it great. Grit, manliness, individualism, merit, profit and providence, dominion over our environment, thrift, and above all pride in our country—these qualities define us, and are the reason that hundreds of millions of people worldwide look to America for hope, inspiration, and opportunity. But it's precisely these virtues that now are under attack by the radical Left of Barack Obama, Hillary Clinton, Bernie Sanders, and their followers. America as we know it is eroding before our eyes and becoming what Fox News Channel personality and co-host of "The Five" Eric Bolling calls a "politically correct nanny state." The rewards for individual achievement and hard work, our basic constitutional rights, religious faith, national identity, and capitalism itself, are being replaced by a dangerous socialistic ideology that is the polar opposite of what our Founding Fathers intended America to be. It's time for us to wake up and heed the clear-cut warning signs that America is heading in the wrong direction—before we're too far gone. Eric Bolling knows firsthand what makes America great. Raised in a struggling blue-collar family in Chicago, his parents showed him that hard work and firm values can get you far in life.

Those values drove him as a young baseball player to being drafted by the Pittsburgh Pirates, then success as a New York Mercantile Exchange trader, and now his daily role on Fox News Channel. A celebration of America that is informed by Bolling's personal story, *Wake Up America* is a much-needed call to arms for America's citizens to preserve and protect our country's present and future.

Intimately and without jargon, *How to Wake Up: A Buddhist-Inspired Guide to Navigating Joy and Sorrow* describes the path to peace amid all of life's ups and downs. Using step by step instructions, the author illustrates how to be fully present in the moment without clinging to joy or resisting sorrow. This opens the door to a kind of wellness that goes beyond circumstances. Actively engaging life as it is in this fashion holds the potential for awakening to a peace and well-being that are not dependent on whether a particular experience is joyful or sorrowful. This is a practical book, containing dozens of exercises and practices, all of which are illustrated with easy-to-relate to personal stories from the author's experience.

This book is about the view of the world through different perspectives and an idea of looking at life in such a way to secure a happy future in what is sometimes mistaken as an unhappy world. *Wake Up and Be Awesome* are all things that the words portray in each of our hearts and minds. I hope for everyone to not only follow the teaching, methods and stories I am about to share but also to provide you with the tools to change your lifestyle and help you increase your knowledge in order to make the decision that will profit your peace of mind. My goal is to make this book unique to all others by writing from my heart and leaving a part of myself in each page for the reader to connect with. This book is a personal journey for each individual reader and I hope you enjoy every page as much as I did writing it.

This highly engaging book and its enticing messages rouse us to

commence the serious business of feeding our minds. Claiming to be knowledgeable, not needing to learn more, can only unmask our impudence. Such disclosure reveals a poverty-stricken philosophy and "poor thinking habits", to borrow Earl Shoaff's wise term, characterizing our ignorance and disregard. This dream-thief keeps non-thinking individuals impoverished all throughout their lives. The wisdom in Shoaff's words revolutionized many lives, including mentors such as Jim Rhone and Tony Robbins, and indeed inspired many powerful messages in *Wake -Up & Dream*. This inclusive volume by Nader Rafigh captures many compelling principles of self-development & personal growth to instill in us strong habits of mind to purposefully soar in higher thinking and greater learning. All to uplift and educate us, so we can proudly claim to be awakened, and awakened we better stay to dream!

Sophia Frazier only fights for money. With her life before age twelve a complete blank, the search for her identity and family carries a hefty price tag. She'll even take on a big bruiser like Atticus Chase for a couple of rounds if it means getting closer to figuring out who she is. Atticus falls for Sophia -- literally and figuratively -- the moment she knocks him out, but when he discovers Sophia has no idea she's also a snow leopard, his brothers and the Alphas Council get involved. She's too dangerous to roam the city alone, but Atticus struggles to control his own lion. How can he possibly teach Sophia to control her leopard? With only a week to learn how to shift before the Council has her executed, Sophia fights to find her place in the world and the Chase family. Loving Atticus should be enough, but as they both run out of time, storms gather and Sophia faces the fight of her life.

'Mind-blowing. It kept me guessing from the beginning to the end' Reader review ***** The pitch-black bestselling psychological thriller for fans of *Friend Request* by Laura Marshall and *I Am Watching You* by Teresa Driscoll. Alex Taylor wakes up tied to an operating table. The man who stands over her isn't a doctor. The choice he forces her to make is utterly unspeakable. But when Alex re-awakens, she's unharmed - and no one believes her horrifying story. Ostracised by her colleagues, her family and her partner, she begins to wonder if she really is losing her mind. And then she meets the next victim. So compulsive you can't stop reading. So chilling you won't stop talking about it. *Don't Wake Up* is a dark, gripping psychological thriller with a horrifying premise and a stinging twist . . . Readers are completely gripped by *Don't Wake Up*: 'A gripping read right up to the end . . . fast-paced, well written and exciting' ***** 'Full of twists . . . one of the best books I've read in a while' ***** 'A perfect balance of suspense, drama, crime and mystery. A superbly executed book I could not stop reading!' ***** 'Couldn't put it down' ***** 'An outstanding debut novel' ***** 'One of my favourite reads this year' ***** 'Gripping, fascinating, slightly terrifying, and moved at a quick pace. Overall a great psychological thriller' ***** 'This is a fantastic novel that will hook you right in and leave you suspecting every single character' *****

Making it in Hell, says Bruce Jackson, is the spirit behind the sixty-five work songs gathered in this eloquent dispatch from a brutal era of prison life in the Deep South. Through engagingly documented song arrangements and profiles of their singers, Jackson shows how such pieces as "Hammer Ring," "Ration Blues," "Yellow Gal," and "Jody's Got My Wife and Gone" are like no other folk music forms: they are distinctly African in heritage, diminished in power and meaning outside their prison context, and used exclusively by black convicts. The songs helped workers through the rigors of cane cutting, logging, and cotton picking. Perhaps most important, they helped resolve the men's hopes and longings and allowed them a subtle outlet for grievances they could never voice when face-to-face with their jailers.
