You also have some extra pages at the back for making notes on ideas for your next book. Keep all your book information in one handy place. Journal size 7x10 inches.

[A Novel Based on the Film by Deepa Mehta](#) Macmillan

Red and Green Oil on Water is the story of Bangladesh - the story of her heritage. It is the story of a nation cut from swathes of people, young and old, past and present, future...and not yet imagined. Their lives, like Anjum's - the pseudo-intellectual, soon to be turned terrorist - cut across time. He seeks to liberate Bangladesh in the present, from shackles of the past. Lives like Kadin's, the British-Bangladeshi boy who wants only to belong, who expresses his pain the only way he knows, through longing. Julie, the girl, woman, the object of the male gaze, who has been cursed from birth, who must contend with not feeling the despair ploughed into her by the one with the globe eyes. Josephine, the half-brown, white, English woman, who bears the guilt of her colonial past, who becomes Muslim, who travels to Bangladesh, to only have her past inflicted on her. The varied characters of Red and Green Oil on Water face anger and pain, helplessness and longing, despair and hope. Their lives are snapshots, each photo, strangely connected with the next, mysteriously merging into the mists and out again. The people are the story of Bangladesh, and Bangladesh their mother - her subtle fingers placing each one in just the right place, as everything teeters on a precipice.

*The Royal Rogue* Createspace Independent Publishing Platform

A fearless young woman from a small African village starts a revolution against an American oil company in this sweeping, inspiring novel from the New York Times bestselling author of Behold the Dreamers. ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times, People • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, The Washington Post, Esquire, Good Housekeeping, The Christian Science Monitor, Marie Claire, Ms. magazine, BookPage, Kirkus Reviews "Mbue reaches for the moon and, by the novel's end, has it firmly held in her hand."—NPR We should have known the end was near. So begins Imbolo Mbue's powerful second novel, How Beautiful We Were. Set in the fictional African village of Kosawa, it tells of a people living in fear amid environmental degradation wrought by an American oil company. Pipeline spills have rendered farmlands infertile. Children are dying from drinking toxic water. Promises of cleanup and financial reparations to the villagers are made—and ignored. The country's government, led by a brazen dictator, exists to serve its own interests. Left with few choices, the people of Kosawa decide to fight back. Their struggle will last for decades and come at a steep price. Told from the perspective of a generation of children and the family of a girl named Thula who grows up to become a revolutionary, How Beautiful We Were is a masterful exploration of what happens when the reckless drive for profit, coupled with the ghost of colonialism, comes up against one community's determination to hold on to its ancestral land and a young woman's willingness to sacrifice everything for the sake of her people's freedom.

*30 Anti-Aging Essential Oil Blends to Keep Your Skin Smooth and Youthful* Createspace Independent Publishing Platform

When an abortion doctor switches sides, she is drawn into a series of secret medical experiments that will change the way we think about reproduction, autonomy, and life itself. "Hazzard has

successfully captured the unique psychology of abortion work. As a former abortion clinic worker myself, I couldn't help but be moved by this beautiful story about new beginnings and the true meaning of heroism. I wholeheartedly endorse Cultivating Weeds." ~Abby Johnson, award-winning author of unplanned and founder of And Then There Were None "Cultivating Weeds is gripping. It handles ethically complex issues without being preachy. Its deeply human characters are a refreshing change from the caricatures that so often plague the abortion debate. This book has the potential to start a new, productive conversation on one of the most emotionally charged issues of our generation." ~Josh Brahm, host of Life Report [Growing Up Brooklyn](#) Gulf Professional Publishing Childhood memories become warm and rose colored, "and that's as it should be," so said an old friend of mine who shared more than a few with me. Mine, too, are warm and rose colored; but also vivid. Yes, I really do remember being in a crib. Folks challenge me on that once in a while. But for how much longer, I'm not sure. Once the mental concrete hardens, I'll be left with what I can glean from pictures and second hand accounts. So I wrote this book. And of course, one memory led to another. Eleven years of them, the ones I spent growing up Brooklyn. What follows are the good stories of the people who mattered - still matter - to me. Today more than ever, I look at them with warm, rose colored sight, content that my earliest memories are true and valuable.

**Means to an end** Martin Sisters Publishing

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

*Ethan the Raindrop* One Point Six Technology Pvt Ltd

Poverty. War. Bureaucracy. Divisiveness. Gridlock. Exploitation. Farmland degradation. Water shortages. Oil Spills. Nuclear meltdowns. Unemployment. Job dissatisfaction. Debt. Divorce. Depression. Anxiety. Addiction. Fear. Isolation. Loneliness. The 21st century world we live in is charging full steam ahead, seemingly at the speed of light. Though this breakneck pace has created many amazing marvels of modern technology, it has also created a more complex set of interlocking problems than our species has ever seen before. We all contribute to perpetuating faulty global systems in one way or another, but it takes a lot of humility to be able to admit that. By firstly focusing upon changing and improving one's own ways of living, and beginning with the mantra of "it's all my fault" — rather than immediately pointing fingers and telling everyone else to change — we can break down cultural barriers, inspire action, and make much more rapid progress to reduce the immense suffering that exists in this world. Directly or indirectly, it affects us all. It's time for a new paradigm; a new type of culture that incorporates the interests of all global citizens. It's All My Fault lays out how we got here, how we can move forward in this journey, and delves deep into personal insights and vivid experiences from the author's life. It describes a practical set of innovative ideas that have the potential to ultimately lead to the day in which many of our greatest challenges — such as poverty, homelessness, and underemployment — become a thing of the past. Awaken one...awaken them all. Insomniac Piper Laurel focuses on the simple things, the feel-good things. She likes her coffee black, her wine cheap, and her men gone by morning. But when her last living relative dies, she must confront the feel-bad things. She's the last Laurel, she's almost thirty, and she's completely alone. When she returns to her sleepy seaside hometown, her ex is still as yummy as ever, and a familiar-seeming stranger is also there to tug at her heartstrings. But a love triangle isn't the only thing waiting for her. The immortal Anik has spent centuries plotting to claim the last Laurel--and a lot of innocent souls in the bargain. To survive Anik and the Realm Wars, Piper must forget her version of reality and awaken to her destiny as a Seekin, Guardian of Souls. With two men vying for her heart and hellhounds on her heels, Piper must decide who she trusts and who she loves while embracing her destiny with her eyes wide open.

**A Novel** Createspace Independent Publishing Platform

Three young children, Mal, Ari and Martha, have been "touched" and are in possession of enormous talents, bestowed on them by a chance encounter with the Young Master. Now Ari, Mal and Martha find themselves in the wrong place and time because Ari has done the unthinkable, resulting in a perpetual red dawn. But that is the least of their worries! Ari is on the run, while Mal and Martha attempt to keep their enemy at bay. The Strange Man is back and he's got even more sinister tricks up his sleeve ...

**A Novel** Createspace Independent Pub

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

[How Beautiful We Were](#) W. W. Norton & Company

How much do we know ourselves is critically very important and perhaps very essential. Life we do face many curves up and down while in course of life. Marriage, becoming parent, life traumas and

recoveries, retiring from jobs, empty nest, loss of relations, death of beloved. So yes various experiences... We get tired sometimes and immediately ask a question "why me?," but do remember the universe is not short of any wakeup calls we are just very quick in reactions. The four elements of life Air, Water, Earth, Fire are the only truth which than render the whole meaning of being as a human. Are we authentic? Are we living in courage? Are we kind and in patience? Are we grateful? How we face life and respond to life is all that matters. Elements of Life explores the options and choices which will help you to live more in tune with what you want from life.

Motivational chapters simple questions based on elements of life - air, fire, water and earth providing simple strategies of life help you to live in harmony with yourself, others and the world, enhancing you to be true to your values and to interact with others while being In more patience. To do otherwise is to foster discontentment and unhappiness, but everyone wants to be in peace and lead a happy life in the end of the day. Living in moderation balancing all the elements of being authentic, being in peace, being grateful, being a little more compassionate can improve the very purpose of being in this awesome life.

**Rowan of the Wood** Skyhorse Publishing, Inc.

Written by an enthusiastic 5-year-old girl who loves essential oils. When she couldn't find any literature about them at her local library, she decided to create her own book. This story shows just how much fun these oils can be for kids -- with the help of grown-ups!

**Triumvirate** Random House

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

[I Love Oil! : I Love Oil!](#) Createspace Independent Publishing Platform

"A fast-paced, gripping story set in a world of gruesome violence and perversity, where 'why?' is not a question and murder happens on a whim: but where a very faint ray of grace and hope lights up the landscape of salt and blood and ice. A tour de force of narrative tension and a masterful reconstruction of a lost world that seems to exist at the limits of the human imagination." --Hilary Mantel "This is a novel that takes us to the limits of flesh and blood. Utterly convincing and compelling, remorselessly vivid, and insidiously witty, The North Water is a startling achievement." --Martin Amis A nineteenth-century whaling ship sets sail for the Arctic with a killer aboard in this dark, sharp, and highly original tale that grips like a thriller. Behold the man: stinking, drunk, and brutal. Henry Drax is a harpooner on the Volunteer, a Yorkshire whaler bound for the rich hunting waters of the arctic circle. Also aboard for the first time is Patrick Sumner, an ex-army surgeon with a shattered reputation, no money, and no better option than to sail as the ship's medic on this violent, filthy, and ill-fated voyage. In India, during the Siege of Delhi, Sumner thought he had experienced the depths to which man can stoop. He had hoped to find temporary respite on the Volunteer, but rest proves impossible with Drax on board. The discovery of something evil in the hold rouses Sumner to action. And as the confrontation between the two men plays out amid the freezing darkness of an arctic winter, the fateful question arises: who will survive until spring? With savage, unstoppable momentum and the blackest wit, Ian McGuire's The North Water weaves a superlative story of humanity under the most extreme conditions.
