*Ambergris: City of Saints and Madmen; Shriek: An Afterword; Finch*  
 Cambridge Scholars Publishing  
 Post-life citizens Breath challenged Vertically disadvantaged (buried, not short) Johnny Maxwell's new friends not appreciate the term "ghosts," but they are, well, dead. The town council wants to sell the cemetery, and its inhabitants aren't about to take that lying down! Johnny is the only one who can see them, and and the previously alive need his help to save their home and their history. Johnny didn't mean to become the voice for the lifeless, but if he doesn't speak up, who will? In Johnny Maxwell's second adventure, Carnegie Medalist Terry Pratchett explores the bonds between the living and the dead and proves that it's never too late to have the time of your life -- even if it is your afterlife!

**1634: The Baltic War**  
 Nick Hern Books  
 \*The final collection of short stories from the incredible Sir Terry Pratchett!\* Imagination is an amazing thing. It can

take you to the top of the highest mountain, or down to the bottom of the deepest depths of the sea. This where it took Doggins on his Awfully Big Adventure: a quest full of magic and flying machines. (And the world's best joke - trust me, it's hilarious.) It took three young inventors to the moon (where they may or may not have left a bottle of lemonade) and a caveman on a trip to the dentist. You can join them on these adventures, and many more, in this incredible collection of stories . . . From the greatest imagination there ever was. Written for local newspapers when Terry Pratchett was a young lad, these never previously published stories are packed full of anarchic humour and wonderful wit. A must-have for Terry fans . . . and young readers looking for a fix of magic.

 A National Book Award Finalist An Edgar Award Finalist A California Book Award Gold Medal Winner  
 A dark, contemporary fairy tale in the tradition of Neil Gaiman. Jeremy Johnson Johnson hears voices. Or, specifically, one voice: the ghost of Jacob Grimm, one half of

The Brothers Grimm. Jacob watches over Jeremy, protecting him from an unknown dark evil whispered about in the space between this world and the next. But Jacob can't protect Jeremy from everything. When coltish, copper-haired Ginger Boultinghouse takes a bite of a cake so delicious it's rumored to be bewitched, she falls in love with the first person she sees: Jeremy. In any other place, this would be a turn for the better for Jeremy, but not in Never Better, where the Finder of Occasions—whose identity and evil intentions nobody knows—is watching and waiting, waiting and watching. . . And as anyone familiar with the Brothers Grimm know, not all fairy tales have happy endings. Veteran writer Tom McNeal has crafted a young adult novel at once grim(m) and hopeful, full of twists, and perfect for fans of contemporary fairy tales like Neil Gaiman's *The Graveyard Book* and Holly Black's *Doll Bones*. The recipient of five starred reviews, Publishers Weekly called *Far Far Away* "inventive and deeply poignant." Harper Collins  
 Fifteen-year-old Billie has lived with her dad in their

little flat for as long as she can remember, but all that's about to change. She's got big plans - get Dad a job, sort out her grades, and live in a house with five bathrooms. But one reckless night threatens to undo all her hard work and derail her ambitions... When it's always been just the two of you, how easy is it to get out, or to let anyone else in? You's Two is Georgia Christou's debut play. It was shortlisted for the Verity Bargate Award.

"The Thomas Covenant saga . . . will certainly find a place on the small list of true classics in its specialized field."—The Washington Post Book World After scant days in his "real" world, Thomas Covenant finds himself again summoned to the Land. There, forty bitter years have passed, while Lord Foul, immortal enemy of the Land, moves to fulfill his prophecy of doom. The Council of Lords find their spells useless, now that Foul the Despiser holds the Illearth Stone, ancient source of evil power. At last High Lord Elena turns

in desperation to Covenant and the legendary white gold magic of his ring. . . .

**The Witch's Vacuum Cleaner and Other Stories** Random House

'Some people would be asking: whose side are you on? If you're not for us, you're against us. Huh. If you're not an apple, you're a banana' Koom Valley, the ancient battle where the trolls ambushed the dwarfs, or the dwarfs ambushed the trolls, was a long time ago. But if he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. With his beloved Watch crumbling around him and war-drums sounding, he must unravel every clue, outwit every assassin and brave any darkness to find the solution. And darkness is following him. Oh . . . and at six o'clock every day, without fail, with no excuses, he must go home to read 'Where's My Cow?', with all the right farmyard noises, to his little boy. There are some things you have to do.

**Far Far Away** Maskerade Pagans tackle the Knights of St John with terrible consequences in the new

medieval thriller by Queen of the Dark Ages, Karen Maitland. Set on the wilds of Dartmoor, this is a ghostly tale for fans of The Essex Serpent, C. J. Sansom's Shardlake series and The Burning Chambers by Kate Mosse. 'A dark read... fear and hysteria are portrayed with claustrophobic skill' The Times on THE PLAGUE CHARMER 1316. On the wilds of Dartmoor stands the isolated Priory of St Mary, home to the Sisters of the Knights of St John. People journey from afar in search of healing at the holy well that lies beneath its chapel. But the locals believe Dartmoor was theirs long before Christianity came to the land. And not all who visit seek miracles. When three strangers reach the moor, fear begins to stir as the well's waters run with blood. What witchcraft have the young woman, the Knight of St John and the blind child brought with them? The Sisters will need to fight for everything they hold dear as the ghosts of the Old World gather in their midst.

Magic Kingdom For Sale/Sold Harper Collins

'There is a curse. They say: may you live in interesting times . . .' This is the worst thing you can

wish on a citizen of Discworld. Especially for the magically challenged Rincewind, who has already had far too much excitement in his life. Unfortunately, the unlucky wizard always seems to end up in the middle of, well, absolutely everything. So when a request for a 'Great Wizzard' arrives from the faraway Counterweight Continent, it's obviously Rincewind who's sent. For one thing, he's the only one who spells wizard that way. Once again Rincewind is thrown headfirst into a dangerous adventure. For the oldest empire on the Disc is in turmoil and Chaos is building. And, for some reason, someone believes Rincewind will have a vital role in the coming war . . .

'Pratchett is a comic genius' Daily Express  
 'Funny, delightfully inventive, and refuses to lie down in its genre' Observer  
 Interesting Times is the fifth book in the Wizards series, but you can read the Discworld novels in any order.

\*\*\*50 MILLION TERRY BROOKS COPIES SOLD AROUND THE WORLD\*\*\*

'Terry's place is at the head of the fantasy world'

Philip Pullman Landover was a genuine magic kingdom, complete with fairy folk and wizardry, just as the advertisement had promised. But after he purchased it for a million dollars, Ben Holiday discovered that there were a few details the ad had failed to mention... Such as the fact that the kingdom is falling into ruin. The barons refuse to recognize a king and taxes haven't been collected for years. The dragon, Strabo, is laying waste to the countryside, while the evil witch, Nightshade, is plotting to destroy no less than everything. And if that weren't enough for a prospective king to deal with, Ben soon learns that the Iron Mark, terrible lord of the demons, has challenged all pretenders to the throne of Landover to a duel to the death - a duel no mere mortal can hope to win. But Ben Holiday has one human trait that even magic can't overcome. Ben Holiday is stubborn. Praise for Terry Brooks: 'A master of the craft . . . required reading' Brent Weeks 'I can't even begin to count how many of Terry Brooks's books I've read (and re-read) over the years' Patrick Rothfuss, author of The

Name of the Wind 'I would not be writing epic fantasy today if not for Shannara' Peter V. Brett, author of The Painted Man 'If you haven't read Terry Brooks, you haven't read fantasy' Christopher Paolini, author of Eragon *Tiffany Aching Complete Collection Gateway* Fight for Freedom in a Dark and Bloody Age! After a cosmic accident sets the modern West Virginia town of Grantsville down in war-torn seventeenth century Europe, the United States of Europe is forged in the fire of battle. The Baltic War reaches a climax as France, Spain, England, and Denmark besiege the U.S.E. in the Prussian stronghold of Lubeck. The invention of ironclads, the introduction of special force tactics during a spectacular rescue operation at the Tower of London \_ the up-timers plan to use every trick in the time traveler's book to avoid a defeat that will send Europe back to a new Dark Age! Multiple New York Times best-seller and creator of the legendary "Honorverse" series David Weber teams with New York Times best-selling alternate history master Eric Flint to tell the tale of the little town that remade a continent and

rang in freedom for a battle-ravaged land in the latest blockbuster addition to Flint's "Grantsville" saga! At the publisher's request, this title is sold without DRM (Digital Rights Management). "This is a thoughtful and exciting look at just how powerful are the ideals we sometimes take for granted, and is highly recommended[.]" <sup>3</sup>/<sub>4</sub> Publishers Weekly on Flint and Weber's 1633. "[R]eads like a Tom Clancy techno-thriller set in the age of the Medicis" <sup>3</sup>/<sub>4</sub> Publishers Weekly on New York Times best-seller, 1634: The Galileo Affair. *Equal Rites* Harper Collins Although they may feature witches and wizards, vampires and dwarves, along with the occasional odd human, Terry Pratchett's bestselling Discworld novels are grounded firmly in the modern world. Taking humorous aim at all our foibles, each novel reveals our true character and nature. It's a dreamy midsummer's night in the Kingdom of Lancre. But music and romance aren't the only things filling the air. Magic and mischief are afoot, threatening to spoil the royal wedding of King

Verence and his favorite witch, Magrat Garlick. Invaded by some Fairie Trash, soon it won't be only champagne that's flowing through the streets ...

The Witches Trilogy Del Rey

'They say that the way to a man's heart is through his stomach which just goes to show they're as confused about anatomy as they gen'rally are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world and it is foresighted and useful for a young woman to become proficient in those arts which will keep a weak-willed man from straying. Learning to cook is also useful.' Nanny Ogg, one of Discworld's most famous witches, is passing on some of her huge collection of tasty and above all interesting recipes, since everyone else is doing it. But in addition to the delights of the Strawberry Wobbler and Nobby's Mum's Distressed Pudding, Mrs Ogg imparts her thoughts on life, death, etiquette ('If you go to other people's funerals they'll be sure to come to

yours'), courtship, children and weddings, all in a refined style that should not offend the most delicate of sensibilities. Well, not much. Most of the recipes have been tried out on people who are still alive. Nanny Ogg Gratefully Acknowledges the Assistance in this Literary Argosy of: Mr Terry Pratchett, Mr Stephen Briggs, Mlle Tina Hannan and Master Paul Kidby. The Hob's Bargain Random House A collection of essays and other non fiction from Terry Pratchett, spanning the whole of his writing career from his early years to the present day. Terry Pratchett has earned a place in the hearts of readers the world over with his bestselling Discworld series -- but in recent years he has become equally well-known and respected as an outspoken campaigner for causes including Alzheimer's research and animal rights. A Slip of the Keyboard brings together for the first time the finest examples of Pratchett's non fiction writing, both serious and surreal: from musings on mushrooms to what it means to be a writer (and why banana daiquiris are so

important); from memories of Granny Pratchett to speculation about Gandalf's love life, and passionate defences of the causes dear to him. With all the humour and humanity that have made his novels so enduringly popular, this collection brings Pratchett out from behind the scenes of the Discworld to speak for himself -- man and boy, bibliophile and computer geek, champion of hats, orangutans and Dignity in Dying. Snuff was the bestselling adult hardcover novel of 2011. A Blink of the Screen, Terry's short fiction collection, was also one of the bestselling hardcovers of 2012.

### **Raven's Shadow**

National Geographic Books

First book of the original and best CITY WATCH series, now reinterpreted in BBC's The Watch 'This is one of Pratchett's best books. Hilarious and highly recommended' The Times The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . .

\_\_\_\_\_ 'It was the usual Ankh-Morpork mob in times of crisis; half

of them were here to complain, a quarter of them were here to watch the other half, and the remainder were here to rob, importune or sell hotdogs to the rest.' Insurrection is in the air in the city of Ankh-Morpork. The Haves and Have-Nots are about to fall out all over again. Captain Sam Vimes of the city's ramshackle Night Watch is used to this. It's enough to drive a man to drink. Well, to drink more. But this time, something is different - the Have-Nots have found the key to a dormant, lethal weapon that even they don't fully understand, and they're about to unleash a campaign of terror on the city. Time for Captain Vimes to sober up. *Interesting Times* National Geographic Books NEW YORK TIMES BESTSELLER • "A richly detailed story on a par with the rest of the Pern canon . . . another successful McCaffrey mother-and-son collaboration."—Booklist At Natalon's mining camp, Pellar embarks on a secret mission to discover whether the condemned criminals known as the Shunned are stealing coal. But the gifted tracker discovers that a far more treacherous plot is

unfolding. A heartless thief named Tenim has realized there is profit to be made from firestone, the volatile mineral that enables the dragons of Pern to burn the lethal Thread out of the sky. When the last remaining firestone mine explodes, a desperate race begins to find a new deposit of the deadly but essential mineral. Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage. Now Pellar and his new friends—the kind and gentle Halla, a child of the Shunned, and Cristov, the son of a corrupt miner—must stop Tenim. If they fail, it will mean the end for Pern and its dragonriders. "Grittier than the early parts of the series; Todd's apparently brought a wider, more current worldview to Pern."—The San Diego Union-Tribune "These fabled dragons still cast a spell."—Publishers Weekly Guards! Guards! National Geographic Books A collection of three of the author's Discworld novels - Equal Rites, Wyrd Sisters and Witches Abroad - that feature the characters Granny Weatherwax, Nanny Ogg and Magrit Garlick.

**Johnny and the Dead**  
HarperCollins

"The Rincewind Trilogy" is a bumper volume containing the complete text of two novels and one novella, all starring one of the Discworld's most popular characters: the Wizard Rincewind and his irrepressible - and quite intractable - Luggage. *High Druid of Shannara: Straken* Random House The Ghost in the bone-white mask who haunts the Ankh-Morpork Opera House was always considered a benign presence—some would even say lucky—until he started killing people. The sudden rash of bizarre backstage deaths now threatens to mar the operatic debut of country girl Perdita X. (nee Agnes)

Nitt, she of the ample body and ampler voice. Perdita's expected to hide in the chorus and sing arias out loud while a more pettily presentable soprano mouths the notes. But at least it's an escape from scheming Nanny Ogg and old Granny Weatherwax back home, who want her to join their witchy ranks. Once Granny sets her mind on something, however, it's difficult—and often hazardous—to dissuade her. And no opera-prowling phantom fiend is going to keep a pair of determined hags down on the farm after they've seen Ankh-Morpork.

**Maskerade** National Geographic Books

A HEART-RENDING TALE OF TWO GIRLS GROWING UP IN WAR-TORN BAGHDAD Baghdad, 1991. The Gulf War is raging. Two girls, hiding in an air raid shelter, tell stories to keep the fear and the darkness at bay, and a deep friendship is born. But as the bombs continue to fall and friends begin to flee the country, the girls must face the fact that their lives will never be the same again. This poignant debut novel reveals just what it's like to grow up in a city that is slowly disappearing in front of your eyes, and how in the toughest times, children can build up the greatest resilience.
