In 2012, God told Christine Snowdon to start using her soul name, "Estrellar," for her spiritual work. This was re-affirmed by her spiritual guides in a Life Between Lives session with Paul Williamson, a qualified regressionist and author. The aim of her book and website, both created in 2007 and titled Touched by Angels, has been to raise awareness of angels, archangels, ascended masters and elemental beings by sharing her techniques for communicating with them. Over the last six years, Estrellar's business has evolved; she serves as a voice for various deities and energies in courses designed to help others raise personal energy vibration as a way of becoming one with the planet's ascension process. "A simple prayer to

In this book, *Hope, Help, Healing with Archangel Raphael and The Angels*, many comments and much information is given which is extremely important at this time in terms of very much needed hope both in the present and for the future. Planet Earth and the individuals living on it need to know about Angels, Archangels, Spirit Guides, and Ascended Masters in order to avail themselves of all the helpful, hopeful, healing, protecting and guiding ways they have given in the past and about how all these offerings can be utilized now. The *Emerald Joy Healing Ceremonials*, the attunements and the messages are valuable because they come directly from Archangel Raphael himself, his contributions benefiting us all. The authors intensive and extensive research about past Golden Ages and the predicted Golden Age to come culminates in a last chapter which shows the cosmic role Planet Earth has played in the past and needs to play again. This book has come forth at this time to offer words of hope, help, and healing to a

This is a long awaited book. It always seemed that it was Kevin's task to write it. He was the mouth piece for the Archangel Metatron and the Ascended Master Djwhal Khul. Kevin left the incarnation in June 2009 without starting. The words you are now holding in your hand are a gift from Spirit; from Kevin, Metatron and Djwhal Khul. In this book there are not just words but through it flows healing and inspiration. It includes channellings, meditations, mini processes and an Archangelic Horoscopes. Some of the ideas may be new and challenging. It is my prayer that it informs, inspires and above all revolutionise the way Healing, Health and The Angelic Kingdom are viewed. Christine Core Angelic Reiki is the pure joy of working hand in hand with the Angelic Kingdom of light. Angels have guided you to this place. A powerful guide to open your life to the wisdom and healing of the Angels and their love for us • Contains instructions from the 12 Archangels on how to transform our deepest fears and hurts from the past • Includes Angelic guided visualizations on working with Angels to access the healing power of the chakras and to manifest with the creative imagination • Contains 48 specific messages from the Angels, designed for quick access to practical guidance when needed in daily life Angels are loving forces in our lives. Each of us has the ability to communicate with them if we open our minds to their teachings. Belinda Womack was a believer in Angels until the age of 12, when she decided she wanted to become a scientist. Years later, working in a biology lab, she found herself in the presence of the Archangel Gabriel and realized her calling as a spiritual conduit for Angelic healing and support. In this book she shares lessons, practices, and daily guidance from the 12 Archangels to

help us listen to and heal our wounded inner child, release our fears, and enact deep subconscious transformation. Each word, transmitted directly from the 12 Archangels, carries their love, so that when read, the love is absorbed into the reader's mind and supports the release of our deepest wounds and fears. The tools and exercises shift your vibration so results are both felt and experienced immediately. Each message awakens your innate spiritual power to rebuild destroyed self-esteem, lifting you higher in vibration and allowing life to be filled with the power of your own divinity. The book includes Angelic guided visualizations on working with Angels to access the healing power of the chakras and to manifest with the creative imagination, as well as specific messages from the 12 Archangels designed for quick access to practical guidance when Angelic support is needed in daily life. As Belinda Womack shows, by opening ourselves to the support of the 12 Archangels, we can move out of the past and into Heaven's abundance, heal our inner wounds, and shift our vibration to one of unconditional love for self, others, Mother Earth, and the Universe.
