What Lord of the Flies is really about | Letter from Judy ... William Golding's 1954 novel Lord of the Flies tells the story of a group of young boys who find themselves alone on a deserted island. They develop rules and a system of organization, but without any adults to serve as a 'civilizing' impulse, the children eventually become violent and brutal. 'Lord of the Flies' Summary Book Review: Lord of the Flies In 1954, William Golding wrote Lord of the Flies, when the world was in the middle of the silent yet terrifying Cold War soon after the World War II. It is not only a tale of boys surviving after their plane

crashed on a deserted island; it is an allegorical novel about the conflicts between savagery and civilization.
