PETERSON ELENA

A Novel of Power, Madness, and Royalty Little, Brown Books for Young Readers

In the spring of 1995, Nate Cartwright has lost everything: his parents are dead, his older brother wants nothing to do with him, and he's been fired from his job as a journalist in Washington DC. With nothing left to lose, he returns to his family's summer cabin outside the small mountain town of Roseland, Oregon to try and find some sense of direction. The cabin should be empty. It's not. Inside is a man named Alex. And with him is an extraordinary little girl who calls herself Artemis Darth Vader. Artemis, who isn't exactly as she appears. Soon it becomes clear that Nate must make a choice: let himself drown in the memories of his past, or fight for a future he never thought possible. Because the girl is special. And forces are descending upon them who want nothing more than to control her.

Iran Awakening Simon and Schuster

More than sixty years ago, the Supreme Court ruled in *Brown v. Board of Education* that America's schools could no longer be segregated by race. Critically acclaimed novelist Jim Grimsley was eleven years old in 1966 when federally mandated integration of schools went into effect in the state and the school in his small eastern North Carolina town was first integrated. Until then, blacks and whites didn't sit next to one another in a public space or eat in the same restaurants, and they certainly didn't go to school together. Going to one of the private schools that almost immediately sprang up was not an option for Jim: his family was too poor to pay tuition, and while they shared the community's dismay over the mixing of the races, they had no choice but to be on the front lines of his school's desegregation. What he did not realize until he began to meet these new students was just how deeply ingrained his own prejudices were and how those prejudices had developed in him despite the fact that prior to starting sixth grade, he had actually never known any black people. Now, more than forty years later, Grimsley looks back at that school and those times--remembering his own first real

encounters with black children and their culture. The result is a narrative both true and deeply moving. Jim takes readers into those classrooms and onto the playing fields as, ever so tentatively, alliances were forged and friendships established. And looking back from today's perspective, he examines how far we have really come.

Rejecting the Colonial Politics of Recognition Vintage

Written to commemorate the one hundredth anniversary of the first predominantly anti-capitalist revolution in the world, Mexico's Revolution Then and Now is the perfect introductory text and one that will also sharpen the understanding of seasoned observers. Cockcroft provides readers with the historical context within which the revolution occurred; explains how the revolutionary process has played out over the past ten decades; tells us how the ideals of the revolution live on in the minds of Mexico's peasants and workers; and critically examines the contours of modern Mexican society, including its ethnic and gender dimensions. Well-deserved attention is paid to the tensions between the rulers and the ruled inside the country and the connected tensions between the Mexican nation and the neighboring giant to the north. Mexico's Revolution Then and Now also explores the possibility of Mexico's revolutionary history finally bearing the fruit long hoped for by the country's disenfranchised—a prospect kept alive by the unyielding struggle of the last one hundred years. This is the definitive introduction to one of the most important events of the twentieth century.

The Country Under My Skin Schocken

Manuel is a man of many talents; an art historian and professor, he is also an exquisite storyteller. When he meets 16-year-old Lucía on an outing from her boarding school, he offers to narrate a story of dire consequences—that of the Spanish Queen Juana of Castile and her legendary love for her husband, Philippe the Handsome. Promised to Prince Philippe the Handsome to solidify ties between the Flemish and Spanish crowns, Queen Juana immediately fell in love with her betrothed with all the abandon and passion of her fiery personality. Theirs was one of the most tumultuous love stories of all time. But Juana, who was also one of the most learned princesses of the Renaissance, was forced to pay a high price for being headstrong and daring to be herself.

Those at court who could not fathom Juana as heir to the throne of the most important empire of its day conspired against her and began to question her sanity. Eventually she came to be known as Juana the Mad. But was she really insane, or just a victim of her impetuosity and unbridled passion? As the novel unfolds, Lucía and Manuel become enmeshed in a complex psychological web that seduces and incites them to relive Juana and Philippe's story, and eventually leads them to a mysterious manuscript that may hold the key to Juana's alleged madness.

A Memoir U of Minnesota Press

Tras casarse muy joven y ser madre, Gioconda Belli se unió al clandestino y emergente movimiento Sandinista, sustituyendo su deseo de ser una buena esposa por la necesidad de vivir una vida plena y comprometida con los cambios sociales en su país. Irónicamente, su pertenencia a la burguesía y su carrera como poeta renombrada, le brindaron la fachada que le permitió funcionar, secretamente, como rebelde. Desde su infancia en Managua y sus encuentros iniciales con poetas y revolucionarios, a persecuciones urbanas, reuniones con Fidel Castro, relaciones amorosas truncadas por la muerte o el exilio en México y Costa Rica, hasta su inesperado matrimonio con un periodista norteamericano, la historia de Gioconda Belli es tanto la de una mujer que se descubre a sí misma, como la de una nación que forja su destino.

Harper Collins

In a novel based on the Bible and ancient traditions, Adam and Eve discover the world around them, react to their punishment, and learn to adjust to the outside world, where it is necessary to kill to survive.

The Skin We're In Amber Quill PressLlc

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid,

richly textured, and powerful novel written by one of the most gifted writers of our time.

Unlearning the Racist Lessons of a Southern Childhood Farrar, Straus and Giroux

'Gripping suspense at its best' Karin Slaughter 'If you haven't yet discovered Lisa Unger, what are you waiting for?' Harlan Coben Redeem McClelland & Stewart

From award-winning and best-selling gay-fiction author M.L. Rhodes... Now merged together in one paperback volume, readers can enjoy the first two parts in the sizzling Under My Skin series! In Under My Skin... Sebastian Keller's been called "the smart guy" most of his life. Though he hasn't always appreciated the label, and it hasn't exactly made him a man magnet, he's put his intelligence to work building his store, Great Escapes Travel Book Shop, to the point it's now the favorite recommendation of travel agents in the St. Louis area. His customers love him for his extensive knowledge and his amiable personality. He doesn't feel very amiable, however, when Rad Tattoos moves in next door to Great Escapes. Its owner, Dylan Radmacher, rubs Sebastian the wrong way from the get-go. The man's insufferable, stubborn, and worse, a bad boy. Everything Sebastian loathes! And yet, much to his annoyance, the teasing sparkle in Dylan's eyes, his hot, inked body, and come-hither voice set Sebastian's libido on fire. Sebastian's been there, done that with the bad-boy type before, though, and almost lost everything because of it. There's no way he's going down that road again. Yet when Dylan sets his sights on Sebastian and is determined to take him for a walk on the wild side, Sebastian knows he's in big trouble. It's going to take all his smarts and a whole lot of willpower to resist the sexy tattoo artist before the man finds a way to burrow deeper under his skin... And the story continues in Under My Skin II... For two months things between Sebastian and Dylan have been sinfully spectacular, and Sebastian hates to rock the boat. But the truth is, in spite of his own commitment issues, he's fallen in love with the sexy tattooist. Dylan, on the other hand, seems determined to avoid the "L" word at all costs. As their relationship shifts toward the serious side, can the guys overcome their fears and take the steps that will bring them the kind of love that lasts a lifetime? Or will their old baggage come back to haunt them and tear them apart for good?

Getting Real about Race. Getting Free from the Fears and

Frustrations that Divide Us. Anchor Books

WINNER OF: Frantz Fanon Outstanding Book from the Caribbean Philosophical Association Canadian Political Science Association's C.B. MacPherson Prize Studies in Political Economy Book Prize Over the past forty years, recognition has become the dominant mode of negotiation and decolonization between the nation-state and Indigenous nations in North America. The term "recognition" shapes debates over Indigenous cultural distinctiveness, Indigenous rights to land and self-government, and Indigenous peoples' right to benefit from the development of their lands and resources. In a work of critically engaged political theory, Glen Sean Coulthard challenges recognition as a method of organizing difference and identity in liberal politics, questioning the assumption that contemporary difference and past histories of destructive colonialism between the state and Indigenous peoples can be reconciled through a process of acknowledgment. Beyond this, Coulthard examines an alternative politics—one that seeks to revalue, reconstruct, and redeploy Indigenous cultural practices based on self-recognition rather than on seeking appreciation from the very agents of colonialism. Coulthard demonstrates how a "place-based" modification of Karl Marx's theory of "primitive accumulation" throws light on Indigenous-state relations in settler-colonial contexts and how Frantz Fanon's critique of colonial recognition shows that this relationship reproduces itself over time. This framework strengthens his exploration of the ways that the politics of recognition has come to serve the interests of settler-colonial power. In addressing the core tenets of Indigenous resistance movements, like Red Power and Idle No More, Coulthard offers fresh insights into the politics of active decolonization.

A Memoir Text Publishing

Successful financial analyst Michael Walsh leads a picture-perfect life that anyone would envy--unless they caught a glimpse beneath the surface. Haunted by failed relationships and self-doubt, Michael harbors a soul-deep loneliness that no number of casual hookups can fulfill. So why can't he stop thinking about his New Year's fling with a man whose quiet desperation matched his own? Barista Stewart Jenkins has an abysmal track record with relationships, and no matter how hard he tries to keep things tightly under wraps, his life is spinning out of control. His hookup with the gorgeous Michael was only supposed to be sex--hot,

dirty, uncomplicated--but that small taste leaves him yearning for more. Every no-strings encounter that follows between Michael and Stewart peels away more layers, blurring the lines, until they're left with a raw tenderness and acceptance they both crave. A relationship seems out of the question--they come from drastically different lives and are plagued by inexcusable sins. Being vulnerable is sure to reveal old wounds, and forgiveness seems out of reach, unless they can find a way around their fears on the road to redemption.

Under My Skin Anna E Dooland

A powerful memoir by the acclaimed Nicaraguan writer describes her privileged youth, her growing awareness of Nicaragua's social inequities, her involvement with the Sandinistas, her current life with an American husband and children, and her continuing devotion to her country and its people. Reprint. 20,000 first printing.

Memorias De Amor Y Guerra/ Memories of Love and War

Algonquin Books

I made money I'd never imagined and I wore velvet dresses and shone in lamplight. I walked tall in crowds, knowing myself to be desired. I told people I was a prostitute, and smiled as I said it, and dared them to turn their gaze...The smile that I give when I talk about it now is, I can feel, nostalgic, provocative. A brightness comes into my eyes. And, I'm told, a hard look too. In My Skin describes an extraordinary journey through an often hidden world of heroin and prostitution. Kate's story is one of survival and resourcefulness, and an unflinching look at the consequences of addiction. More than just a fearless and compelling narrative, In My Skin is the triumphant announcement of a new talent in Australian writing.

From Prison to Peace Prize: One Woman's Struggle at the Crossroads of History Red Wheel/Weiser

In this gripping #1 New York Times bestseller from Queen of Suspense Mary Higgins Clark, a Manhattan ER doctor is brazenly murdered in front of his young son in a city playground. Five years later, his killer is still at large. When Laurie Moran's husband was brutally murdered, only three-year-old Timmy saw the face of his father's killer. Five years later his piercing blue

eyes still haunt Timmy's dreams. Laurie is haunted by more—the killer's threat to her son as he fled the scene: "Tell your mother she's next, then it's your turn..." Now Laurie is dealing with murder again, this time as the producer of a true-crime, cold-case television show. The series will launch with the twenty-year-old unsolved murder of Betsy Powell. Betsy, a socialite, was found suffocated in her bed after a gala celebrating the graduation of her daughter and three friends. The sensational murder was news nationwide. Reopening the case in its lavish setting and with the cooperation of the surviving guests that night, Laurie is sure to have a hit on her hands. But when the estranged friends begin filming, it becomes clear each is hiding secrets...small and large. And a pair of blue eyes is watching events unfold, too...

A Year of Black Resistance and Power NYU Press

Bristling with intelligence and shimmering with romance, this novel tests the boundary between history and myth. Patrick Lewis arrives in Toronto in the 1920s and earns his living searching for a vanished millionaire and tunneling beneath Lake Ontario. In the course of his adventures, Patrick's life intersects with those of characters who reappear in Ondaatje's Booker Prize-winning *The English Patient*. 256 pp.

Lioness Simon and Schuster

Fourteen unforgettable short stories provoke, illuminate, and startle as they explore our perception of nature and the conflict between wildness and civilization within each of us. As we are recognizing the consequences of the destruction of forests and wetlands, the pillaging of the seas, and the toxicity of industry, we are experiencing profound uncertainty about our relationship with the earth. These stellar short stories by writers such as Barry Lopez, Rick Bass, Margaret Atwood, E. L. Doctorow, Chris Offutt, and others plumb the mystery--as only fiction can--of nature

within us and the world of nature that surrounds us. We are nature, in spite of our machines, our plastics, and our artificial ingredients. Yet what do we make of our own nature? Our own wildness? And how do we explain the paradox of our urge to both exploit and protect wilderness? From E. L. Doctorow's shattering tale, "Willi," in which a young boy witnesses adults transformed into animals by the frenzy of sexual lust, to Rick Bass's "Swamp Boy," whose young hero is hounded by a pack of boys incensed by his solitary communion with the wild, to Margaret Atwood's wickedly funny story, "My Life as a Bat," or Kent Meyers's soulful ballad of love regained, "The Heart of the Sky," these memorable stories articulate our deep need for wilderness and the indelible role nature plays in our psychological and spiritual well-being.

Black Ice Author House

The acclaimed memoir of homosexual Cuban author Reinaldo Arenas chronicling his tumultuous yet luminary life, from his impoverished upbringing in Cuba to his imprisonment at the hands of a Communist regime. A Penguin Vitae Edition The astonishing memoir by visionary Cuban writer Reinaldo Arenas "is a book above all about being free," said *The New York Review of Books*--sexually, politically, artistically. Arenas recounts a stunning odyssey from his poverty-stricken childhood in rural Cuba and his adolescence as a rebel fighting for Castro, through his suppression as a writer, imprisonment as a homosexual, his flight from Cuba via the Mariel boat lift, and his subsequent life and the events leading to his death in New York. In what *The Miami Herald* calls his "deathbed ode to eroticism," Arenas breaks through the code of secrecy and silence that protects the privileged in a state where homosexuality is a political crime.

Recorded in simple, straightforward prose, this is the true story of

the Kafkaesque life and world re-created in the author's acclaimed novels. Penguin Classics launches a new hardcover series with five American classics that are relevant and timeless in their power, and part of a dynamic and diverse landscape of classic fiction and nonfiction from almost seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.

Blood Brothers U of Minnesota Press

Can it ever get better? This is the question Benjamin Watson is asking. In a country aflame with the fallout from the racial divide—in which Ferguson, Charleston, and the Confederate flag dominate the national news, daily seeming to rip the wounds open ever wider—is there hope for honest and healing conversation? For finally coming to understand each other on issues that are ultimately about so much more than black and white? An NFL tight end for the New Orleans Saints and a widely read and followed commentator on social media, Watson has taken the Internet by storm with his remarkable insights about some of the most sensitive and charged topics of our day. Now, in *Under Our Skin*, Watson draws from his own life, his family legacy, and his role as a husband and father to sensitively and honestly examine both sides of the race debate and appeal to the power and possibility of faith as a step toward healing.
