use

**English Grammar Exercises with  
Answers Part 1** Macmillan Education  
AU

The grammar and word order of English questions can be challenging for many language learners. English Questions: Practice Drills in All Active Tenses provides the student of English with extensive exercises in all the most common types of English questions. Written in an easy-to-use, easy-to-follow format with clear examples, this comprehensive book contains 2290+ sentence-to-question transformations through all active verb tenses, encompassing more than: 500 Wh-questions (Who? What? When? Where? Why? How much? How many? How often? etc.) 1000 Tag-questions-a key

feature of spoken English 500 Yes / No questions An accompanying skeletal chart at the end of the book highlights the grammatical form and syntax of each type of question in every active tense. The annotated answer key (sold separately) allows students to check their question forms against the most common usage patterns found in spoken English today. Developed for intermediate to pre-advanced students, English Questions: Practice Drills in All Active Tenses is an invaluable tool for non-native speakers of English. It's the only text you'll ever need to master English questions!"

luck!

**Exercises in English** CreateSpace

Why is "night" spelled with "gh"? Why can't sentences end with prepositions? Why does English have so many words that express the same ideas? Questions like these can be difficult for teachers to answer when they do not know the historical background of the English language. *Why Is English Like That?* gives teachers a brief and accessible history of the English without assuming any prior knowledge of the subject. The book outlines the historical events that shaped English; describes how its grammar, vocabulary, spelling, and pronunciation developed over time; and highlights the "quirks" and "exceptions" in English that can be explained on a historical basis. By understanding how

the English of today evolved from the English of past times, both teachers and students will be more comfortable with the many conventions of the English language. *Why Is English Like That?* also contains reproducible grammar and vocabulary exercises that will help teachers incorporate some of this historical knowledge into classroom activities. This book was written with English language teachers in mind, and the exercises are designed for ESL/EFL students, but it may also be used by teachers in training (L1 and L2).

**Why is English Like That?** Pearson Education India

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced

from the original artifact, and remains as true to the original work as possible.
