Knowledge Management & E-Learning: An International Journal

The International Journal of Knowledge, Culture, and Change Management: Annual Review aims to create an intellectual frame of reference and to support an interdisciplinary conversation examining the nature of the organization in all their forms and manifestations.

International Journal of Knowledge, Culture and Change ...

International Journal of Management (ISSN 1694- 2299) is an open access, blind peer reviewed international journal that emphasizes on innovation, advancement, development, research and dissemination of knowledge in the fields of management. IJM is highly-selective journal that covers topics of management domain that appeal to a broad readership among researchers.

The aim of the paper is to identify the people management practices that will be most effective in fostering knowledge sharing. We begin with a theoretical analysis of the socio-psychological aspects of knowledge-sharing behaviour in order to identify the variables that facilitate and encourage sharing.
