He even walks into

Enjoy your time with Siways stories of the Wayside School!

Finding Muchness

Compendium Publishing & Communications

All the kids from Wayside School had to spend 243 days in horrible schools

while Wayside was closed to get rid of the infestation of cows! Now the kids are back and the fun begins again on every floor. Miss Mush has prepared a special lunch of baked liver in purple sauce and it is pet day on the 30th floor. There are dogs and cats and frogs and skunks and an orange named Fido, causing a terrible commotion. But the biggest surprise of all is that Mrs Jewls is expecting a baby and a substitute teacher is coming, and everyone knows what that means . . .

. Wayside School is going to get a little stranger.

NATIONAL BOOK AWARD
WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed

generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for

something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel."

'Watch closely,' said Mrs Jewls. 'You can learn much faster using a computer instead of paper and pencil.' Then she pushed the computer out

of the window. The children all watched it fall thirty floors. 'See?' said Mrs Jewls. 'That's gravity . . .' That's the way things happen at Wayside School. There are twenty-nine kids in Mrs Jewls' class and this book is about all of them: there is Todd, who is in trouble every day, until he gets a magic dog; Paul, whose life is saved by Leslie's pigtailed; Ron, who dares to try the cafeteria's mushroom surprise; and all the others who help turn a day at Wayside School into one madcap

adventure after another. 'Because dead ones squeal when you stick the fork in.' Gary W. Boone knows he was born to be a stand-up comedian. It is the rest of the kids in the class who think he is a fool. Then the Floyd Hicks Junior

High School Talent Show is announced, and he starts practising his routine non-stop to get it just right. Gary's sure that this will be his big break - he'll make everyone laugh and will win the \$100 prize money. From the author of the acclaimed bestseller *Holes*, winner of the Newbery Award and the National Book Award, comes a New York Times bestselling adventure about the impact we have—both good and bad—on the world we live in. Be careful. Your next step may be your last. Fifth grader Tamaya Dhilwaddi and seventh grader Marshall Walsh have been walking to and from Woodridge Academy together since elementary school. But their routine is disrupted when bully

Chad Hilligas challenges Marshall to a fight. To avoid the conflict, Marshall takes a shortcut home through the off-limits woods. Tamaya, unaware of the reason for the detour, reluctantly follows. They soon get lost. And then they find trouble. Bigger trouble than anyone could ever have imagined. In the days and weeks that follow, the authorities and the U.S. Senate become involved, and what they uncover might affect the future of the world. "Sachar blends elements

of mystery, suspense, and school-day life into a taut environmental cautionary tale."--Publishers Weekly

We can all be heroes. That's the inspiring message of this New York Times bestselling picture book biography series from historian and author Brad Meltzer. This volume focuses on Jim Henson,

the creator of the Muppets and Sesame Street. This friendly, fun biography series focuses on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves. Jim Henson, for example, was always dreaming up something new, and always expressing his belief in the goodness of people. Henson was a born performer with a terrific sense of humor, and he used those talents to help create two of the most beloved programs in

television history: The Muppet Show and Sesame Street. Through his Muppets, Jim showed the world that there's nothing more beautiful than imagination, especially when it's accompanied by laughter and kindness. Each book in this series tells the story of one inspiring individual through lively text and art that works well for the youngest nonfiction readers. At the back are an excellent timeline and photos.

There's nothing worse than a rotten redheaded older brother who can do everything you can do better! Patricia's brother Richard could run the fastest, climb the highest, and spit the farthest and still smile his extra-rotten, greeny-toothed, weasel-eyed grin. But when little Patricia wishes on a shooting star that she

could do something—anything—to show him up, she finds out just what wishes—and rotten redheaded older brothers—can really do. Patricia Polacco's boldly and exuberantly painted pictures tell a lively and warmhearted tale of comic one-upmanship and brotherly love.
