The story of the remarkable resurgence of right-wing extremists in the United States just as Donald Trump's victorious campaign for the US presidency shocked the world, the seemingly sudden national prominence of white supremacists, xenophobes, militia leaders, and mysterious "alt-right" figures mystifies many. But the American extreme right has been growing steadily in number and influence since the 1990s with the rise of patriot militias. Following 9/11, conspiracy theorists found fresh life; and in virulent reaction to the first black US president, militant racists have come out of the woodwork. Nurtured by a powerful right-

wing media sector in radio, TV, and online, the far right, Tea Party movement conservatives, and Republican activists found common ground. Figures such as Stephen Bannon, Milo Yiannopoulos, and Alex Jones, once rightly dismissed as cranks, now haunt the reports of mainstream journalism. Investigative reporter David Neiwert has been tracking extremists for more than two decades. In *Alt-America*, he provides a deeply researched and authoritative report on the growth of fascism and far-right terrorism, the violence of which in the last decade has surpassed anything inspired by Islamist or other ideologies in the United States. The product of years of reportage, and including the most in-depth investigation of Trump's ties to the far right, this is a crucial book about one of the most disturbing aspects of American society.

Revolution Q Prometheus Books

The iLLamanati have emerged from hidden places of the Earth to shed light on the dark side of human endeavors by collating and publishing literature on the secrets of the Illuminati. Representing the Grand Llama, an omniscient, extradimensional light being who is channeled by our Vice-Admiral, Captain Space Kitten, the iLLamanati is organized around a cast of interstellar characters who have arrived on Earth to wage a battle for the light. Bloodlines of the Illuminati was written by Fritz Springmeier. He wrote and self-published it as a public domain .pdf in 1995. This seminal book has been republished as a three-volume set by the iLLamanati. Volume 1 has the first eight of the 13 Top Illuminati bloodlines: Astor, Bundy, Collins, DuPont, Freeman, Kennedy, Li, and Onassis. Volume 2 has the remaining five of the 13 Top Illuminati bloodlines: Rockefeller, Rothschild, Russell, Van Duyn, and Merovingian. Volume 3 has four other prominent Illuminati bloodlines: Disney, Reynolds, McDonald, and Krupps. Springer

Online Culture Wars From 4Chan And Tumblr To Trump And The Alt-Right Createspace Independent Publishing Platform

The American Jewish Year Book, now in its 116th year, is the annual record of the North American Jewish communities and provides insight into their major trends. Part I presents a forum on the Pew Survey, "A Portrait of American Orthodox Jews." Part II begins with Chapter 13, "The Jewish Family." Chapter 14 examines "American Jews and the International Arena (April 1, 2015 - April 15, 2016), which focuses on US-Israel Relations. Chapters 15-17 analyze the demography and geography of the

US, Canadian, and world Jewish populations. In Part III, Chapter 18 provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, synagogues, Hillels, day schools, camps, museums, and Israeli consulates. In the final chapters, Chapter 19 presents national and local Jewish periodicals and broadcast media; Chapter 20 provides academic resources, including Jewish Studies programs, books, articles, websites, and research libraries; and Chapter 21 presents lists of major events in the past year, Jewish honorees, and obituaries. An invaluable record of Jewish life, the American Jewish Year Book illuminates contemporary issues with insight and breadth. It is a window into a complex and ever-changing world. Deborah Dash Moore, Frederick G. L. Huetwell Professor of History and Judaic Studies, and Director Emerita of the Frankel Center for Judaic Studies, University of Michigan A century from now and more, the stately volumes of the American Jewish Year Book will stand as the authoritative record of Jewish life since 1900. For anyone interested in tracing the long-term evolution of Jewish social, political, religious, and cultural trends from an objective yet passionately Jewish perspective, there simply is no substitute. Lawrence Grossman, American Jewish Year Book Editor (1999-2008) and Contributor (1988-2015)

*A Field Guide for Navigating Polarized Speech, Conspiracy Theories, and Our Polluted Media Landscape* Thomas Dunne Books

This is the documented autobiography of a victim of government mind control. Cathy O'Brien is the only vocal and recovered survivor of the Central Intelligence Agency's MK-Ultra Project

Monarch mind control operation. Chiseled deep into the white stone of the CIA's Langley, Virginia headquarters is a partial verse lifted from the Holy Bible and writings of Saint John...""and the truth shall set you free." This statement, like the agency, is total reality. The building that it is engraved upon houses the world's most successful manufacturer of lies to facilitate psychological warfare. The "Company" uses truth and technology as their raw materials to produce "pure" lies for control of you and America's allies.

### **Red Pill, Blue Pill** Harper Collins

How to understand a media environment in crisis, and how to make things better by approaching information ecologically. Our media environment is in crisis. Polarization is rampant. Polluted information floods social media. Even our best efforts to help clean up can backfire, sending toxins roaring across the landscape. In *You Are Here*, Whitney Phillips and Ryan Milner offer strategies for navigating increasingly treacherous information flows. Using ecological metaphors, they emphasize how our individual me is entwined within a much larger we, and how everyone fits within an ever-shifting network map.

### **The Story of QAnon and the 2nd American Revolution**

Hampton Press (NJ)

A revealing trip down the rabbit hole of conspiracy theories -their appeal, who believes them, how they spread -with an eye to helping people deal with the alt-right conspiracists in their own lives. Conspiracy theories are killing us. Once confined to the fringes of society, this worldview now has adherents numbering in the millions -extending right into the White House. This disturbing look at this alt-right threat to our democratic

institutions offers guidance for counteracting the personal toll this destructive mindset can have on relationships and families. Author David Neiwert -an investigative journalist who has studied the radical right for decades -examines the growing appeal of conspiracy theories and the kind of personalities that are attracted to such paranoid, sociopathic messages. He explains how alt-right leaders are able to get such firm holds on the imaginations of their followers and chronicles the destruction caused by the movement's most virulent believers. Colloquially, this recruitment to alt-right ideologies is called "getting red-pilled" -a metaphor for when believers of conspiracy theories become convinced that their alternate universe is real. Uniquely, and optimistically, Neiwert provides a "blue pill toolkit" for those who are dealing with conspiracy theorists in their own lives, including strategies drawn from people who counsel former far-right extremists who have renounced their former beliefs.

### **Among the Truthers** TAN Books

An adaptation of the documentary film, *Operation Toussaint* reveals how an Ex-Special Agent and Operation Underground Railroad are saving children from sex trafficking around the world through Operation Toussaint, a covert mission to Haiti. Tim Ballard left his post as a special agent for the U.S. Department of Homeland Security to found Operation Underground Railroad (O.U.R.). Through this organization, Tim and his team plan undercover operations to rescue child sex trafficking victims around the world. To date, they have saved hundreds of children from horrific conditions, which Tim wasn't able to do when bound by government restrictions. Take an inside look at O.U.R., and their mission to end modern day slavery, as you join Tim and his

Special Forces team on a covert mission to Haiti where they bring a ring of sex traffickers who bribed their way out of jail to justice in Operation Toussaint.

WORDS FOR WARRIORS Villard

A riveting tour through the landscape and meaning of modern conspiracy theories, exploring the causes and tenacity of this American malady, from Birthers to Pizzagate and beyond. American society has always been fertile ground for conspiracy theories, but with the election of Donald Trump, previously outlandish ideas suddenly attained legitimacy. Trump himself is a conspiracy enthusiast: from his claim that global warming is a Chinese hoax to the accusations of “fake news,” he has fanned the flames of suspicion. But it was not by the power of one man alone that these ideas gained new power. Republic of Lies looks beyond the caricatures of conspiracy theorists to explain their tenacity. Without lending the theories validity, Anna Merlan gives a nuanced, sympathetic account of the people behind them, across the political spectrum, and the circumstances that helped them take hold. The lack of a social safety net, inadequate education, bitter culture wars, and years of economic insecurity have created large groups of people who feel forgotten by their government and even besieged by it. Our contemporary conditions are a perfect petri dish for conspiracy movements: a durable, permanent, elastic climate of alienation and resentment. All the while, an army of politicians and conspiracy-peddlers has fanned the flames of suspicion to serve their own ends. Bringing together penetrating historical analysis and gripping on-the-ground reporting, Republic of Lies transforms our understanding of American paranoia.

*Malice* John Hunt Publishing

This book describes the scandal and public investigation of the Franklin Community Federal Credit Union, raided by federal agencies in 1988 with revelations of murder, drug trafficking, money-laundering, political cover-up and a nationwide child abuse ring.

*Reading the Newspaper* Bloodlines of the Illuminati

"I just woke up and our back door was wide open and we can't find our daughter!" The crackling recording of seventeen year-old Misty Croslin's voice is as chilling today as it was that February night in 2009 when five year-old HaLeigh Cummings vanished without a trace from her Satsuma, Florida home. With the child's father, Ronald Cummings, ranting and cussing in the background, the young teenager struggled to concentrate as she told the operator how she awoke to find HaLeigh gone from her bed; a brick holding open the house door. The harrowing 911 call was soon looping incessantly on national television as American's sat glued to their TV sets and waited for an answer to the question. 'What happened to HaLeigh Cummings?' As satellite trucks, law enforcement and search teams descended onto the small Florida town, the texture of the case soon began to change something wasn't right in this place. The investigation that ensued was strangely secretive and ultimately led to nothing amidst whispers of drug trafficking, police corruption, threats, intimidation, child prostitution, child pornography, white slavery, organized crime, rape and murder. In March of 2009, HaLeigh's family enlisted the services of a private investigator, attorney, national advocate and media team to assist them in their dilemma. A month later the family contacted Timothy Charles Holmseth, an investigative

reporter from Minnesota. What Timothy Holmseth uncovered was so dark and disturbing it was supposed to remain hidden forever. Timothy notified authorities at the county and state level but received only hostile reactions. When he began to publish the information on his website he began receiving late night telephone calls, was threatened by Florida law enforcement, and received ominous communications that spoke of his possible death. In February, 2010, the FBI contacted Timothy and requested a meeting. He was asked for audio recordings of interviews he had conducted with attorneys, private investigators, law officers, witnesses, and family members of the missing child. "In Re: HaLeigh Cummings" is the book that answers the question; 'what happened to HaLeigh Cummings?' You will hear the names. You will see the faces. You will read the quotes. You will learn the methods and the motives of the underground. You will understand. You will be frightened and sick with outrage. But you will finally know what happened to HaLeigh Cummings.

Operation Underground Railroad and the Fight to End Modern Day Slavery Cambridge Scholars Publishing

"I hope everyone reads this book. It has become such a crucial thing for all of us to understand." —Erin Burnett, CNN "An ideal tour guide for your journey into the depths of the rabbit hole that is QAnon. It even shows you a glimmer of light at the exit."

—Cullen Hoback, director of HBO's Q: Into the Storm Its messaging can seem cryptic, even nonsensical, yet for tens of thousands of people, it explains everything: What is QAnon, where did it come from, and is the Capitol insurgency a sign of where it's going next? On October 5th, 2017, President Trump

made a cryptic remark in the State Dining Room at a gathering of military officials. He said it felt like "the calm before the storm"—then refused to elaborate as puzzled journalists asked him to explain. But on the infamous message boards of 4chan, a mysterious poster going by "Q Clearance Patriot," who claimed to be in "military intelligence," began the elaboration on their own. In the days that followed, Q's wild yarn explaining Trump's remarks began to rival the sinister intricacies of a Tom Clancy novel, while satisfying the deepest desires of MAGA-America. But did any of what Q predicted come to pass? No. Did that stop people from clinging to every word they were reading, expanding its mythology, and promoting it wider and wider? No. Why not? Who were these rapt listeners? How do they reconcile their worldview with the America they see around them? Why do their numbers keep growing? Mike Rothschild, a journalist specializing in conspiracy theories, has been collecting their stories for years, and through interviews with QAnon converts, apostates, and victims, as well as psychologists, sociologists, and academics, he is uniquely equipped to explain the movement and its followers. In *The Storm Is Upon Us*, he takes readers from the background conspiracies and cults that fed the Q phenomenon, to its embrace by right-wing media and Donald Trump, through the rending of families as loved ones became addicted to Q's increasingly violent rhetoric, to the storming of the Capitol, and on. And as the phenomenon shows no sign of calming despite Trump's loss of the presidency—with everyone from Baby Boomers to Millennial moms proving susceptible to its messaging—and politicians starting to openly espouse its ideology, Rothschild makes a compelling case that mocking the

seeming madness of QAnon will get us nowhere. Rather, his impassioned reportage makes clear it's time to figure out what QAnon really is — because QAnon and its relentlessly dark theory of everything isn't done yet.

*Dead Men Tell No Tales* Simon and Schuster

Skapades coronaviruset på uppdrag av vaccinindustrin och Bill Gates? Är viruset ett kinesiskt eller amerikanskt biovapen? Bör skulden läggas på den nya 5G-tekniken? Är pandemin rentav en gigantisk bluff? Coronapandemin har inte bara orsakat död, isolering och nedstängningar. Den har också framkallat konspirationsfeber. Viruset hade knappt lämnat Wuhan innan konspirationsteorier började spridas i sociala medier. Snart satte de också avtryck i verkligheten: mobilmaster stacks i brand, folk vägrade följa restriktionerna de smittades och dog, pandemiförnekare protesterade på gatorna och vaccinationsviljan minskade. I USA blev Donald Trump den främsta spridaren av falska påståenden. De handlade inte bara om pandemin, utan om lite av varje, i synnerhet om presidentvalet, något som slutade i en attack mot demokratin. Hur kan folk tro på grundlösa konspirationsteorier? Hur uppstår de? Vilka blir följderna? I *Konspirationsfeber* skildrar Kent Werne hur konspirationsteorierna präglade det senaste året samt hur detta hänt även under tidigare pandemier. Kanske är det något med kriser som gör att människor söker svaren i det dolda, att de drabbas av konspirationsfeber?

*The Storm Is Upon Us* Humanix Books

From 9/11 conspiracy theorists and UFO obsessives to the cult of Ayn Rand and Birther crusaders, America is suffering from an explosion in post-rationalist ideological movements. In *Among the*

*Truthers*, journalist Jonathan Kay offers a thoughtful and sobering look at how social networking and Web-based video sharing have engendered a flourishing of new conspiracism. Kay details the sociological profiles of ten brands of modern conspiracists—the Failed Historian, the Mid-Life Crack-Up, the Damaged Survivor, the Campus Revolutionary, the Stoner, the Clinical Case, the Puzzle Solver, the Christian Doomsayer, the Cosmic Voyager, and the Egomaniac—in a compelling exploration of America's departure from reason and what it means for the very future of rational discourse as the nation steps further into the 21st century.

**The Show That Never Ends: The Rise and Fall of Prog Rock** Ordfront

Absorbing and compelling reading from beginning to end, *AA-1025 Memoirs of the Communist Infiltration Into the Church* is a must read for every Catholic today and for all who would understand just what has happened to the Catholic Church since the 1960's. In the 1960's, a French nurse, Marie Carre, attended an auto-crash victim who was brought into her hospital in a city she purposely does not name. The man lingered there near death for a few hours and then died. He had no identification on him, but he had a briefcase in which there was a set of quasi-autobiographical notes. She kept these notes and read them, and because of their extraordinary content, decided to publish them. The result is this little book, *AA-1025 Memoirs of the Communist Infiltration Into the Church*, a strange and fascinating account of a Communist who purposely entered the Catholic priesthood along with many others, with the intent to subvert and destroy the Church from within. His strange yet fascinating and illuminating

set of biographical notes, tells of his commission to enter the priesthood, his experiences in the seminary, and the means and methods he used and promoted to help effect from within the auto-dissolution of the Catholic Church. No one will read this book without a profound assent that something just like what is described here must surely have happened on a wide scale in order to have disrupted the life of the Catholic Church so dramatically.

*The Hidden Life in Freemasonry* Metropolitan Books

The old definitions of journalism are under fire; its occupational identity and importance to democracy, public life, and social justice are contested, while the content, technologies, practices and cultural conditions of production of news are changing. Contemporary developments signal significant shifts in the ways journalism is practiced, conceptualized and taught. This book, written in the context of the World Journalism Education Congress (WJEC) held in 2016 at Auckland University of Technology, New Zealand, offers a collection of essays on some of the key concepts, categories and models that have underpinned WJEC discussions about journalism research and pedagogy. The overall theme of the congress – integrity and the identity of journalism and journalism education across the globe – generated rigorous debate about journalism studies and its distinctiveness and subject matter, and the journalism curriculum today.

*Memoirs of the Communist Infiltration into the Church* John Wiley & Sons

*The World's Worst Conspiracies* is a compilation of the most fascinating, bizarre and compelling conspiracy theories in the world today. Delving into speculation about the assassination of

JFK, chemtrails, the emergence of the 'New World Order', the sinister experiments at CERN, possible cover-ups regarding Area 51 and the so-called Clinton Body Count, this collection provides an essential reference for everyone interested in learning more about the secret forces that may be controlling our world. Taking a balanced and measured approach, it explores why these theories have taken hold, and how much truth lies at their foundations. Do you believe them?

*How to Counteract the Conspiracy Theories That Are Killing Us* Rowman & Littlefield

In the tradition of Theodore White's landmark books, the definitive look at how Donald J. Trump shocked the world to become president. From Roger Stone, a New York Times bestselling author, longtime political adviser and friend to Donald Trump, and consummate Republican strategist, comes the first in-depth examination of how Trump's campaign tapped into the national mood to deliver a stunning victory that almost no one saw coming. In the early hours of November 9, 2016, one of the most contentious, polarizing, and vicious presidential races came to an abrupt and unexpected end when heavily favored presidential hopeful Hillary Clinton called Donald J. Trump to concede, shocking a nation that had, only hours before, given little credence to his chances. Donald Trump pulled the greatest upset in American political history despite a torrent of invective and dismissal of the mainstream media. Stone, a long time Trump retainer and confidant, gives us the inside story of how Donald Trump almost single-handedly harnessed discontent among "Forgotten Americans" despite running a guerrilla-style grass roots campaign to compete with the smooth running and

free-spending Clinton political machine. From the start, Trump's campaign was unlike any seen on the national stage—combative, maverick, and fearless. Trump's nomination was the hostile takeover of the Republican party and a resounding repudiation of the failed leadership of both parties whose policies have brought America to the brink of financial collapse as well as endangering our national security. Here Stone outlines how Donald Trump skillfully ran as the anti-Open Borders candidate as well as a supporter of American sovereignty, and how he used the Globalist trade deals like NAFTA to win over three of ten Bernie Sanders supporters. The veteran adviser to Nixon, Reagan, and Trump charts the rise of the alt-conservative media and the end of the mainstream media monopoly on voter impacting information dissemination. This is an insider's view that includes studying opposition research into Bill, Hillary, and Chelsea Clinton's crimes, and the struggle by the Republican establishment to stop Trump and how they underestimated him. Stone chronicles Trump's triumph in three debates where he skillfully lowered expectation levels but skewered Mrs. Clinton for the corruption of the Clinton Foundation, her mishandling of government email, and her incompetence as Secretary of State. Stone gives us the inside word on Julian Assange, Wikileaks, Clinton campaign chief John Podesta, Huma Abedin, Anthony Weiner, Carlos Danger, Doug Band, Jeffery Epstein, and the efforts to hide the former first lady's infirmities and health problems. Stone dissects the phony narrative that Trump was in cahoots with Russian strongman Vladimir Putin or that the e-mails released by Wikileaks came from the Russians. *The Making of the President 2016* reveals how Trump brilliantly picked at

Hillary Clinton's weaknesses, particularly her reputation as a crooked insider, and ignited the passions of out-of-work white men and women from the rust belt and beyond, at a time when millions of Americans desperately wanted change. Stone also reveals how and why the mainstream media got it wrong, including how the polls were loaded and completely misunderstood who would vote. Stone's analysis is akin to Theodore H. White's seminal book *The Making of the President 1960*. It is both a sweeping analysis of the trends that elected Trump as well as the war stories of a hard-bitten political survivor who Donald Trump called "one tough cookie."

*Bloodlines of the Illuminati*: Morgan James Publishing

"For too long the Left has tried to silence the Right through a war on words. Understanding their tactics and what we can do about it is crucial. Sam Sorbo lays it all out." — Sean Spicer, Host of Spicer&Co "Grab a copy and fight back!" — Eric Metaxas, New York Times bestselling author "Sam Sorbo knows words like I know MyPillows. Buy this book and get one for a friend." — Mike Lindell, Founder and CEO of My Pillow, Inc "They've hijacked words and then try to use them against us. But we're gonna take 'em back." — Sam Sorbo In *Words for Warriors*, with her trademark wit and intelligence, Sam Sorbo shows exactly how radical left-wingers have manipulated language to fit their own socialistic and anti-freedom agenda. Sam Sorbo is on a mission to reclaim today's hot button/culture war words for all freedom-loving Americans. After hearing all the hatred spewing from ideologues, mainstream media, social justice warriors, and political hacks, Sam Sorbo was fed up: "I'm tired of their games, so I'm calling BS on them. It's time to set the record straight,

especially for the folks who are just trying to enjoy the lives the Lord gave them and want a few things explained in easy-to-understand prose." Arranged in an accessible "A-Z" glossary style, readers can dip in to discover the real meanings behind the acronyms, words, and phrases that the toxic liberal left loves to force on the rest of us. From Ad hominem, antifa, and anarchy... To woke, wonk, and zeitgeist Mixed with the newly-coined concepts like covidiot, pizzagate, and TERF... Words for Warriors is a treasure trove of linguistic gymnastics the Democrats and other toxic lefties employ to further their anti-American agenda. Arm yourself with Words for Warriors, and fight back against political correctness that squashes real debate, free speech, and prosperity. As the culture war rages on, more and more Americans are unleashing their natural instinct to be a warrior for good over evil. They need to use Sam Sorbo's brilliant book Words for Warriors." — Ted Nugent, Legendary Singer-Songwriter and Political Activist "A heavy message from a light-hearted emissary, this book simplifies the confusing world of Leftist politics." — David Webb, SiriusXM Patriot Host and Fox News Contributor "Get Sam Sorbo's essential book for all of your confused and misguided friends, and keep a copy for yourself! With its smart insights, wry humor and patriot spirit, you won't want to put it down—and you'll always want to have it at the ready." — Monica Crowley, Bestselling Author of What the (Bleep) Just Happened?

JFK to 911 is already a global phenomenon, having began as a Youtube video which achieved over a billion hits by becoming the first documentary in human history to untangle all the establishment lies and reveal the entire truth about the Kennedy Assassination and 911. These disclosures so frightened the powers-that-be that President Trump and the Queen of England took the joint decision to ban it altogether, so that if you read this book, you will be learning the most cardinal secrets which your government would much rather you did not know. Nearly all intelligent people these days are wary of what we are being told by the mainstream media, but fewer are aware that the very notion of 'fake news' began with the words on these pages, and that all government policy in recent times has been an ongoing effort to hold back the increasing enlightenment these words have inspired. Legions of people have taken the trouble to go online so that they could tell the world about how learning that absolutely everything is a rich man's trick—the justice system, the education system, the economic system, and most importantly, the media. Francis Richard Conolly is extremely hopeful that the people who have made a movie which he originally gave them for free such a central part of their existence will now buy this book in order to build the revenues which he needs to make the sequel which everyone wants to see.
