Area Handbook Series
Wolters Kluwer Law & Business

The Federal Regulatory Directory, Seventeenth Edition continues to offer a clear path through the maze of complex federal agencies and regulations, providing to-the-point analysis of regulations. Information-packed profiles of more than

100 federal agencies and departments detail the history, structure, purpose, actions, and key contacts for every regulatory agency in the U.S. government. Now updated with an improved searching structure, the Federal Regulatory Directory continues to be the leading reference for understanding federal regulations, providing a richer, more targeted exploration than is possible by cobbling together electronic and print sources.

Penguin

Information Resources in Toxicology, Third Edition is a sourcebook for anyone who needs to know where to find toxicology information. It provides an up-to-date selective guide to a large variety of

sources--books, journals, organizations, audiovisuals, internet and electronic sources, and more. For the Third Edition, the editors have selected, organized, and updated the most relevant information available. New information on grants and other funding opportunities, physical hazards, patent literature, and technical reports have also been added. This comprehensive, time-saving tool is ideal for toxicologists, pharmacologists, drug companies, testing labs, libraries, poison control centers, physicians, legal and regulatory professionals, and chemists. Serves as an all-in-one resource for toxicology information. New edition includes

information on publishers, grants and other funding opportunities, physical hazards, patent literature, and technical reports. Updated to include the latest internet and electronic sources, e-mail addresses, etc. Provides valuable data about the new fields that have emerged within toxicological research; namely, the biochemical, cellular, molecular, and genetic aspects.

Ulrich's International Periodicals Directory

Nova Publishers India, long known for its huge population, religious conflicts and its status as not-quite best friend ally of the United States has moved from the backwaters of world attention to centre stage. Afghanistan and Pakistan with whom India is in almost conflict, are neighbours. India has developed a nuclear capability which also has a way of grabbing attention. This book discusses current issues and historical background and provides a thorough

index important to a better understanding of this diverse country.

Directory of International Training and Educational Opportunities in Agroforestry

Describes the history, politics, customs, etc. of India.

The Journal of the Aeronautical Society of India

The UK Directory of Executive Recruitment is a comprehensive source of information on the UK's executive search and selection consultancies.
