*The Love Poems of Rumi* Harper Collins

The bestselling poet in America today, thirteenth-century Sufi mystic Jalalu'ddin Rumi has inspired and enlightened thousands with his playful, passionate work celebrating the sacred in everyday life. Now the spiritual wealth of Rumi's stories and poetry in translation are accompanied by rare and wonderful art in the Sufi tradition. This fresh rendering brings new life to these incomparable parables, which have transcended time, place, culture, and religion to speak directly to the hearts and souls of contemporary readers. With a foreword by Huston Smith, these selections of the inimitable mystic's prose and poetry have been taken from all of the master's works. Each parable, such as The King and the Handmaiden, The Grocer and the Parrot, The Ugly Old Woman, and The Man Who Was Always Being Swindled, is related as Rumi might have presented it to his fascinated audiences, as he whirled in meditation and trance. But each story also has a spiritual message, a holy essence that applies across all faiths, uttered from the heart of Islam. Each of these messages is provided here in a modern rendering that keeps the flavor of this unique period of history, of culture, and of inspired, passionate beauty.

Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do#8212however compulsive#8212affords a glimpse into the inner life. Here are more than 40 fables or teaching stories that deal with love, laughter, death, betrayal, and the soul. The stories are exuberant, earthy, and bursting with vitality#8212much like a painting by Hieronymus Bosch or Chaucer's Canterbury Tales. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw#8212intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from one of the greatest spiritual poets of all time, rendered by his most popular translator. "The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along."#8212Rumi

April is Poetry Month. A gift from the heart. Breathtaking translation of poems by Rumi, one of the world's most loved mystical teachers. Beautifully packaged and illustrated with Persian calligraphy, this ideal gift book introduces readers to the quatrains, the shorter poems that encapsulate Rumi's timeless appeal. These beautiful, simple translations - 100 in all - demonstrate Rumi's timeless appeal and popularity. Jalal-uddin Rumi was born in what is now Afghanistan in 1207. His poetry has inspired generations of spiritual seekers, both from his own Sufi school and well beyond. His poems speak to the seeker and the lover in all of us. One day you will take my heart completely and make it more fiery than a dragon. Your eyelashes will write on my heart the poem that could never come from the pen of a poet.

In 1244, the brilliant poet Rumi and the wandering dervish Shams of Tabriz met and immediately fell into a deep spiritual connection. The Glance taps a major, yet little explored theme in Rumi's poetry-the mystical experience that occurs in the meeting of the eyes of the lover and the beloved, parent and child, friend and soul mate. Coleman Barks's new translations of these powerful and complex poems capture Rumi's range from the ethereal to the everyday. They reveal the unique place of human desire, love, and ecstasy, where there exists not just the union of two souls, but the crux of the universe. Here is a new kind of love lyric for our time-one of longing, connection, and wholeness.

The Soul of Rumi is renowned poet Coleman Barks' first major assemblage of newly translated Rumi poems since his bestselling *The Essential Rumi*. Coleman Barks presents entirely new translations of Rumi's poems, published for the first time in *The Soul of Rumi*. The poems range over the breadth of Rumi's themes: silence, emptiness, play, God, peace, grief, sexuality, music, to name just a few. But the focus is on the ecstatic experience of human and divine love and their inseparability, conveyed with Rumi's signature passion, daring, and insights into the human heart and the heart's longings.

*Poems of Ecstasy and Longing* Wellfleet Press

These selections from the poetry of Rumi express the courage and intensity needed to overcome our ego-imprisonment. Much of Rumi's poetry has circled around the mystery of surrender. Some of it expresses a longing and even a bewilderment, but there is also much that expresses the discipline, clarity, and intensity that true surrender requires. The lion is Rumi's image for that fierce intensity that recognizes no authority except the highest truth.

*Rumi: Soul Fury* Harper Collins

The first English translation of the rubais of Rumi • Presents 233 of the most evocative of Rumi's 1,700 rubais • Shows that the mystical embrace is the way to directly experience the Divine Rumi is well known for the over 44,000 verses that appear in a 23-volume collection called the *Divan-i Kebir*. Yet Rumi also composed 1,700 rubais, short aphorisms and observations, whose depth and message belie their brevity. The form of rubais first became well known through the 11th-century collection *The Rubaiyat of Omar Khayyam*. But unlike Khayyam, who like most poets would sit and carefully craft each word, Rumi would compose and speak his poems through the spontaneous "language of poetry" that poured from his lips as he traveled the streets of Konya, Anatolia (present-day Turkey). Very few of Rumi's rubais have been translated into any of the languages of the contemporary Western world. Now, Nevit O. Ergin, the translator of the complete *Divan-i Kebir*, and Will Johnson present here 233 of the most evocative of Rumi's 1,700 rubais. Rumi's poetry expresses profound and complex truths in beautiful yet simple language. He reveals that by going deep into the interior of our heart and soul, we can arrive at a place in which we once again merge and connect with the divine. This mystical quest, Rumi contends, is the birthright of us all. Anything less than a complete dissolving into the world of divine union will not provide the satisfaction and peace that we all seek. The simple, yet profound spiritual truths and visions contained in *The Rubais of Rumi* lead the way to the path of reconnection to the direct energies of God.

*Rumi: Bridge to the Soul* Rumi: Bridge to the Soul Journeys into the Music and Silence of the Heart The Lost Words of the Sufi Master and Father of Rumi Bahauddin, Rumi's father, was not only a major force in the development of Islamic spirituality, but also a deeply influential force in his son's life. In this, the first ever substantial English version of a wonderful but virtually unknown book,

Bahauddin proves to be a daring, spiritual genius. His voice comes through the delightful, passionate craft of Coleman Barks, who transforms the Persian translations of John Moyne into fresh spiritual literature.

Rumi is now acknowledged as one of the great mystical poets of the Western world, with huge sales of the many collections of his poetry. Not much is known about his life except that he lived in thirteenth-century Anatolia (now Turkey), had a great spiritual friendship with a wild man called Shams, brought an adopted daughter into his family, and was distraught when Shams finally disappeared. *Rumi's Daughter* is the delightful novel about Kimya, the girl who was sent from her rural village to live in Rumi's home. She already had mystical tendencies, and learned a great deal under Rumi's tutelage. Eventually she married Shams, an unusual husband, almost totally absorbed by his longings for God. Their marriage was fiery and different and, in the end, dissolved by Kimya's death - after which Shams vanished. *Rumi's Daughter* tells Kimya's story with great charm and tenderness. Well written and thought-provoking, it is sure to draw comparison with Paulo Coelho's *The Alchemist*, and also to add something fresh and new to what is so far known about Rumi.

*Ecstatic and Earthy Reflections of Bahauddin, the Father of Rumi* Red Wheel/Weiser

A seminal collection of poetry from the medieval Sufi mystic—the most popular poet in America—and his “soul friend,” Shams Tabriz, which illuminate the evocative and deeply spiritual dimensions of friendship and love, compiled by the foremost Rumi translator and author of *The Essential Rumi*, Coleman Barks. In this stunning translation, Coleman Barks brings to light Rumi's

theme of “love as religion”—that to reach its most profound depths requires mindful practice—as well as love in its most meaningful form: soul friendship. These short poems by both Rumi and Shams Tabriz, rich in beauty and spiritual insight, capture the delight and the impermanence of these bonds that pierce deep into the human mind, heart, and soul. Rumi's poetry is honored and enjoyed by many traditions and cultures. Today, many people from all walks of life have moved beyond traditional notions of spirituality, embracing a sense of the sacred that transcends a singular religion, belief, or text. Rumi's poetry speaks to them and nourishes their divine yearnings. Joyous and contemplative, provocative and playful, *Rumi: Soul Fury* is a sterling addition to the modern Rumi oeuvre, and is sure to be embraced by his wide and devoted readership.

2007 is the "Year of Rumi," and who better than Coleman Barks, Rumi's unlikely, supremely passionate ambassador, to mark the milestone of this great poet's 800th birthday? Barks, who was recently awarded an honorary doctorate in Persian language and literature by the University of Tehran for his thirty years of translating Rumi, has collected and translated ninety new poems, most of them never published before in any form. The result is this beautiful edition titled *Rumi: Bridge to the Soul*. The "bridge" in the title is a reference to the Khajou Bridge in Isphahan, Iran, which Barks visited with Robert Bly in May of 2006—a trip that in many ways prompted this book. The "soul bridge" also suggests Rumi himself, who crosses cultures and religions and brings us all together to listen to his words, regardless of origin or creed. Open this book and let Rumi's poetry carry you into the interior silence and joy of the spirit, the place that unites conscious knowing with a deeper, more soulful understanding.
