**Literature PEARSON**

Timeless Voices, Timeless Themes: Gold and Platinum Editions enable your students to make the transition from middle grades to high school with the finest literature and real-world texts. From Homer to Mark Twain, from Emily Dickinson to Poe, your students will experience cultures that span time and place.

**The American Experience** Pearson Prentice Hall

The classic political satire about an imaginary ideal world by one of the Renaissance's most fascinating figures. Named after a word that translates literally to "nowhere," Utopia is an island dreamed up by Thomas More, a devout Catholic, English statesman, and Renaissance humanist who would be canonized as a saint centuries after he was executed for choosing God over king. More's novel introduces us to Utopia's

society and its customs. It is a place of no private property and no lawyers; of six-hour workdays and simple ways; and, intriguingly, of a combination of values that blend the traditional with the highly controversial, from euthanasia to married priests to slavery. Remarkably thought-provoking, it is a novel that asks us to question what makes a perfect world—and whether such a thing is even possible.

**The British Tradition : Pennsylvania** Prentice Hall

It's a powerful combination of the world's best literature and superior reading and skills instruction!
