ZACHARY MADILYNN

Bandit Love Open Road Media

Killing a bird with his slingshot as a boy, William Bellman grows up a wealthy family man unaware of how his act of childhood cruelty will have terrible consequences until a wrenching tragedy compels him to enter into a macabre bargain with a stranger in black. Reprint. *A Memoir* Soho Press

This book proposes a new, pragmatic way of approaching economic development which features policy learning based on a comparison of international best policy practices. While the important role of government in promoting private sector development is being recognized, policy discussion often remains general without details as to what exactly to do and how to avoid common pitfalls. This book fills the gap by showing concrete policy contents, procedures, and organizations adopted in high-performing East Asian economies. Natural resources and foreign aid and investment can take a country to a certain income level, but growth stalls when given advantages are exhausted. Economies will be caught in middle income traps if growth impetus is not internally generated. Meanwhile, countries that have soared to high income introduced mindset, policies, and institutions that encouraged, or even forced, accumulation of human capital – skills, technology, and knowledge. How this can be done systematically is the main topic of policy learning. However, government should not randomly adopt what Singapore or Taiwan did in the past. A continued march to prosperity is possible only when policy makers

acquire capability to formulate policy suitable for local context after studying a number of international experiences. Developing countries wanting to adopt effective industrial strategies but not knowing where to start will benefit greatly by the ideas and hands-on examples presented by the author. Students of development economics will find a new methodological perspective which can supplement the ongoing industrial policy debate. The book also gives an excellent account of national pride and pragmatism exhibited by officials in East Asia who produced remarkable economic growth, as well as serious effort by an African country to emulate this miracle.

Salvation of a Saint Penguin

Stories of crime and corruption set in this Caribbean country by Edwidge Danticat, Roxane Gay, Dany Laferrière, and more. These darkly suspenseful stories offer a deeper and more nuanced look at a nation that has been plagued by poverty, political upheaval, and natural disaster, yet endures even through the bleakest times. Filled with tough characters and twisting plots, they reveal the multitude of human stories that comprise the heart of Haiti. Classic stories by Danielle Legros Georges, Jacques Roumain, Ida Faubert, Jacques-Stephen Alexis, Jan J. Dominique, Paulette Poujol Oriol, Lyonel Trouillot, Emmelie Prophète, Ben Fountain, Dany Laferrière, Georges Anglade, Edwidge Danticat, Michèle Voltaire Marcelin, Èzili Dantò, Marie-Hélène Laforest, Nick Stone, Marilène Phipps-Kettlewell, Myriam J.A. Chancey, and Roxane Gay. “Skillfully uses a popular genre to help us better understand an often frustratingly complex and indecipherable society.” —The Miami Herald “Presents an excellent array of writers, primarily

Haitian, whose graphic descriptions portray a country ravaged by corruption, crime, and mystery. . . . A must read for everyone.” —The Caribbean Writer

Stuart Neville, “the current master of neo-noir detective fiction” (Boston Globe), is back with a chilling new thriller Belfast, Northern Ireland: Rea Carlisle has inherited a house from an uncle she never knew. It doesn't take her long to clear out the dead man's remaining possessions, but one room remains stubbornly locked. When Rea finally forces it open, she discovers inside a chair, a table—and a leather-bound book, its pages filled with locks of hair, fingernails: a catalogue of victims. Horrified, Rea wants to go straight to the police but her family intervenes, fearing that scandal will mar her politician father's public image. Rea turns to the only person she can think of: disgraced police inspector Jack Lennon. He is facing suspension from the force and his new supervisor, DCI Serena Flanagan, is the toughest cop he's ever met. But a gruesome murder brings the dead man's terrifying journal to the top of the Belfast police's priority list.

The Secret Chord Lulu.com

Yakuza Moon is the shocking, yet intensely moving memoir of 37-year-old Shoko Tendo, who grew up the daughter of a yakuza boss. Tendo lived her life in luxury until the age of six, when her father was sent to prison, and her family fell into terrible debt. Bullied by classmates who called her “the yakuza girl,” and terrorized at home by a father who became a drunken, violent monster after his release from prison, Tendo rebelled. A regular visitor to nightclubs at the age of 12, she soon became a drug addict and a member of a girl gang. By the age of 15 she found herself

sentenced to eight months in a juvenile detention center. Adulthood brought big bucks and glamour when Tendo started working as a bar hostess during Japan's booming bubble economy of the nineteen- eighties. But among her many rich and loyal patrons there were also abusive clients, one of whom beat her so badly that her face was left permanently scarred. When her mother died, Tendo plunged into such a deep depression that she tried to commit suicide twice. Tendo takes us through the bad times with warmth and candor, and gives a moving and inspiring account of how she overcame a lifetime of discrimination and hardship. Getting tattooed, from the base of her neck to the tips of her toes, with a design centered on a geisha with a dagger in her mouth, was an act that empowered her to start making changes in her life. She quit her job as a hostess. On her last day at the bar she looked up at the full moon, a sight she never forgot. The moon became a symbol of her struggle to become whole, and the title of the book she wrote as an epitaph for herself and her family.

NEW YORK TIMES BESTSELLER • Maya Angelou shares her path to living well and with meaning in this absorbing book of personal essays. Dedicated to the daughter she never had but sees all around her, *Letter to My Daughter* transcends genres and categories: guidebook, memoir, poetry, and pure delight. Here in short spellbinding essays are glimpses of the tumultuous life that led Angelou to an exalted place in American letters and taught her lessons in compassion and fortitude: how she was brought up by her indomitable grandmother in segregated Arkansas,

taken in at thirteen by her more worldly and less religious mother, and grew to be an awkward, six-foot-tall teenager whose first experience of loveless sex paradoxically left her with her greatest gift, a son. Whether she is recalling such lost friends as Coretta Scott King and Ossie Davis, extolling honesty, decrying vulgarity, explaining why becoming a Christian is a "lifelong endeavor," or simply singing the praises of a meal of red rice—Maya Angelou writes from the heart to millions of women she considers her extended family. Like the rest of her remarkable work, *Letter to My Daughter* entertains and teaches; it is a book to cherish, savor, re-read, and share. "I gave birth to one child, a son, but I have thousands of daughters. You are Black and White, Jewish and Muslim, Asian, Spanish speaking, Native Americans and Aleut. You are fat and thin and pretty and plain, gay and straight, educated and unlettered, and I am speaking to you all. Here is my offering to you."—from *Letter to My Daughter*

Things I Overheard While Talking To Myself Random House

"[A] powerhouse of a novel....It reads as if Haruki Murakami rewrote *The Day of the Jackal*." - Locus Magazine "Editor's Choice" New York Times Book Review "The Most Anticipated Crime Books of 2019" CrimeReads "Most Anticipated Books of 2019" Lit Hub "This Winter's Best Thrillers" Chicago Review of Books "Best Books of the Year" Apple A fantastical crime novel set in an alternate Seoul where assassination guilds compete for market dominance. Behind every assassination, there is an anonymous mastermind--a plotter--working in the shadows. Plotters quietly dictate the moves of the city's most dangerous criminals, but their existence is little more than legend. Just who are

the plotters? And more important, what do they want? Reseng is an assassin. Raised by a cantankerous killer named Old Raccoon in the crime headquarters "The Library," Reseng never questioned anything: where to go, who to kill, or why his home was filled with books that no one ever read. But one day, Reseng steps out of line on a job, toppling a set of carefully calibrated plans. And when he uncovers an extraordinary scheme set into motion by an eccentric trio of young women--a convenience store clerk, her wheelchair-bound sister, and a cross-eyed librarian--Reseng will have to decide if he will remain a pawn or finally take control of the plot. Crackling with action and filled with unforgettable characters, *The Plotters* is a deeply entertaining thriller that soars with the soul, wit, and lyricism of real literary craft.

something he's not telling people about

his past. And there's someone in the

asylum who he really wants to see . . .

[Haiti Noir 2](#) Vintage Crime/Black Lizard

Instantly reminiscent of the work of

Osamu Dazai and Patricia Highsmith, Fuminori Nakamura's latest novel is a dark and twisting house of mirrors that philosophically explores the violence of aesthetics and the horrors of identity. A young writer arrives at a prison to interview a convict. The writer has been commissioned to write a full account of the case, from the bizarre and grisly details of the crime to the nature of the man behind it. The suspect, a world-renowned photographer named Kiharazaka, has a deeply unsettling portfolio—lurking beneath the surface of each photograph is an acutely obsessive fascination with his subject. He stands accused of murdering two women—both burned alive—and will likely face the death penalty. But something isn't quite right. As the young writer probes further, his doubts about this man as a killer intensify, and he struggles to maintain his sense of reason and justice. Is Kiharazaka truly guilty, or will he die to protect someone else? Evoking Truman Capote's *In Cold Blood* and Ryūnosuke Akutagawa's "Hell Screen," *Last Winter, We Parted* is a twisted tale that asks a deceptively sinister question: Is it possible to truly capture the essence of another human being? From the Hardcover edition.

Learning to Industrialize Vertical Inc
 NAMED AN NPR GREAT READ OF 2018
 From the Shirley Jackson Award-winning author of *The Hole*, a Kafkaesque tale of crime and punishment hailed by *Korea's Wall Street Journal* as "an airtight masterpiece." Distinguished for his talents as a rat killer, the nameless protagonist of Hye-young Pyun's *City of Ash and Red* is sent by the extermination company he works for on an extended assignment in C, a country descending into chaos and paranoia, swept by a contagious disease, and flooded with

trash. No sooner does he disembark than he is whisked away by quarantine officials and detained overnight. Isolated and forgotten, he realizes that he is stranded with no means of contacting the outside world. Still worse, when he finally manages to reach an old friend, he is told that his ex-wife's body was found in his apartment and he is the prime suspect. Barely managing to escape arrest, he must struggle to survive in the streets of this foreign city gripped with fear of contamination and reestablish contact with his company and friends in order to clear his reputation. But as the man's former life slips further and further from his grasp, and he looks back on his time with his wife, it becomes clear that he may not quite be who he seems. From the bestselling author of *The Hole*, *City of Ash and Red* is an apocalyptic account of the destructive impact of fear and paranoia on people's lives as well as a haunting novel about a man's loss of himself and his humanity.

What transforms a person into a killer? Can it be something as small as a suggestion? Turn this page, and you may forfeit your entire life. With *My Annihilation*, Fuminori Nakamura, master of literary noir, has constructed a puzzle box of a narrative in the form of a confessional diary that implicates its reader in a heinous crime. Delving relentlessly into the darkest corners of human consciousness, *My Annihilation* interrogates the unspeakable thoughts all humans share that can be monstrous when brought to life, revealing with disturbing honesty the psychological motives of a killer.

A Novel Soho Press

Zen-Noir master Nakamura returns to

the Tokyo of *The Thief*, where a young grifter named Yurika finds herself in a dangerous game of cat-and-mouse with the shadowy crime lord Kizaki. Yurika is a freelancer in the Tokyo underworld. She poses as a prostitute, carefully targeting potential johns, selecting powerful and high-profile men. When she is alone with them, she drugs them and takes incriminating photos to sell for blackmail purposes. She knows very little about the organization she's working for, and is perfectly satisfied with the arrangement, as long as it means she doesn't have to reveal anything about her identity, either. She operates alone and lives a private, solitary life, doing her best to lock away painful memories. But when a figure from Yurika's past resurfaces, she realizes there is someone out there who knows all her secrets: her losses, her motivations, her every move. There are whispers of a crime lord named Kizaki-- "a monster," she is told--and Yurika finds herself trapped in a game of cat and mouse. Is she wily enough to escape one of the most sadistic men in Tokyo?

Inspector Imanishi Investigates Europa Editions UK

When a man about to leave his wife is found murdered and the wife has a too-convenient alibi that convinces a smitten lead detective of her innocence, Professor Manabu Yukawa is tapped by a concerned Kaoru Utsumi to solve a seemingly impossible case. By the author of *The Devotion of Suspect X*. 50,000 first printing.

The Thief Akashic Books

Pastor Sheldon Long was born of the woods, raised in a secluded cabin by a mute mother and an abusive father who preached God's vengeance. Forced to take control of his own destiny, Pastor Long found God in his own way, melded

with the mythologies of his mother's tribe. Now he's out to send the wicked, as he has judged them, to heaven. Steven, Pastor Long's son, is simultaneously pining for his former babysitter who has moved to Hollywood and crushing on nearly every girl he goes to school with. Soon his preoccupation with the opposite sex lures him into investigating a string of drownings that local police are declaring accidents. Ryan W. Bradley's novella weaves religiosity and mythology into a tale of drugs, sex, and murder set against the frozen backdrop of blue-collar Alaska.

My Annihilation Soho Press

The magnum opus by Japanese literary sensation Fuminori Nakamura, *Cult X* is a story that dives into the psychology of fringe religion, obsession, and social disaffection. When Toru Narazaki's girlfriend, Ryoko Tachibana, disappears, he tries to track her down, despite the warnings of the private detective he's hired to find her. Ryoko's past is shrouded in mystery, but the one concrete clue to her whereabouts is a previous address in the heart of Tokyo. She lived in a compound with a group that seems to be a cult led by a charismatic guru with a revisionist Buddhist scheme of life, death, and society. Narazaki plunges into the secretive world of the cult, ready to expose himself to any of the guru's brainwashing tactics if it means he can learn the truth about Ryoko. But the cult isn't what he expected, and he has no idea of the bubbling violence he is stepping into. Inspired by the 1995 sarin gas terrorist attack on the Tokyo subway, *Cult X* is an exploration of what draws individuals into extremism. It is a tour de force that captures the connections between astrophysics,

neuroscience, and religion; an invective against predatory corporate consumerism and exploitative geopolitics; and a love story about compassion in the face of nihilism.

The Gun Yale University Press

The second book by prize-winning Japanese novelist Fuminori Nakamura to be available in English translation, a follow-up to 2012's critically acclaimed The Thief—another fantastically creepy, electric literary thriller that explores the limits of human depravity—and the powerful human instinct to resist evil. When Fumihiro Kuki is eleven years old, his elderly, enigmatic father calls him into his study for a meeting. "I created you to be a cancer on the world," his father tells him. It is a tradition in their wealthy family: a patriarch, when reaching the end of his life, will beget one last child to cause misery in a world that cannot be controlled or saved. From this point on, Fumihiro will be specially educated to learn to create as much destruction and unhappiness in the world around him as a single person can. Between his education in hedonism and his family's resources, Fumihiro's life is one without repercussions. Every door is open to him, for he need obey no laws and may live out any fantasy he might have, no matter how many people are hurt in the process. But as his education progresses, Fumihiro begins to question his father's mandate, and starts to resist.

Yakuza Moon Melville House

A Tokyo college student's discovery and eventual obsession with a stolen handgun awakens something dark inside him. On a nighttime walk along a Tokyo riverbank, a young man named Nishikawa stumbles on a dead body, beside which lies a gun. From the moment Nishikawa decides to take the gun, the world around him blurs.

Knowing he possesses the weapon brings an intoxicating sense of purpose to his dull university life. But soon Nishikawa's personal entanglements become unexpectedly complicated: he finds himself romantically involved with two women while his biological father, whom he's never met, lies dying in a hospital. Through it all, he can't stop thinking about the gun—and the four bullets loaded in its chamber. As he spirals into obsession, his focus is consumed by one idea: that possessing the gun is no longer enough—he must fire it.

Evil and the Mask Routledge

A previously untranslated classic of Portuguese feminist literature originally published in 1978, Carvalho's Empty Wardrobes introduces English-speaking readers to a forgotten and underappreciated woman writer a la recent publishing sensations Lucia Berlin, Natalia Ginzburg, Ingeborg Bachmann, Silvina Ocampo, and Armonia Somers. Empty Wardrobes is a tightly plotted, highly entertaining read, that, thanks to an ingenious detached narrative technique (one that makes the plot all the more fun to revisit and rethink), is both darkly humorous and devastatingly true.

Evil and the Mask Minotaur Books

'The message is consistent: it's not what you do in life, but how you do it. Notice everything. Always be open to new ideas, new experiences. Alda is chatty, easygoing and humble ... His words of inspiration would be a perfect gift.'

Publishers Weekly Acclaimed actor and internationally bestselling author Alan Alda has written a shrewd and funny account of some impossible questions he's asked himself over the years: what do I value? What, exactly, is the good life? (And what does that even mean?)

Here, Alda listens in on things he's heard himself saying at critical points in his life - from the turbulence of the 60s, to his first Broadway show, to the birth of his children, and to the ache of September 11. He notices that 'doorways are where the truth is told', and wonders what one

thing - art, activism, family, money, fame - could lead to a 'life of meaning'. In a book that is candid, wise and as questioning as it is incisive, Alda amuses and moves us with his uniquely witty meditations on questions great and small.
