includes 26 interactive

Bible object lessons that create a fun learning atmosphere while teaching Biblical truth that enhances spiritual growth. Lessons focus on systematic Bible stories that are perfect for Sunday School, Awana, small groups, and other Children's Ministry activities. In *What God is Doing: Old Testament Object Lessons for Kids*, you'll discover: How to present Old Testament truths so kids gain understanding. Twenty-six object lessons for children in grades K-6 to be used

at home or church. Engaging dialogue that gets kids thinking critically about life topics. Tips and retrospectives that help you improve your teaching skills. If you like Bible lessons that are easy to understand, grab the attention of children, and leave a lasting impression, then you will love this book. *A Theology for Christian Education* Awana Clubs International Resilient Child Discipleship and the Fearless Future of the Church Awana Clubs International

The Heart of a Father Vintage Canada Kids are curious about Jesus and God and yet, by the time they are teens, the majority stop asking questions about faith and starting questioning faith altogether. Respected Christian apologist Josh McDowell encourages children to stand on the foundation of truth with this contemporary gathering of concise, welcoming answers for kids ages 8 to 12. A fun format includes key Bible verses and pre-teen friendly explorations of

topics that matter most to kids: God's love and forgiveness Right and wrong and making choices Jesus, the Holy Spirit, and God's Word Different beliefs and religions Church, prayer, and sharing faith The next time a child asks "Who is God?" parents, grandparents, and church leaders will want this practical and engaging volume handy. Helpful tips and conversation ideas for adults will help them connect with kids hungry for straight talk about faith in Jesus.

The Rise of Secular Americans Moody Publishers

Master cake artist and a man of profound faith, Jack Phillips found himself in the middle of one of the highest-profile religious freedom cases of the century. In July 2012, two men came to Jack Phillips's shop requesting a custom wedding cake celebrating their same-sex marriage. In a brief exchange, Jack politely declined the request, explaining that he could not design cakes for same-sex weddings but

offered to design cakes for other occasions and to sell them anything else in his shop. Little did Jack know that his quiet stand for his Christian convictions about marriage would become a battle for the right of all Americans to live out their faith. Now, Jack Phillips shares his harrowing experience for the first time in this powerful new memoir. *The Cost of My Faith* is Jack's firsthand account from the frontlines of the battle with a culture that is making every effort to

remove God from the public square and a government denying Bible-believing Christians the right to freely exercise their religious beliefs. Despite a Supreme Court victory in *Masterpiece Cakeshop v. Colorado Civil Rights Commission*, the fight to protect the right of Americans to freely exercise their beliefs is more critical than ever. *The Cost of My Faith* provides new insight into the case that shook the country and offers readers courage and inspiration to stand and live out their

faith when facing their own battles.

The Cost of My Faith Zondervan
 What happens when the pastor of a mega church loses his faith? Pastor Chase Falson has lost his faith in God, the Bible, evangelical Christianity, and his super-sized megachurch. When he falls apart, the church elders tell him to go away:

as far away as possible. Join Chase on his life-changing journey to Italy where, with a curious group of Franciscan friars, he struggles to resolve his crisis of faith by retracing the footsteps of Francis of Assisi, a saint whose simple way of loving Jesus changed the history of the world. Read this riveting story and then begin your own life-changing journey through the pilgrim's guide included in this powerful novel. Hidden in the past lies the future of the church When his elders tell him to take

some time away from his church, broken pastor Chase Falson crosses the Atlantic to Italy to visit his uncle, a Franciscan priest. There he is introduced to the revolutionary teachings of Saint Francis of Assisi and finds an old, but new way of following Jesus that heals and inspires. Chase Falson's spiritual discontent mirrors the feelings of a growing number of Christians who walk out of church asking, Is this all there is? They are weary of celebrity pastors, empty calorie teaching,

and worship services where the emphasis is more on Lights, Camera, Action than on Father, Son, and Holy Spirit while the deepest questions of life remain unaddressed in a meaningful way. Bestselling author Ian Morgan Cron masterfully weaves lessons from the life of Saint Francis into the story of Chase Falson to explore the life of a saint who 800 years ago breathed new life into disillusioned Christians and a Church on the brink of collapse. Chasing Francis is a hopeful and

moving story with profound implications for those who yearn for a more vital relationship with God and the world.

The Remembering Box
Tyndale House Publishers, Inc.

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a

taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home

in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of

corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the

way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual

dream machine, can evidently do anything, and his ambition is written in magma across this novel’s every page.”—The New York Times Book Review “One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.”—Dave Eggers “Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.”—People “The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not

just dazzling, amusing, or clever but heartbreaking and passionate, too. I’ve never read anything quite like it, and I’m grateful to have lived, for a while, in all its many worlds.”—Michael Chabon “*Cloud Atlas* ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent.”—The Washington Post Book World “Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in

his dance step.”—Boston Sunday Globe “Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate.”—Los Angeles Times

Cloud Atlas B&H Publishing Group

A new group of Americans is challenging the reign of the Religious Right Today, nearly one in five Americans are nonbelievers - a rapidly growing group at a time when traditional Christian churches are dwindling in

numbers - and they are flexing their muscles like never before. Yet we still see almost none of them openly serving in elected office, while Mitt Romney, Rick Santorum, and many others continue to loudly proclaim the myth of America as a Christian nation. In *Nonbeliever Nation*, leading secular advocate David Niose explores what this new force in politics means for the unchallenged dominance of the Religious Right. Hitting on all the hot-button issues that divide the country -

from gay marriage to education policy to contentious church-state battles - he shows how this movement is gaining traction, and fighting for its rights. Now, Secular Americans—a group comprised not just of atheists and agnostics, but lapsed Catholics, secular Jews, and millions of others who have walked away from religion—are mobilizing and forming groups all over the country (even atheist clubs in Bible-belt high schools) to challenge the exaltation of religion

in American politics and public life. This is a timely and important look at how growing numbers of nonbelievers, disenchanted at how far America has wandered from its secular roots, are emerging to fight for equality and rational public policy.

Letting Go of the

Goodness Gospel Moody Publishers

b"Application of Nanotechnology in Mining Processes Nanotechnology has revolutionized processes in many industries but its

application in the mining industry has not been widely discussed. This unique book provides an overview of the successful implementation of nanotechnology in some of the key environmental and beneficiation mining processes. This book explores extensively the potential of nanotechnology to revolutionize the mining industry which has been relying for a very long on processes with limited efficiencies. The nine specialized chapters focus on applying nanoflotation

to improve mineral processing, effective extraction of metals from leachates or pregnant solutions using nanoscale supramolecular hosts, and development of nano-adsorbents or nano-based strategies for the remediation or valorization of AMD. The application of nanotechnology in mining has so far received little attention from the industry and researchers and this groundbreaking book features critical issues so far under-reported in the literature:

Application of nanotechnology in mineral processing for the enhancement of froth flotation Development of smart nanomaterials and application for the treatment of acid mine drainage Recovery of values from pregnant solutions using nanoadsorbents Valorization of AMD through formation of multipurpose nanoproducts. Audience Industrial interest will be from mining plant operators, environmental managers, water

treatment plants managers, and operators. Researchers in nanotechnology, environmental science, mining, and metallurgy engineering will find the book valuable, as will government entities such as regulatory bodies officers and environmentalists. *Beneficiation and Sustainability* Hachette UK Profoundly moving, fearlessly honest, and relentlessly hopeful, New York Times bestselling author Rachel Held Evans offers this must-read for

anyone on the journey of doubt, deconstruction, and ultimately faith reborn. Eighty years after the Scopes Monkey Trial made a spectacle of Christian fundamentalism and brought national attention to her hometown, Rachel Held Evans faced a trial of her own when she began to have doubts about her faith. In *Faith Unraveled*, Rachel recounts growing up in a culture obsessed with apologetics, struggling as her own faith unraveled one unexpected question at a

time. In order for her faith to survive, Rachel realizes, it must adapt to change and evolve. Using as an illustration her own spiritual journey from certainty to doubt to faith, Evans challenges you to disentangle your faith from false fundamentals and to trust in a God who is big enough to handle your tough questions. In a changing cultural environment where new ideas seem to threaten the safety and security of the faith, *Faith Unraveled* is a fearlessly honest story of survival. This

book was previously titled *Evolving in Monkey Town*. *Why the Resurrection Means Anything Is Possible* David C Cook Leading a child to Christ is a unique opportunity given by the Holy Spirit. But it also requires skill and patience on the part of an adult. This guide will help you discover effective ways to gently point children toward Christ and the salvation He offers. Learn first the doctrinal bases for witnessing to children, then the psychological needs and wants of a

child. A third section on methods and techniques lists dos and don'ts of child evangelism. Real-life examples illustrate the principles involved in leading children to Christ. Daniel Smith has years of experience in child evangelism as well as ongoing concern for quality in presenting the gospel to boys and girls. Apply the principles discussed here in one of the most important privileges of an adult: leading a child to the Savior. *Contest* B&H Publishing

A NATIONAL BESTSELLER

A beloved pastor and a

New York Times

bestselling author

examine scripture and

share inspiring personal

stories to help show the

important role that Jesus'

resurrection plays in our

everyday lives. The Son of

God was crucified, died

and buried, and He lay in

the tomb for three

days—until He walked out

shining like the sun. In a

culture in which history is

erased or rewritten at will,

the existence of an empty

tomb matters. Why?

Because if the tomb is empty—then anything is possible. In his first book, Joby Martin, Lead Pastor of The Church of Eleven22, dives deep into scripture and traces the story of salvation by highlighting the seven mountains throughout scripture where God manifests himself. As he describes each encounter with God, Martin shows us how the interaction on each mountain laid the groundwork for the sacrifice of Christ on Calvary, and shows what God revealed about

Himself in the process. He illuminates seven familiar passages, unveiling how God's plan for Christ's sacrifice is threaded throughout scripture, and shows why Christ's resurrection—impossible, unbelievable—means that nothing is too hard for our God. Ultimately, he asks readers, Do you live every day of your life as if the tomb is empty—or as though Jesus is still hanging on that cross? Written with New York Times bestselling author Charles Martin, If the Tomb is Empty is an

insightful and spiritually rich examination of what the miracle of Christ's resurrection means for all of us.

If the Tomb Is Empty

Baker Books

As parents, we strive to help our kids grow into their full potential. We help them with their homework, get them involved in planned activities, and invest for their college education. But while we may plan for their success, we can overlook a vital part of their personal development: Nurturing

and encouraging a solid foundation of faith. It can be easy to assume our children are growing spiritually in church youth groups and programs. Yet it's vital that we take an active role in guiding them in their relationship with Jesus. The life of Joseph offers parents a Biblical standard for building children of character. Drawing from his story, this book will help you do just that. Inside you'll find a unique guide for creating a personalized plan for your child's spiritual growth,

from preschool through high school. This practical guide will help your child: Acquire wisdom from the Bible Understand God's grace Gain a sense of destiny and purpose Develop a life-perspective based on God's perfect plan The result: Children and teenagers who know, love, and serve the Lord. So invest in their spiritual development. And create a legacy of faith that will last a lifetime.

Dave Brunn has been an international Bible

translator for many years. In this book, he gives us a window into the inner workings of translation practice to help us sort out the many competing claims for various English Bible translations.

Faith Unraveled CRC Press

Many women feel as if they do not do enough and are not enough. They're always trying hard to be good: a good friend, mom, wife, Christian, employee, or ministry leader, hoping for that "atta-girl" from God. With compelling

illustrations from her own life, Christine Hoover leads readers to the understanding that they're living by a lesser gospel, the gospel of goodness, one without Christ's grace. Relying on Scripture, they can start asking, "What does God want for me?" before asking, "What does God want from me?" Women will breathe a sigh of relief at this powerful message of freedom and hope. Rather than serving God out of obligation or duty, they'll be compelled to love and serve God with

great joy. God's Spiritual Warrior's Prayer Handbook Simon and Schuster
Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace! The result of decades of careful research and Bible study, the charts and well-written explanatory text provide a fascinating picture of the times ahead. Charting the End Times includes... A foldout

portraying God's complete plan for the ages More than 50 full-color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end-times questions Providing a wealth of information, this book is certain to become a popular study tool for understanding God's unfolding plan!

Child Discipleship and the Fearless Future of the Church Harvest

House Publishers

The shocking true crime

story of a California bride who took her wealthy husband for everything he had—including his life.

Everything She Wanted . . .

. Rebecca Salcedo had an easy smile, a sexy body, and strong appetites—she wanted the world. Bruce Cleland, she decided, would buy it for her. The shy engineer quickly fell victim to her charms, getting her whatever she wanted. A new car. A boat. A house. But he wasn't Rebecca's only admirer . . . She Got . . . Even after Rebecca manipulated Bruce into

marrying her, hoping to divorce him and take him for everything he had, she occupied herself with a series of lovers. Male strippers, women . . . they all spent time in Rebecca's bed. But when she learned that a divorce would only get her a few pennies, she knew she had to find another way to secure Bruce's fortune. Even Murder . . . Enlisting two family members as killers-for-hire, Rebecca set in motion her solution to the problem. While she watched, the first bullet hit Bruce in the face.

Three more would follow. But while Rebecca kept the blood off her hands, she could not conceal evidence that led straight to her, culminating in a trial that would shock a community. With sixteen pages of shocking photos *Praise for Honeymoon with a Killer* “The sordid tale of an innocent man and the woman who plotted his murder. . . . Lasserter and Bowers provide readers with a highly detailed depiction of events leading up to and following the gruesome murder of

Bruce Cleland. True crime aficionados will savor this riveting read.”

 The Bible. You've heard of it, yes? Maybe something about David and Goliath or Noah's ark, or a baby in a manger? What if I told you there was tons of stuff in the Bible that you've never heard about? Things like talking donkeys, self-conscious

magicians, and kings who think they're cows. The Bible is a curious book full of deeply flawed people and a God who refuses to give up on them. Don't believe me? Look for yourself. In these 60 devotions, we examine these unique stories, the circumstances and biblical truth around them, and what they reveal about the heart of God.
