and poignant story of
one girl's strength and
courage as she decides
who she is and what
she will believe in.

Behind the white-
washed walls of the
Arizona compound, life
was simple. Follow the
rules, "live in the light,"
and all would be well.
Zylynn was excited to
turn thirteen and begin

the work of bringing others into the light, to save them from the liars and the darkness of the outside world. But when she is taken away by a man who claims to be her father, Zyllynn is confused, and desperate to return to her home. Zyllynn resists her new life—until she finds small comforts, like shampoo, the color pink, and strawberries. But as her thirteenth birthday approaches, Zyllynn must make a difficult decision—to stay here with the enemy, or find her way back to the light. And neither may be what they seem.

Lone Wolf Simon and Schuster

It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. This boxed

set collects the first three books in the CHERUB series: *The Recruit*, *The Dealer*, and *Maximum Security*. Follow James, the newest CHERUB recruit, as he survives one hundred grueling days of basic training, attempts to take down the world's most powerful drug lord, infiltrates an Arizona prison, and learns what it means to be a true CHERUB agent.

Bestselling sportswriter John Feinstein exposes the big money and back-room deals that pervade college-basketball recruiting in this fast-break young adult novel. Terrell Jamerson is the #1 high school basketball

player in the country. His team is poised to win State, top colleges are lining up to give him scholarships, and everyone says he could play in the NBA tomorrow. But it only takes one false step to lose everything. Danny Wilcox is Terrell's best friend and teammate, and a top prospect himself, but these days it seems like everyone wants to get close to Terrell: the sneaker guys, the money managers, the college boosters. They show up offering fast cars, hot girls, and cold, hard cash. They say they just want to help, but their kind of help could get Terrell disqualified. Danny and Terrell better keep their eyes on the ball if they hope to last the season. John Feinstein has been praised as

"the best writer of sports books in America today" (The Boston Globe), and he proves it again in this fast-paced novel. "Thorough and suspenseful; a must-read for those interested in basketball and the dealings surrounding the sport." —Kirkus Reviews, Starred

It's not like I meant for him to get hurt. . . .
Julian Twerski isn't a bully. He's just made a big mistake. So when he returns to school after a weeklong suspension, his English

teacher offers him a deal: if he keeps a journal and writes about the terrible incident that got him and his friends suspended, he can get out of writing a report on Shakespeare. Julian jumps at the chance. And so begins his account of life in sixth grade--blowing up homemade fireworks, writing a love letter for his best friend (with disastrous results), and worrying whether he's still the fastest kid in school. Lurking in the background, though, is the one story he can't bring himself to tell, the one story his teacher most wants to hear. Inspired by Mark Goldblatt's own childhood growing up in 1960s Queens, Twerp shines with humor and heart. This remarkably powerful

story will have readers laughing and crying right along with these flawed but unforgettable characters.
