Practice Makes Perfect Basic Portuguese (EBOOK) Cambridge University Press

Edgar Award nominee stuns in this heartrending tale set in a Swaziland boarding school where two girls of different castes bond over a shared copy of Jane Eyre. Adele Joubert loves being one of the popular girls at Keziah Christian Academy. She knows the upcoming semester at school is going to be great with her best friend Delia at her side. Then Delia dumps her for a new girl with more money, and Adele is forced to share a room with Lottie, the school pariah, who doesn't pray and defies teachers' orders. But as they share a copy of Jane Eyre, Lottie's gruff exterior and honesty grow on Adele, and Lottie learns to be a little sweeter. Together, they take on bullies and protect each other from the vindictive and prejudiced teachers. Then a boy goes missing on campus and Adele and Lottie must rely on each other to solve the mystery and maybe learn the true meaning of friendship.

DO YOU WANT YOUR LIFE TO BE PERFECT? We're all laboring under our own and society's expectations to be perfect in every way-to look younger, to make more money, to be happy all the time. But according to Tal Ben-Shahar, the New York Times bestselling author of Happier, the pursuit of perfect may actually be the number-one internal obstacle to finding happiness. OR DO YOU WANT TO BE HAPPY? Applying cutting-edge research in the field of positive psychology-the scientific principles taught in his wildly popular course at Harvard University-Ben-Shahar takes us off the impossible pursuit of perfection and directs us to the way to happiness, richness, and true fulfillment. He shows us the freedom derived from not trying to do it all right all the time and the real lessons that failure and painful emotions can teach us. YOU DON'T HAVE TO BE PERFECT TO BE PERFECTLY HAPPY! In The Pursuit of Perfect, Tal Ben-Shahar offers an optimal way of thinking about failure and success--and the very way we live. He provides exercises for self

reflection, meditations, and “Time-Ins” to help you rediscover what you really want out of life. Praise for Tal Ben-Shahar's *Happier*: “This fine book shimmers with a rare brand of good sense that is embedded in scientific knowledge about how to increase happiness. It is easy to see how this is the backbone of the most popular course at Harvard today.” -Martin E. P. Seligman, author of *Authentic Happiness*

"Objective Advanced is an updated and revised edition of the best-selling Cambridge English: Advanced (CAE) course. It is official preparation material for the revised 2015 exam, and combines thorough and systematic exam preparation with language work designed to improve students' overall English level. The Teacher's Book offers complete support with time-saving ideas, including a Teacher's Resources CD-ROM with regular progress tests. The Workbook provides further practice of language and vocabulary introduced in the Student's Book, as well as including an Audio CD with listening exam practice. The CD-ROM provides more language and exam practice in the form of interactive activities. Complete Cambridge English: Advanced practice tests are available for teachers online."--Publisher description.

Cambridge English Readers is an exciting new series of original fiction, specially written for learners of English. Graded into six levels - from elementary to advanced - the stories in this series provide easy and enjoyable reading on a wide range of contemporary topics and themes. Chief Inspector Jane Honeywell is a city detective in a sleepy country town who wonders why she's moved there. But then the rural peace and quiet is suddenly disturbed by a particularly horrible murder, and Jane starts the dangerous pursuit of the killer, or killers. The cassette(s) contain a recording of the full text of the book.

The Pursuit of Perfect: How to Stop Chasing Perfection and Start Living a Richer, Happier Life Pearson English Language Teaching

Jake is in a race against time to foil a demon-riddled plot to destroy earth—what a way to start his new job at the Embassy of the Dead! The second book of this spookily funny trilogy. In return for helping Stiffkey the ghost pass into the Afterworld, Jake Green has been awarded an official position at the Embassy of the Dead, a job he didn't ask for and, to be honest, doesn't necessarily want. But saying no to the Embassy isn't really an option, so now Jake must journey even deeper into the mysterious world of ghosts. What should be a routine Undoing takes a turn when Jake overhears a plot to destroy the very fabric between the worlds of the living and the dead. Can he do the impossible and stop the terror that creeps in the Eternal Void? With the help of his ghostly gang—hockey stick-wielding Cora and Zorro the fox—he's going to try. Hijinks from beyond the grave will tingle readers' spines and tickle their funny bones as the Embassy of the Dead trilogy continues.

Hotărâri ale guvernului României și alte acte normative Oxford University Press

What the Woods Keep is the stunning debut of Katya de Becerra, who combines mystery, science fiction, and dark fantasy in a twisty story that will keep you mesmerized right up to the final page. On her eighteenth birthday, Hayden inherits her childhood home—on the condition that she uncover its dark secrets. Hayden tried to put the past behind her, and it worked. She's getting ready for college, living in a Brooklyn apartment, and hanging out with her best friend and roommate Del. But now it's all catching up with her: her mother's mysterious disappearance a decade before, her father's outlandish theories about a lost supernatural race, and Hayden's own dark dreams of strange symbols and rituals in the Colorado woods where she grew up. As soon as Hayden arrives at her hometown, her friend Del in tow, it begins: Neighbors whisper secrets about Hayden's mother; the boy next door is now all grown-up in a very distracting way; and Hayden feels the trees calling to her. And among them, deep in the woods, Hayden will discover something incredible—something that threatens reality itself. An Imprint Book “Blending mythology and a contemporary story of family drama, de Becerra's debut novel is a narrative that will keep readers enthralled.” —Booklist “Spooky atmospheric and moral ambiguity complement the blend of science and myth to create a thoughtful and compelling horror fantasy.” —BCCB “This book glues you to the edge of your seat. The writing is powerful, with dashes of humor to lighten the tension at just the right moments... One of the best sci-fi/horror/mysteries I've ever read.” —Derek Milman, author of *Scream All Night* “The characters in this debut novel are interesting and modern, particularly Hayden's humorous, vibrant roommate... Adds a new angle to the “small town with a secret” genre.” —VOYA “A magical, intelligent twist on the Nibelungenlied epic, with elements of science, set in a real world that is frightening and wonderful. Highly recommended.” —Rena Rossner, author of *The Sisters of the Winter Wood* “What an amazing, creepy, spooktacular book! What the Woods Keep is a unique blend of fantasy, sci-fi, and horror story all rolled into one. It gave me shivers down my spine and kept me awake at night, both because of the chill factor and just because I couldn't wait to see what happened next. This book is everything you could want, from a spooky cabin in the woods to a massive conspiracy to a fantasy romance. Definitely check it out. It's so much fun in so many ways that you won't want to stop reading.” —Caryn Lix, author of *Sanctuary* “This book was so. damn. good. Lush and

creepy, with a totally unique yet totally relatable heroine. I LOVED the way this book pinned logic and science against fantasy and primal fear—and managed to find the common ground between them in a deeply incisive way. A fast, frantic, fascinating read. Very highly recommended for anyone interested in mythology, psychology, or just some good scares.” —Maxine Kaplan, author of *The Accidental Bad Girl* “A stellar debut from a stellar author... De Becerra has a striking gift for description and using the setting to create atmosphere. The novel is haunting and the place is a character of its own... I loved every minute! I felt like the Colorado woods of Hayden's childhood were calling to me, as they were to her!” —Lucia DiStefano, author of *Borrowed* “An amazing, immersive contemporary fantasy with strong female characters, female friendships, and descriptions that will make you feel like you're walking alongside them.” —S. Gonzales, author of *The Law of Inertia* “Part fairy tale, part science fiction, part horror, this novel takes the best parts of these genres and blends them into something completely unique, satisfying, and new... Super smart and spooky, this story kept me on the edge of my seat from start to finish. A must read.” —Tara Gilboy, author of *Unwritten* “If you like howling winds, ominous birds, dark woods, clouds casting shadows over a perfectly creepy town, blood (okay, you don't have to like blood), cryptic messages, mystery, and intensely likeable heroines in the midst of it all... you will LOVE this book as much as I did. It was the perfect blend of sci-fi, mystery, and fantasy. But this is not your average fantasy. It's the kind of fantasy that makes you double-bolt the door before you go to bed and maybe even leave on a light or two to ward off the scary dreams. It's the kind of YA that reminded me of why I love YA in the first place.” —Dana L. Davis, author of *Tiffany Sly Lives Here Now* “A real high-tension page-turner with a dash of humor to give relief from holding your breath...” -Taryn Bashford, author of *The Harper Effect* “If you like eerie towns like in *Silent Hill* and scary science like in *Resident Evil*, then this is your jam.” —Maura Milan, author of *Ignite the Stars* “The book pretty much had everything—friendship, mystery, creepiness, and a dash of romance. Trust me, you'll want to get lost in these woods!” —Candace Robinson, author of *Quinsey Wolfe's Glass Vault* and *The Bride of Glass*

The Research Network on EU Administrative Law (ReNEUAL) was established in 2009 and now comprises well over one hundred scholars and practitioners active in the field of EU and comparative public law. The aim of the network is to contribute to the development of a legal framework in which the constitutional values of the EU can be embedded in the exercise of public authority. Drafted by four working groups addressing the main aspects of EU administrative procedure, the ReNEUAL Model Rules offer a toolkit for European and domestic authorities seeking to regulate administrative action, reinforcing general principles of EU law and identifying, on the basis of comparative research, best practices in different specific policies of the EU. The book includes an extended introduction chapter, followed by the Model Rules, which are organised into six parts. Part I addresses general issues concerning the scope of the Model Rules and their relation to existing rules in EU legislation and Member State law; Part II is concerned with rulemaking by EU institutions, bodies, offices, and agencies; Part III focuses on single case decision-making by EU institutions, bodies, offices, and agencies; Part IV addresses contracts of EU institutions, bodies, offices, and agencies; Part V discusses mutual assistance between administrations; and Part VI addresses inter-administrative information management.

[Epoca postbelica](#) Univ of California Press

În 1945, Europa era epuizată. Cea mai mare parte a continentului era devastată de război, masacre, bombardamente și haos. Zone întinse din Europa de Est se aflau sub controlul Uniunii Sovietice, schimbând astfel un regim tiranic cu altul. Astăzi URSS nu mai există, iar democrațiile Uniunii Europene au atins granitele Rusiei. Opera complexă și consistentă, Epoca postbelică ne arată cine suntem și cum am ajuns aici, o poveste deșănțată în umbra permanentă a războiului. Tony Judt vorbește despre vindecarea Europei după distrugerile celei de-a doua conflagrații mondiale, despre caderea comunismului și crearea Uniunii Europene, despre prabusirea imperiilor și relațiile complicate și mereu schimbătoare ale Europei cu cele două mari puteri, URSS și Statele Unite. Volumul reprezintă o analiză a istoriei politice, sociale și culturale a continentului de după al Doilea Război Mondial, ce urmărește atât evoluția de ansamblu, cât și experiențele distincte care au marcat transformările petrecute în Europa Occidentală și de Est. „Superb!” The Times Literary Supplement „Minunat!” The Evening Standard „Judt este un ghid atotcunoscător, judicios, al cărui stil fluent este combinat aici cu o eruditie profundă... O interpretare pe care oricine este interesat de viitorul Europei va trebui să o ia în serios.” Mark Mazower, The New Statesman

Jika hanya diberikan 30 menit untuk berhadapan dengan anak-anak, hal terbaik apa yang bisa Anda lakukan? Tanyakan pada Jim Trelease dan pasti dia akan menjawab, "Membacakan buku dengan nyaring." Membacakan buku, selain sebagai sumber informasi dan imajinasi, juga mampu mempererat ikatan antara orangtua dan anak. Teknik membaca nyaring (read loud) juga terbukti meningkatkan kemampuan dalam membaca, menulis, berbicara, dan mendengar, serta menambah kegairahan anak-anak dalam belajar apa pun. Selama lebih dari tiga dekade, buku ini telah membantu jutaan orangtua, guru, dan anak-anak, membuat anak-anak menemukan kenikmatan membaca dan menjadikan mereka seorang pembaca seumur hidupnya. Kini, buku edisi revisinya dilengkapi dengan hasil penelitian terbaru, termasuk pembelajaran digital yang sesuai dengan

perkembangan teknologi saat ini. [Mizan, Noura Books, Literatur, Parenting, Hobby, Relationship, Insoirated, Indonesia]

Objective Advanced Student's Book with Answers with CD-ROM Candlewick Press

This volume collects landmark research in a burgeoning field of visual analytics for linguistics, called LingVis. Combining linguistic data and linguistically oriented research questions with techniques and methodologies developed in the computer science fields of visual analytics and information visualization, LingVis is motivated by the growing need within linguistic research for dealing with large amounts of complex, multidimensional data sets. An innovative exploration into the future of LingVis in the digital age, this foundational book both provides a representation of the current state of the field and communicates its new possibilities for addressing complex linguistic questions across the larger linguistic community.
