KAYLYN REBEKAH

The Book of My Enemy Sourcebooks, Inc.

For the Colleys of southeastern Missouri, the War between the States is a plague that threatens devastation, despite the family's avowed neutrality. For eighteen-year-old Adair Colley, it is a nightmare that tears apart her family and forces her and her sisters to flee. The treachery of a fellow traveler, however, brings about her arrest, and she is caged with the criminal and deranged in a filthy women's prison. But young Adair finds that love can live even in a place of horror and despair. Her interrogator, a Union major, falls in love with her and vows to return for her when the fighting is over. Before he leaves for battle, he bestows upon her a precious gift: freedom. Now an escaped "enemy woman," Adair must make her harrowing way south buoyed by a promise . . . seeking a home and a family that may be nothing more than a memory.

Engaging the Enemy Penguin

Everything worth doing is going to have some obstacles. Some people look at setbacks as evidence that whatever it is they've been striving for just wasn't meant to be. But according to bestselling author and master motivator John Mason, the moment most people give up is the moment of their greatest opportunity. In this inspiring book, Mason gives readers fifty-two keys to never giving up on their dreams. He shows them how to ask the right questions when they are on the verge of quitting, how to avoid unnecessary trouble, and how to keep their energy level up in the face of setbacks. Whether readers are building a business, a family, a portfolio, or relationships, they'll find the strength and motivation to go on, break through, and claim the prize.

Let Go of Whatever Holds You Back Insight International, Inc. Best-selling author John Mason again launches an all-out attack on mediocrity with this sequel to his phenomenally popular book *An Enemy Called Average*. Divided into 52 "nuggets" of truth, *Conquering An Enemy Called Average* is a source of godly wisdom, scriptural motivation and practical principles. The words

of this book will break down the barriers to excellence in your life and release you to be all that God created you to be. Think about it... Imitation is limitation. Procrastination is the fertilizer that makes difficulties grow. Living a double life will get you nowhere twice as fast. If you chase two rabbits, both will escape. Adversity has advantages. Know your limits, then ignore them. The only place to start is where you are. There is no future in the past. Do what people say cannot be done. "Take the lid off" of an average lifestyle and live a life of excellence today!

Imaginary Enemy Del Rey

This runaway national best seller is one of the most quoted books in Christian circles. It is a established backlist bestseller, having sold over 400,000 copies. Written to those who refuse to accept mediocrity in their lives, its short, quick-hitting nuggets of truth allow readers to capture the power of the author's inspirational challenge to really live.

Brief Encounters with the Enemy Pan Macmillan

THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE STREAMING SERIES REACHER "A thriller that gallops at a breakneck pace."—Chicago Sun-Times Jack Reacher. Hero. Loner. Soldier. Soldier's son. An elite military cop, he was one of the army's brightest stars. But in every cop's life there is one case that changes everything. For Jack Reacher, this is that case. New Year's Day, 1990. In a North Carolina motel, a two-star general is found dead. His briefcase is missing. Nobody knows what was in it. Within minutes Reacher has his orders: Control the situation. Within hours the general's wife is murdered. Then the dominoes really start to fall. Somewhere inside the vast worldwide fortress that is the U.S. Army, Reacher is being set up as a fall guy with the worst enemies a man can have. But Reacher won't quit. He's fighting a new kind of war—against an enemy he didn't know he had. And against a conspiracy more chilling, ingenious, and treacherous than anyone could have guessed. The Enemy, like most of the books in the Jack Reacher series, can be read as a standalone thriller.

Know Your Limits - Then Ignore Them Insight International, Inc. Jane White goes by the pen name Gabriel when she writes letters to Bubba, her imaginary enemy. She's been writing to Bubba (short for Beelzebub) since second grade, blaming him every time something in her life goes wrong. It's never her fault! She doesn't want to admit that her impetuous behavior and smart-mouthed comments often land her in trouble. And now that she's a teenager, Jane's slacker ways exude an I-don't-care attitude. But Jane does care. She cares about fitting in at school; she cares that Sharp deMichael and his brothers next door think of her as normal and start excluding her from their offbeat plans; and she definitely cares the day she receives a letter from Bubba. How can an imaginary enemy write back? Just as the time comes for Jane to face her lifelong foe—she must also decide whether or not to assume responsibility for her actions.

Conquering an Enemy Called Average Thomas Nelson Inc Clive James has emerged as one of the most prominent poets of his generation, going on to publish works in such mainstream outlets as the TLS, the London Review of Books, the Spectator, the New Yorker and the Australian Book Review. This title is his collection of poems.

Enlightenment Now Simon and Schuster

Author of motivational books shows readers how to weave practical principles and Scripture to overcome obstacles in their lives.

Be Yourself--Discover the Life You Were Meant to Live Delacorte Press

Finally, an up-close look at our battlefield opponents of the Korean War, formidable enemies indeed.

Small Town, Big Magic Hachette UK

"One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

An Enemy Called Average Baker Books

Brief inspirational readings encourage readers to be the unique individual that God created them to be.

An Enemy Called Average (Updated and Expanded) Delacorte Press

Change your way of thinking and you can change your life. In *You Can Do It--Even If Others Say You Can't*, bestselling author John Mason offers readers inspirational truth in bite-sized pieces, making them easy to remember and apply to life's issues, big and small. He powerfully shows that the past does not equal the future and readers can live fruitful and fulfilling lives when they step forward in faith, believing that God will provide the means to accomplish the impossible.

Enemy Women Harper Collins

Sometimes, life isn't going the way we want it to because we're simply not asking the right questions. Our focus is on our circumstances or our problems. We're asking why me? when we should be asking what next? With his signature infectious positive energy, John Mason offers readers looking for direction this simple yet powerful message of encouragement and hope--you can seize today and uncover a brighter tomorrow. For anyone who feels stuck, who yearns for a change but isn't sure just how to pursue it, Mason shows that the most powerful tool we have is asking ourselves the right questions to get the right answers. These bite-sized readings are perfect for busy professionals, overworked moms, entrepreneurs, and anyone looking for an uplifting boost.

Messing with the Enemy Presidio Press

Know Your Limits-Then Ignore Them contains 101 "Nuggets of Truth" to help you break through barriers, reach new heights and live your dreams.

An Enemy Called Average Revell

Buku yang Anda pegang saat ini ditulis dengan satu asumsi optimis: Ego Anda bukanlah kekuatan yang harus Anda puaskan pada setiap kesempatan. Ego dapat diatur. Ego dapat diarahkan. Dalam buku ini, kita akan melihat orang-orang, seperti William Tecumseh Sherman, Katharine Graham, Jackie Robinson, Eleanor Roosevelt, Bill Walsh, Benjamin Franklin, Belisarius, Angela

Merkel, dan George C. Marshall. Bisakah mereka mendapatkan yang telah mereka dapatkan sekarang—menyelamatkan perusahaan yang hampir bangkrut, menguasai seni peperangan, menjaga kekompakan tim bisbol, merevolusi strategi rugby, melawan tirani, dan menghadapi ketidakberuntungan—jika ego menguasai mereka dan membuat mereka hanya memikirkan diri sendiri? Hal yang membuat mereka sukses adalah pemahaman terhadap realitas dan kesadaran—sesuatu yang pernah dikatakan oleh seorang penulis dan ahli strategi Robert Greene, “kita perlu menyerupai laba-laba dalam sarangnya”. Itulah inti dari kehebatan mereka, kehebatan penulisan, kehebatan desain, kehebatan bisnis, kehebatan dalam pemasaran, dan kehebatan kepemimpinan mereka. Yang kami temukan saat mempelajari orang-orang tersebut adalah mereka selalu memiliki dasar berpikir, berhati-hati, dan realistis. Tidak ada satu pun dari mereka yang tidak memiliki ego sama sekali. Akan tetapi, mereka tahu cara meredamnya. Tahu cara menyalurkannya dan melepaskannya, ketika ego muncul. Mereka hebat namun tetap rendah hati. Sebentar, tunggu dulu, tetapi ada juga beberapa orang yang memiliki ego tinggi dan sukses. Bagaimana dengan Steve Jobs? Kanye West? Beberapa dari mereka mempelajari kerendahan hati. Beberapa orang memilih ego. Beberapa mempersiapkan diri untuk perubahan nasib, positif ataupun negatif. Yang lainnya tidak siap. Yang mana yang akan Anda pilih? Akan menjadi siapakah Anda? Yang pasti, Anda telah memilih buku ini karena merasa bahwa Anda membutuhkan menjawab pertanyaan itu, cepat atau lambat, sadar atau tidak sadar.

[Book Lovers](#) HarperCollins

In *An Enemy Called Average*, John Mason presents principles to help you get from where you are to where your dreams are; ultimately breaking the chains of mediocrity. Imitation is Limitation HarperCollins Christian Publishing

In the frozen northlands of the embattled realm of Midkemia, fate can form strange alliances. It is nine long, bloody years into the

ongoing Riftwar that is tearing Midkemia asunder. Having survived a disastrous encounter with their sworn enemy, the Tsurani, Dennis Harcraft's cold, hungry, and exhausted Marauders arrive at a frontier garrison—at the same time as a Tsurani patrol. But a more devastating threat resides within the stronghold: moredhel, a migrating horde of dark elves so deadly and vicious that the only hope for survival is if bitter enemies band together and fight as one. Now two hostile groups must make their way to freedom, facing a common foe, braving the merciless elements, and haunted by the voice of conscience demanding, "what is more important, a man's life . . . or his honor?"

Honored Enemy Penguin

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. *THEY CALLED US ENEMY* is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.
