case in Tennessee puts her on the path of a gruesome serial killer in the New York Times bestselling author's romantic thriller. One by one, they will die. He has waited patiently, envisioning their final moments. Their tortured screams, their pleas for mercy—all will be in vain as he executes his sadistic plan. Homicide detective Julia Cass has witnessed plenty of crime scenes. But the murder of a Chattanooga judge is shocking in its brutality. Teamed with FBI agent Will Brannock, Julia delves into an investigation that soon unearths more bodies—all mutilated in the same way, all left with a gruesome souvenir of a killer's ruthless rage . . . The only way to stop the slaughter is to predict the next victim. But when you're dealing with vengeance at its most ruthless, one wrong move can make you a target . . . and the next word you utter could be your last . . .

Chasing Rainbows Pebble Books

Venture into Flora's fairytale land as the seasons change. Illustrations of lush springtime flowers give way to a verdant summer and bountiful autumn

which progress into a peaceful winter snowfall. People, sprites, and animals co-exist in this abundant garden. Let your mind come to rest as you color floral wreaths, sleeping fairies, fanciful houses, and busy bees. Includes a register for the plants and animals found within these pages, as well as twelve pages with Maria Trolle's signature white-on-black imagery. Maria Trolle is a graphic designer and illustrator living in Tyresö, outside Stockholm. Her passion for gardening acts as a thread to her art, with plants, vegetables, and flowers offering daily inspiration, preferably from her own garden. Flora is her third coloring book.

What About Moose?

Houghton Mifflin Harcourt Wanting to paint rainbows but lacking knowledge about key facts, Sally and Nick accompany the Cat in the Hat to the realm of King Kaleidoscope, who takes them on a colorful, three-dimensional adventure, in a story that is complemented by 3-D artwork and glasses. Original. TV tie-in. *Keechelus Dam Safety of Dams Modification, Yakima Project, Washington Chronicle* Books

The Andy Cohen Diaries

The megapopular host of

Watch What Happens:

Live and executive

producer of The Real Housewives franchise is back, better than ever, and telling stories that will keep his publicist up at night. Since the publication of his last book, Andy has toured the country with his sidekick Anderson Cooper, hit the radio waves with his own Sirius station, Radio Andy, appeared on Real Time with Bill Maher despite his mother's conviction he was not intellectually prepared, hosted NBC's Primetime New Year's Eve special, guest edited Entertainment Weekly, starred in Bravo's Then & Now with Andy Cohen, offended celebrities with his ongoing case of foot-in-mouth disease, and welcomed home Teresa "Namaste" Giudice, from a brief stint in jail.

Hopping from the Hamptons to the Manhattan dating world, the dog park to the red carpet, Cardinals superfan and mama's boy Andy Cohen, with Wacha in tow, is the kind of star that fans are dying to be friends with. This book gives them that chance. If The Andy Cohen Diaries was deemed "the literary equivalent of a Fresca and tequila" by Jimmy Fallon, Superficial is a double: dishier, juicier, and friskier. In this account of

his escapades—personal, professional, and behind-the-scenes—Andy tells us not only what goes down, but exactly what he thinks of it.

Move over, cats and dogs, there's a new animal in town! Behold: the goat. Happy Little Goats features photos of adorable goats living the good life and getting into trouble on a beautiful farm. Too cute to blame for eating all the oranges off the tree or climbing onto the roof, these endearing creatures will show you what a carefree life really looks like. With hilariously clueless captions from the cutest goats you've ever seen, this book will melt your heart, give you a good chuckle, and maybe even make you want a pet goat of your own.

America's Splendid Little Wars Fastcase Inc From the evacuation of Saigon in 1975 to the end of the twentieth century, the United States committed its forces to more than a dozen military operations. Offering a fresh analysis of the Iranian hostage

rescue attempt, the invasions of Granada and Panama, the first Gulf War, the missions in Somalia and Bosnia, and more, author and distinguished U.S. naval captain Peter Huchthausen presents a detailed history of each military engagement through eyewitness accounts, exhaustive research, and his unique insider perspective as an intelligence expert. This timely and riveting military history is "a must-read for anyone seeking to understand the nature of war today" (Stephen Trent Smith).

A Short History of U.S. Engagements from the Fall of Saigonto Baghdad Saint James Press When a failed engagement leads thirty-six-year-old Chaney Braxton from New York to Washington, she is determined to stay away from men until she meets twenty-eight-year-old Devin Rhym.

InfoWorld Random House Books for Young Readers The CliffsTestPrep series offers full-length practice exams that simulate the real tests; proven test-taking strategies to increase your chances at doing well; and thorough review exercises to help fill in any knowledge gaps.

characters, relationships, fiction, theme, and poetry Writing strategies — finding and correcting errors Writing conventions — writing an essay With guidance from the CliffsTestPrep series, you'll feel at home in any standardized-test environment!

Live Life Like a Kid! Dafina Books

House cleaning has been an innate human activity forever but only since the early 19th century have mechanical devices replaced the physical labor (performed mostly by women). Mechanical carpet sweepers were replaced by manual suction cleaners, which in turn were replaced by electric vacuum cleaners in the early 20th century. Innovative inventors, who improved vacuum cleaners as electricity became commonly available, made these advances possible. Many early manufacturers failed, but some, such as

Bissell, Hoover, Eureka and others, became household names as they competed for global dominance with improved features, performance and appearance. This book describes the fascinating people who made this possible, as well as the economic, cultural and technological contexts of their times. From obscure beginnings 200 years ago, vacuum cleaners have become an integral part of modern household culture.

Texas Advance Sheet February 2012 Saint Martin's Griffin

It takes a team to build a tree house—but what if that team includes one very bossy moose? When

Fox, Toad, Bear, Porcupine, and Skunk set out to build a tree house, they know just what to do: they'll follow a plan and they'll work as a team. But when bossy Moose barges in and upends their plans with some of his own, his friends become more and more frustrated...until things go hilariously awry! This lively rhyming picture book is pure, bouncy fun even as it imparts a subtle lesson about teamwork. Young readers will love to chant along: "But what about you, Moose!"
