Summary of "The Life-Changing Magic of Tidying Up" by Marie Kondo - Free book by QuickRead.com Coronet

A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep

(photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

*The Japanese Art* Ten Speed Press

We live life in the fast lane. We race to keep up with the Joneses. We are over-worked, over-connected and over-stressed, and we compete over how busy and important and sleep-deprived we are. But we don't have to. There's an ever-growing group of people opting out of a life lived at 110%. They are choosing to slow down, simplify, say no and focus on the things that are truly important. Brooke McAlary is one of them. Brooke McAlary shows readers that no matter how busy you are, you too can feel in control of your days; minimize stress; find pockets of peace on even the busiest day; empty your mind and sleep better.

*Destination Simple* shows us how a few changes to the flow of daily life can create long-term, lasting change.

[Summary of The Life-Changing Magic of Tidying Up](#) Hachette Books

This is a Summary of the #1 New York Times best-selling guide to decluttering your home from Japanese cleaning consultant Marie Kondo takes readers step-by-step through her revolutionary KonMari Method for simplifying, organizing, and storing. Made for those who find themselves drowning in clutter, *The Life Changing Magic of Tidying Up* by Marie Kondo is a must have. What makes this book special is that it delivers a whole new approach called the KonMari method when decluttering, arranging and storing items at home. Author, Marie Kondo, is a Japanese cleaning expert that takes organizing and tidying seriously. Unlike regular cleaning books where it's recommended to tackle clutter on a room-by-room basis, Kondo's self-developed and self-dubbed KonMari method deals with clutter using a category scheme. And it's effective according to the author, as so far, none of her clients have relapsed. The power of her method also speaks volumes as currently she's on a 3-month wait list. Guiding readers all the way, the KonMari Method helps tidiers find items that "spark joy" in their lives. These "joy-sparking" items are to be kept while the rest are let go. An international bestseller, this book will help readers clear all of the clutter they have. It can even help them find magic and most importantly, peace of mind in having a tidy home. What You'll Find Inside this Summary of *The Life Changing Magic of Tidying Up*:\* General Outline\* Important Characters\* Key Lessons\* Analysis This summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 226 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This is a summary that is not intended to be used without reference to the original book.

*The Japanese Art of Declutter to Organize Your Home* Life Head of Zeus Ltd

International tidying superstar and New York Times bestselling author Marie Kondo brings her unique method to young readers in this charming story about how tidying up creates space for joy in all parts of your life, co-written and illustrated by beloved children's book veteran Salina Yoon. The KonMari Method inspires a charming friendship story that is sure to spark joy! Kiki and Jax are best friends, but they couldn't be more different. The one thing they always agree on is how much fun they have together. But when things start to get in the way, can they make space for what has always sparked joy—each other?

#### **The Life-Changing Manga of Tidying Up** Bluebird

The follow-up to the New York Times bestselling *The Life-Changing Magic of Tidying Up*, from the star of the hit Netflix series *Tidying Up with Marie Kondo*. Japanese decluttering guru Marie Kondo has revolutionized homes--and lives--across the world. Now, Kondo presents an illustrated guide to her acclaimed KonMari Method, with step-by-step folding illustrations for everything from shirts to socks, plus drawings of perfectly organized drawers and closets. She also provides advice on frequently asked questions, such as whether to keep "necessary" items that may not bring you joy. With guidance on specific categories including kitchen tools, cleaning supplies, hobby goods, and digital photos, this comprehensive companion is sure to spark joy in anyone who wants to simplify their life.

#### **Spark Joy** Penguin

*The Life-Changing Magic of Tidying Up*: by Marie Kondo | Conversation Starters In our materialistic age, decluttering is essential, and Marie Kondo teaches how to do so to perfection. Having researched organizing and tidying homes and offices for years, Kondo today is a consultant who helps her clients keep their homes tidy and helps them organize their space effectively. *The Life Changing Magic of Tidying Up* discusses how to go about discarding what you don't require and how to organize what you do require. The rule of thumb is to keep what gives a spark of joy

and surround yourself with things that keep you happy. This book takes an extremely minimalist approach to cleaning up, which should be especially helpful for hoarders. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to.. Create Hours of Conversation: • Foster a deeper understanding of the book • Promote an atmosphere of discussion for groups • Assist in the study of the book, either individually or corporately • Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource to supplement the original book, enhancing your experience of *The Book Thief*. If you have not yet purchased a copy of the original book, please do before purchasing this unofficial Conversation Starters.

#### **Unstuff Your Life!** QuickRead.com

Summary of *The Life-Changing Magic of Tidying Up* Japanese cleaning advisor Marie Kondo takes cleaning to an entirely new level, promising that you can appropriately arrange and improve your home once, without the need to repeat the process in the future. Most strategies support a room-by-room or little-by-little approach, which tells you how to pick away at your heaps of stuff until the end of time. The KonMari Method, with its progressive classification framework, prompts long-term results. Kondo's book, *The Life-Changing Magic of Tidying Up*, is a smash-hit in Japan, Germany, and the U.K. Kondo favors a common technique to deal with cleaning up your stuff all at once; it uses a friendly way to help individuals toss their surplus belongings. Here at 'The Eye,' Kondo presents a part of the book, which states that those who are unable to detach themselves from their belongings will experience the ill effects of a past connection or nervousness about what's to come. Marie Kondo is a Japanese expert who has

spent most of her time in cleaning. In *The Life-Changing Magic of Tidying Up*, Kondo offers her simple cleaning strategy alongside a great quantity of knowledge about disarray, as well as information of its types and causes. In the same way, she tells her own particular story and explains how it drove her to create and refine her cleaning system; introduced in the book as the KonMari Method. Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc Get a copy of this summary and learn about the book.

*An Unexpected Key to Happiness* Crown Books for Young Readers In *Hoarders*, Durbin deftly traces the associations between hoarding and collective US traumas rooted in consumerism and the environment. Each poem is a prismatic portrait of a person and the beloved objects they hoard, from Barbies to snow globes to vintage Las Vegas memorabilia to rotting fruit to plants. Using reality television as a medium, Durbin conjures an uncanny space of attachments that reflects a cultural moment back to the reader in ways that are surreal and tender. In the absurdist tradition of Kafka and Beckett, *Hoarders* ultimately embraces with sympathy the difficulty and complexity of the human condition.

*The Japanese Art of Decluttering and Organising: an Illustrated Master Class* Life Changing Magic of Tidying Researched with the assistance of US and Indian intelligence agents, war correspondents and the crime veteran S. Hussain Zaidi, *The Bard of Blood* takes you on a thrilling journey from the power corridors of RAW to the war-torn terrain of Balochistan. In Delhi, ex-RAW boss Lieutenant General Sadiq Sheikh is killed by a double agent. Sadiq's killer is a man who knows too much and is part of a diabolical plot to create what might become the Third World War. In Mumbai, literature professor Kabir Anand is settling down into his new life, when a call from the PMO thrusts him back into the world he is trying hard to forget. A brilliant agent who served under Sadiq Sheikh, Kabir has been forced to leave RAW because of a disastrous mission in Balochistan in 2006 that was undertaken as part of the Indian secret service's covert support of the Balochi rebels against the Pakistan government. Kabir must now revisit those ghosts, avenge his mentor and face his deadliest enemies—Mullah Omar and the ISI—while racing against time to save his country.

Declutter your desk and brighten up your business with this transformative guide from an organizational psychologist and the #1 New York Times bestselling author of *The Life-Changing Magic of Tidying Up*. The workplace is a magnet for clutter and mess. Who hasn't felt drained by wasteful meetings, disorganized papers, endless emails, and unnecessary tasks? These are the modern-day hazards of working, and they can slowly drain the joy from work, limit our chances of career progress, and undermine our well-being. There is another way. In *Joy at Work*, bestselling author and Netflix star Marie Kondo and Rice University business professor Scott Sonenshein offer stories, studies, and strategies to help you eliminate clutter and make space for work that really matters. Using the world-renowned KonMari Method and cutting-edge research, *Joy at Work* will help you overcome the challenges of workplace mess and enjoy the productivity, success, and happiness that come with a tidy desk and mind.

*A Certain Style* The Life-Changing Magic of Tidying UpThe Japanese Art of Decluttering and Organizing

A professional organizer and life coach shows readers how to kick the clutter habit with his complete how-to guide to total organization Arguably the most organized man in America, sought-after coach Andrew J. Mellen has created unique, lasting techniques for streamlined living, bringing order out of chaos for the chronically overwhelmed everywhere. Acknowledging that it's often the "stuff behind the stuff" that holds people back, Mellen

offers a surprisingly simple, yet effective solution in his step-by-step guide, guaranteed to help achieve organizational bliss for everyone from perpetual key-misplacers to hard-core hoarders. From basement to bedroom, kitchen to car, and into every corner of life, Mellen's system yields lasting results. Discover how to: Never lose your keys or wallet again Stop mail, magazine, and paper pileups for good Feel empowered to tackle bills and budgets Reclaim space and time once dominated by clutter Built on the principle that we must distinguish ourselves from our possessions, *Unstuff Your Life!* starts with truly achievable goals and works toward the nightmare projects everyone tries hard to avoid. With humor, honesty, tough love, and foolproof advice, Mellen makes it easy to finally let go and embrace the decluttered life.

[The Longing for Less](#) Simon and Schuster

Marie Kondo will help you declutter your life with her new major Netflix series *Organise the World with Marie Kondo Spark Joy* is an in-depth, line illustrated, room-by-room guide to decluttering and organising your home, from bedrooms and kitchens to bathrooms and living rooms as well as a wide range of items in different categories, including clothes, photographs, paperwork, books, cutlery, cosmetics, shoes, bags, wallets and valuables. Charming line drawings explain how to properly organise drawers, wardrobes, cupboards and cabinets. The illustrations also show Ms Kondo's unique folding method, clearly showing how to fold anything from shirts, trousers and jackets to skirts, socks and bras. The secret to Marie Kondo's unique and simple KonMari tidying method is to focus on what you want to keep, not what you want to get rid of. Ask yourself if something 'sparks joy' and suddenly it becomes so much easier to understand if you really need it in your home and your life. When you surround yourself with things you love you will find that your whole life begins to change. Marie Kondo's first book, *The Life-Changing Magic of Tidying*, presents her unique tidying philosophy and introduces readers to the basics of her KonMari method. It has already transformed the homes and lives of millions of people around the world. *Spark Joy* is Marie Kondo's in-depth tidying masterclass, focusing on the detail of how to declutter and organise your home.
