The Walls of Troy Hachette UK

The “unparalleled romantic adventure”* of Nalini Singh’s New York Times bestselling series continues as a new dawn begins for the Psy-Changeling world... A staggering transformation has put the Psy, humans, and changelings at a crossroads. The Trinity Accord promises a new era of cooperation between disparate races and groups. It is a beacon of hope held together by many hands: old enemies, new allies, wary loners. But a century of distrust and suspicion can’t be so easily forgotten, and it threatens to shatter Trinity from within at any moment. As rival members vie for dominance, chaos and evil gather in the

shadows and a kidnapped woman’s cry for help washes up in San Francisco, while the Consortium turns its murderous gaze toward a child who is the embodiment of change, of love, of piercing hope: a child who is both Psy...and changeling. To find the lost and protect the vulnerable—and to save Trinity—no one can stand alone. This is a time of loyalty across divisions, of bonds woven into the heart and the soul, of heroes known and unknown standing back to back and holding the line. But is an allegiance of honor even possible with traitors lurking in their midst?

“An impressive debut . . . Vibrant and exuberantly romantic, *Affair* is chock full of details that reflect India’s social and cultural flux.”—NPR.org Mili Rathod hasn’t seen her husband in twenty years—not since she was promised to him at the age of four. Yet

marriage has allowed Mili a freedom rarely given to girls in her village. Her grandmother has even allowed her to leave India and study in America for eight months, all to make her the perfect modern wife. Which is exactly what Mili longs to be—if her husband would just come and claim her. Bollywood’s favorite director, Samir Rathod, has come to Michigan to secure a divorce for his older brother. Persuading a naïve village girl to sign the papers should be easy for someone with Samir’s tabloid-famous charm. But Mili is neither a fool nor a gold-digger. Open-hearted yet complex, she’s trying to reconcile her independence with cherished traditions. And before he can stop himself, Samir is immersed in Mili’s life—cooking her dal and rotis, escorting her to her roommate’s elaborate Indian wedding, and wondering where his loyalties and happiness lie. Heartfelt, witty, and thoroughly engaging, Sonali Dev’s debut is both a vivid exploration of modern India and a deeply honest story of love, in all its diversity. “Deeply-felt emotions that will keep readers turning the pages.”—Susan Elizabeth Phillips, New York Times-bestselling author “Debut author Sonali Dev writes a beautiful love story in *A Bollywood Affair* . . . One of the best romances I’ve read this year.”—USA Today

But eight years later, she returns, seeking familiarity as respite from the shattered remains of her new life. And despite the changes brought on by a bump in tourism--the shiny new welcome sign at the town line and a decidedly less shiny new police presence--Golden Cove appears much as it ever was: a small settlement on the savage West Coast of the South Island, populated by all the remembered faces and set against a backdrop of lush greenery, jagged cliffs, and crashing waves. Detective Will Gallagher knows all about ghosts; his own chased him out of a promising career in Christchurch, landing him as the sole cop in a quaint town where his most pressing concerns are petty theft and the occasional drunk. When Golden Cove resident Miri Hinewai goes out for a run and fails to return, Will finds himself heading up a missing person's search that rapidly escalates into an official investigation after this case is connected with similar ones from the past. As an outsider, Will begins to rely on Anahera's knowledge of the area and its residents to help him delve into Golden Cove's secrets, and to determine whether it shelters something far more dangerous than just an unforgiving landscape"--
