This is a completely new typeset of the monumental 1957 classic, containing an extensive historical and theological introduction and detailed in-text notations

by George R. Knight. Originally produced by the Ministerial Association of the General Conference of Seventh-day Adventists, *Questions on Doctrine* was widely acclaimed and distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation. As part of the Adventist Classic Library, Knight's essays provide the background for how the book came about and describes the interaction of the principal players involved in the crisis that shelved this classic work for more than a generation.

Two men in the field. One is taken ...the other left. In Matthew 24, Jesus Christ reveals who the lost and the saved will be at the end of time. But what did He mean when He said that some would be taken--and some would be left? For ages prophecy teachers have offered contradictory explanations of this enigmatic passage. The popular rapture theory, for instance, says that those who are left are the unbelievers. Others say differently. But how can we know if one position or another is truly supported by Scripture? Typically, this debate centers exclusively on the context of the passage, yet in this case, context alone can be twisted any number of ways. That's why in this timely study, theologian Stephen Bohr approaches the issue by walking through both the Old and New Testaments to examine how the people in Jesus' time and throughout the Bible would have understood these terms. Step by step, he builds an ironclad case that will carry you to a carefully researched conclusion that you can trust--giving you a powerful foundation that will help open up Bible prophecy to you like never before.

The Faith I Live by Review and Herald Publishing Company

The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such "habits of grace" are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it's hearing God's voice (the Word), having his ear (prayer), or participating in his

body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God's children today.

It addresses the physical, spiritual, intellectual, and emotional lives of modern people. It offers lessons about life through the stories of heroic yet often flawed characters"--

The Book of Job Collins

The Bible is not a fairy tale that ends with "and they all lived happily ever after." It doesn't gloss over the tragedies in life. The Bible tells it like it is: the good, the bad, and the ugly. Among the many stories found in Scripture, few depict all these elements more clearly than the life of Job. Although he was blameless and served God, he had more than his share of trouble. He learned from bitter experience that following God is no guarantee of an easy life. In fact-, usually the opposite is true. But God promises that our end will be better than our beginning if we build

our lives on the foundation that He has laid: Jesus Christ, the Righteous Redeemer. In the midst of his despair, Job confidently states, "I know that my redeemer lives, and that in the end he will stand on the earth. And after my skin has been destroyed, yet in my flesh I will see God." This is the end God has in mind for us, life eternal in the earth made new! Book jacket.
