With the  
writing chops  
of Ian McEwan

and the story-craft of Lisa Wingate, Karen Kelly weaves a shattering debut about two intertwined families and the secrets that they buried during the gilded, glory days of Bethlehem, PA. “A haunting debut.” —Georgia Hunter, New York Times bestselling author of *We Were the Lucky Ones* “Karen Kelly is the real deal.” —Mark Sullivan, New York Times and USA

Today bestselling author of *Beneath a Scarlet Sky* A young woman arrives at the grand ancestral home of her husband’s family, hoping to fortify her cracking marriage. But what she finds is not what she expected: tragedy haunts the hallways, whispering of heartache and a past she never knew existed. Inspired by the true titans of the steel-boom era, Bethlehem is a story of

temptation and regret, a story of secrets and the cost of keeping them, a story of forgiveness. It is the story of two complex women—thrown together in the name of family—who, in coming to understand each other, come finally to understand themselves.

American Library Association While working for her bail bondsman cousin, Vinnie, Trenton, New Jersey, bounty

hunter Stephanie Plum finds herself hot on the trail of a revenge-seeking waitress who seems to be leaving a wide swath of murder and mayhem wherever she goes. Reprint. Tour. Cul-de-Sac People St. Martin's Press White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence. Almost 2,000 annotations and

biographical synopses of major American, British, and European authors make this a unique reference work and essential acquisition for both the scholar of popular culture and the general reader. In addition, its appendices--such as Series Characters, References, and Craft Notes by novelists and trial lawyers--are certain to make this the definitive source of reference for

courtroom drama in English or translation. new series Greenwood Publishing Group Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the

fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor; young or old;

conservative or liberal. So are the heroines. What incredible choices there are today in mystery series! This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were

covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s (298 of whom were covered in Volume 2) and easily exceeded the 347 series (and some outstanding individuals) described in Volume 1, which covered

a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition; changes in status, short reviews of books published since the first edition through December 31, 2008.

The captain was a madwoman with a scattergun. The soldiers were a whore, a surveyor's

assistant, a writer, a crusty old Irishman, two murderous brothers, a criminal, and a county hunter. And the only way out of the mountains was on a frigid river that flowed toward the Missouri--a river running with blood. Texas-born Cole Anthem was the bounty hunter. He had followed an outlaw right into the middle of a major Indian uprising and a battle that turned into a slaughter.

Now Cole and the other survivors of a raging Cheyenne war are taking the only chance they have: riding a woman's keelboat toward safety. But up and down the Rogue, a glory-mad chief hasn't given up. His warriors are armed and waiting--to spill the white men's blood...  
*St. Martin Family Saga*  
Presses Univ. Franche-Comté  
Presents a comprehensive guide for librarians and

readers' advisors, provides a brief history of the romance novel, and offers reading lists and subgenre definitions. Chasing Lucky Score(St. Martin Family Saga) Book 1 Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more "literary" guides. Provides high school and college students with everything

they need to know to understand the authors and works of American popular fiction. **When Sparks Fly** House of Nehesi This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the

most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality. **Sequels** Gina Watson A guide to series fiction lists popular series, identifies novels by character, and offers guidance on

the order in which to read unnumbered series.

An Annotated Guide to Novels for Adults and Young Adults  
BRILL

Charming, hilarious, and emotional...When Sparks Fly is Helena Hunting at her very best! Avery Spark is living her best life. Between her friends, her sisters, and Spark House, the event hotel her family owns, she doesn't have much time for anything else, especially relationships.

She'd rather hang out with her best friend and roommate, Declan McCormick, than deal with the dating scene. But everything changes when she is in a car accident and needs someone to care for her as she heals. Declan avoids relationships, giving him a playboy reputation that he lives up to when he puts a one-night stand ahead of a promise he made to Avery. While he may not

have been the one driving the car, he feels responsible for Avery's injuries and is determined to make it up to her by stepping into the role of caretaker. Little did they know that the more time they spend in compromising positions, the attraction they've been refusing to acknowledge becomes impossible to ignore. When they finally give in to the spark between them, neither is prepared for the

consequences  
. Their love is  
fragile and all  
it will take is a  
blow from the  
past to shatter  
it all.

 \*\*\* He was  
 handsome,  
 sexy,  
 confident, and  
 a complete  
 bastard. So  
 what was she  
 doing in his  
 bed? Hadn't  
 he proved to  
 her again and  
 again that all  
 he was good  
 for was  
 bringing her  
 pain. To be  
 fair, last night  
 she'd felt no  
 pain, only  
 pleasure. \*\*\*  
 Caleb sensed  
 the warm

naked body in  
 bed next to  
 him. He knew  
 it was Chloe  
 but what he  
 couldn't figure  
 out was why.  
 He'd grown up  
 next door to  
 her, had  
 teased her  
 relentlessly.  
 And she'd  
 hated him for  
 it. Memories  
 from last night  
 of the curves  
 she'd grown  
 into had his  
 mouth going  
 dry. He'd had  
 no words with  
 which to  
 tease, all he  
 could do was  
 moan. \*\*\* Had  
 Chloe actually  
 had sex with a  
 man she'd  
 hated for a  
 decade? A full  
 percussion

section was  
 banging in  
 Chloe's head  
 as the  
 memories  
 came to her in  
 pieces . . .  
 martinis,  
 dancing, his  
 hands, his  
 hardness.  
 God, he'd  
 been solid  
 male muscle.  
 This can't be  
 happening.  
 Hadn't she  
 made a  
 commitment  
 to herself to  
 settle the  
 score with  
 Caleb if given  
 the chance?  
 Instead, she  
 was right back  
 where she  
 was all those  
 years ago,  
 panting after  
 him in all of  
 his

unobtainable glory. To spread awareness for ALS, this book is free. In the book, Chloe is a speech language pathologist. She has a patient with ALS who is also a friend of the family. Follow her in her quest to increase his quality of life through the use of communication boards. Read how Chloe and Cal must work together to complete a video for the family before it's too late.  
\*\*\* WHEN

HATE RUNS DEEP, DESIRE RUNS DEEPER  
\*\*\* I loved this book. I couldn't put it down. The sex was hot and part of the story—Between the Sheets book blog, on Score I absolutely love, love, love, the St. Martin men. All are macho, overconfident, alpha, bad boy millionaires—Amazon Review, on Shameless The story line was really good I couldn't put the book down. The characters were very well

developed—Reviews by Bre, on Score I burned up on re-entry. The ending is a so hot I had to take it slow or risk self combustion—Amazon Review, on Shameless

heart, but  
when that  
backfires not  
once, but  
twice,  
changes are in  
store for this  
Mr. Play It  
Safe. He's  
instantly  
attracted to  
Jenny's  
uninhibited  
sexuality but  
soon learns  
that together,  
they are  
highly  
combustible.  
Jenny thinks  
Campbell is a  
bastard and  
she doesn't  
mind putting

him in his  
place. What  
he needs is a  
hard slap  
across the  
face, which  
Jenny is willing  
to provide  
even if it  
means the  
loss of her job,  
but it doesn't.  
Instead, their  
chemistry  
forces them  
together in a  
physical  
relationship  
that neither of  
them will ever  
forget. Is it  
possible to  
build on a  
relationship  
that started  
from lust?
