*The Celestine Prophecy* Harper Collins

Multi-cultural, multi-historical, and spanning man's faith across time, The Final Book is a controversial and blasphemous last chapter of humanity. In the beginning there was love. The Goddess of Life in an elated romance with a beloved mortal. Her sister killed him. Their combined actions ripping a hole in destiny and plaguing mankind with an age of unprecedented corruption, vicious holy wars, and religious absolution. Though long forgotten by the mortals they serve, Zeus and his Pantheon continue to foster and protect mankind which is tearing itself apart—but even

God isn't infallible. After failed diplomacy, the King of the Gods is left with no choice but to take the persona of a modern man—the famed genetic scientist Dr. Hork. In an effort to preserve the future by reshaping the past, Dr. Hork uses Project Genesis—the transfer of consciousness—to send subjects back in time. However, not without devastating failures. Subjects of the experiment wreak havoc upon humanity until a familiar character is reborn to correct the course. Reincarnated and ready to fulfill his true destiny, Joshua Bach is the catalyst the Gods have been waiting for—and Dr. Hork's final beacon of salvation. Ferociously idealistic, the free-spirited young man struggles to come-of-age in a time and society ruled by money and corruption. Under the wing of the Gods, Josh rediscovers his purpose, along with a love that can only be considered timeless. Set in three periods—modern day, the 1960s, and ancient Mesopotamia—this epic blends human history, ruthless mythology, science fiction, and the supernatural to tell a love story of the future.

An experiential guide to the spiritual path of the Holy Grail • Traces the evolution of the Holy Grail from the sacred vessel of the Celtic goddess to the Cup of Christ and how it represents the longing for the divine feminine • Provides exercises, meditations, and rituals to connect you with the powers of the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail • Explains how attaining the Grail brings full consciousness

of the soul and Divine influence for the healing of self and others. The primary myth of Western culture, the quest for the Holy Grail persists through the centuries like a recurring dream, embodying the longing for the divine feminine suppressed for more than two thousand years. The Holy Grail emerged not only as a symbol of the feminine but also as a symbol of the soul, for hidden within the sacred Grail legends lies an initiatory path that leads to the highest realms of consciousness and spiritual illumination. By working with the symbols of the Grail tradition we can gaze into our own hidden depths and heal the separation between masculine and feminine, Spirit and Matter, and Heaven and Earth. Mara Freeman traces the evolution of the Grail from the sacred vessel of the Celtic goddess to the Cup of Christ, revealing a spiritual path rooted in the mysteries of the Goddess, the Grail, and the Sword. She explains how the Sword has dominated over the Goddess and the Grail for far too long, leading to a spiritual wasteland as foretold in the Grail stories. She provides a practical workbook of exercises, visualizations, and magical rituals to restore the power of the divine feminine through spiritually transformative experiences with the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail itself. Drawing on folk traditions and medieval Arthurian romances as well as alchemy and the wisdom of the mystics of Glastonbury, Freeman reveals the ancient Celtic teachings of the Western Mystery tradition. She shows that attaining the Grail involves achieving full consciousness of the soul. Then, as a Grail-bearer, you can bring the light of the Grail into the world for the healing of self and others.
