Currie breaks down the "Four Modes of Verbal Communication" to help readers better understand why men exhibit the behavior they do towards the women they are either interested in dating or having a few episodes of casual sex with.

The Man of Mode The Creative Company
An electrifying biography of one of the most extraordinary scientists of the twentieth century and the world he made. The smartphones in our pockets and computers like brains. The vagaries of game theory and evolutionary biology. Nuclear weapons and self-replicating spacecrafts. All bear the fingerprints of one remarkable, yet largely overlooked, man: John von Neumann. Born in Budapest at the turn of the century, von Neumann is one of the most influential scientists to

have ever lived. A child prodigy, he mastered calculus by the age of eight, and in high school made lasting contributions to mathematics. In Germany, where he helped lay the foundations of quantum mechanics, and later at Princeton, von Neumann's colleagues believed he had the fastest brain on the planet—bar none. He was instrumental in the Manhattan Project and the design of the atom bomb; he helped formulate the bedrock of Cold War geopolitics and modern economic theory; he created the first ever programmable

digital computer; he prophesized the potential of nanotechnology; and, from his deathbed, he expounded on the limits of brains and computers—and how they might be overcome. Taking us on an astonishing journey, Ananyo Bhattacharya explores how a combination of genius and unique historical circumstance allowed a single man to sweep through a stunningly diverse array of fields, sparking revolutions wherever he went. *The Man from the Future* is an insightful and thrilling intellectual biography of the visionary thinker who shaped our century.

A group biography of seven enduring and beloved games, and the story of why—and how—we play them. Checkers, backgammon, chess, and Go. Poker, Scrabble, and bridge. These seven games, ancient and modern, fascinate millions of people worldwide. In *Seven Games*, Oliver Roeder charts their origins and historical

importance, the delightful arcana of their rules, and the ways their design makes them pleasurable. Roeder introduces thrilling competitors, such as evangelical minister Marion Tinsley, who across forty years lost only three games of checkers; Shusai, the Master, the last Go champion of imperial Japan, defending tradition against “modern rationalism”; and an IBM engineer who created a backgammon program so capable at self-learning that NASA used it on the space shuttle. He delves into the history and lore of each game: backgammon boards in ancient Egypt, the Indian origins of chess, how certain shells from a particular beach in Japan make the finest white Go stones. Beyond the cultural and personal stories, Roeder explores why games, seemingly trivial pastimes, speak so deeply to the human soul. He introduces an early philosopher of games, the aptly named Bernard Suits, and visits an Oxford cosmologist who has perfected a computer that can effectively play bridge, a game as complicated as human language itself. Throughout, Roeder tells the compelling story of how humans, pursuing scientific glory and competitive advantage, have

invented AI programs better than any human player, and what that means for the games—and for us. Funny, fascinating, and profound, *Seven Games* is a story of obsession, psychology, history, and how play makes us human.

Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called “as memorable an introduction to the subject as *The Diary of Anne Frank*.” Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a

friendship that has devastating consequences.

Verbal brilliance, urbane sophistication and sexual conquest are the measures of success for the fashionable set who watched themselves being represented on the Restoration stage. Yet idealisation and satire, as this edition of Etherege's masterpiece shows, are flip sides of the same coin, and the play betrays deep anxieties about ridicule and social failure. Any London beau would emulate Dorimant, the unconscionable rake who loves 'em and leaves 'em, but he would also secretly fear that he in fact resembled Sir Fopling Flutter, the model of all Restoration fops, in his vanity and affectation. The women fare no better, being offered for identification Dorimant's discarded mistress Loveit, scheming for revenge, or the beautiful but hard-headed Harriet, who dares Dorimant to woo her in the country, for 'I know all beyond Hyde Park is a desert to you and that no gallantry can draw you farther'.

The Conscious Lovers Cambridge University Press

Arguably the most perfectly poised of Restoration wit comedies, *The Man of Mode* is a finished exercise in dramatic sprezzatura, or nonchalance, matching the beguiling 'easiness' and 'complaisance' of its central character. The play's imaginative brilliance depends upon its author's ability to hint at the dark abyss of passion and emotional violence at whose edge the modish denizens of the town perform their graceful ballet. Its seemingly casual construction and wanton breaches of comic decorum mask a ferocious artistic control designed to upset the complacency of the audience's moral, social and aesthetic assumptions by luring them into sympathy for a character whose dangerous 'wildness' they ought to deplore. It is at once among the funniest and the most unsettling of comedies in English. The full, modernized play text is accompanied by incisive commentary notes, while its engaging introduction unpacks the complexity of the Restoration's political and theatrical context, analyses the play's performance history (including Nicholas Hytner's 2007 modern-dress version) and demonstrates Etherege's linguistic finesse. This edition is

supplemented by a plot summary and an annotated bibliography. The New Mermaids plays offer: · Modernized versions of the play text edited to the highest textual standards · Fully annotated student editions with obscure words explained and critical, contextual and staging insight provided on each page · Full Introductions analyzing context, themes, author background and stage history

English Prose W. W. Norton & Company
John Dryden's play has rarely, if ever, been published with the included sheet music, rendering performances difficult. This edition has crisp new copies of the songs "Whilst Alexis Lay Pressed" and "Why Should a Foolish Marriage Vow" transcribed from the original 17th century printings. *Marriage à-la-Mode* was first performed in London in 1673 by the King's Company. It is written in a combination of prose, blank verse and heroic couplets. It has often been praised as Dryden's best comedic endeavour, and it's said that "the comic scenes are beautifully written, and Dryden has taken care to connect them with the serious plot by a number of effective links. He writes with . . . one of

the most thoughtful treatments of sex and marriage that Restoration comedy can show."The play contains two songs, "Why Should a Foolish Marriage Vow" by Robert Smith and "Whilst Alexis Lay Pressed" by Nicholas Staggins, both set to Dryden's lyrics and printed in the 1673 book *Choice Songs and Ayres for One Voyce to Sing to the Theorbo-Lute or Bass-Viol*.

The five plays included in this volume William Wycherley's "The Country Wife," Sir George Etherege's "The Man of Mode," William Congreve's "The Way of the World," Sir Richard Steele's "The Conscious Lovers" and Richard B. Sheridan's "The School for Scandal" are the most distinguished comedies written during an especially exciting and innovative period in the London theater and English society. This Norton critical edition offers an authoritative text for each play and a unique collection of documents and critical essays (ranging from Charles Lamb to the present) for a deeper understanding of them.

Even among the richly talented generation who wrote for the stage during the Restoration, Etherege was, from the start, considered to be a very special kind of innovator. His first play, *The Comical Revenge* (1664), with its partisan portrait of the Cavalier gentry during the last years of the Revolution and its bravura interweaving of four separate plots, deftly caught an early Restoration mood and enjoyed great popularity. Its successor, *She Would if She Could* (1668), marks a deliberate change in direction. Audiences, expecting a sequel more akin to *The Comical Revenge*, were at first faltering in their response, but by 1671 Thomas Shadwell was confidently calling it the best comedy to have been written since the return of the king in 1660. Etherege's masterpiece, however, is his last play, *The Man of Mode* (1676), which in clarity of vision and freshness of detail surpasses both its predecessors and in the early

years of the eighteenth century became a central text in the debate about the worth of Restoration comedy. This edition includes annotated texts of all three plays, prefaced by an account of Etherege's life and the reception of his plays on the stage and in criticism.

Or, Sr. Fopling Flutter. A Comedy. By Sir George Etherege Penguin UK

This collaborative masterpiece of hilarious city comedy was performed by the Children of the Revels at the Blackfriars playhouse in 1605. The story is of an allegorical simplicity that lends itself to satire of civic mores and traditions as well as to parody of the sentimental, idealising London comedy presented at the amphitheatres in the suburbs: Goldsmith Touchstone, an upright London citizen, has one modest and one ambitious daughter, one righteous and one disreputable apprentice; virtue is rewarded, ruthlessness comes to grief - and receives a drenching in the muddy Thames. The introduction to this edition discusses various methods of establishing authorship and highlights the irony of the collaborators' comic vision of contemporary London life.

Marriage À la Mode Hassell Street Press
This Concise Companion presents fresh

perspectives on eighteenth-century literature. Contributes to current debates in the field on subjects such as the public sphere, travel and exploration, scientific rhetoric, gender and the book trade, and historical versus literary perceptions of life on London streets. Searches out connections between the remarkable number of new genres that appeared in the eighteenth century. Crosses conventional disciplinary lines. Demonstrates that philosophy, history, politics and social theory both influence and are influenced by literature.

Early Modern English Dialogues A&C Black
Okonkwo is the greatest warrior alive, famous throughout West Africa. But when

he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.
