Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they

identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Dan was a devoted and loving husband. His only desire in life was to provide for his wife in every way, shape, and form. When they went on vacation, he took the opportunity to find something special for her, something very special - a handsome man to make love to her. She at first expresses her objection to the idea, yet soon realizes how much her husband would love her to experience it. As his loving wife, she bends to his desire for just this once. After she's had a taste of what it's like to be made love to by a perfect male specimen, she learns to feed her husband's desire to see it happen again. In the process, she manages to subtly transform her loving husband's role into that of a serving, and catering servant while at the same time, he finds out what his true desires have been all along when he enters a new world of male chastity and feminization, suggested by his wife.

Together, they learn how to overcome societal taboos and beliefs

by putting aside male ego and the perceived need for monogamous relationships. They experience ecstasy beyond belief and their daily lives become filled with sensuality and excitement. Is he then a cuckold, or is he just a man trying to get the most out of life for the love of his life? Is she a slut wife, or is she just a woman taking advantage of the gifts a woman has to experience bliss? Is he no longer a man, or has he transcended the stereotype of what a real man is and achieved true courage by becoming a feminized male? How many women would ever think of feminizing men to obtain the things they deserve to have and immerse themselves in unending blissful experiences, heretofore unheard of, by becoming a hot wife? Look inside and start reading now. It might change the way you look at things. If it does, the things you look at might change as well.

"Are you nervous?" Olivia inquired. "It sounds like you are nervous." "Yes," Aaron admitted. "Hmmm," she purred, pleased with his reaction. "Spread your legs a bit farther apart." She pressed the tip of the riding crop against his inner thigh and held it there. "Are you nervous now?" He swallowed hard. "Y-yes," he stammered. She laughed, and with a satisfied smile on her face, she slid the riding crop slowly upward. "Now. I believe that I told you that I was going to whip you. Do you recall that?" "Yes, I do." "Right. I assume that when you thought about it, you pictured it in your mind. You imagined it." "Yes, I did." "And so for the past couple of days it has been in your mind." "Yes," he replied, his fear becoming more apparent with every passing moment. "And when you were getting ready this evening, to come here? When you were taking a shower, shaving, strapping the harness on,

getting dressed, you were thinking about it, weren't you? You were anticipating it." "Yes," he replied. "Good. I find anticipation to be quite ... delicious. And I so love the thought of you making yourself as attractive as possible, and coming here just so that you might present yourself to me to be whipped. Olivia is going to enjoy having her way with Aaron, a man who wandered into her life, unsuspecting, and unprepared. She begins by giving him a cute nickname, "dickboy," which is just the start of her process of re-making his entire identity. By the time she is done, he will fully appreciate her authority to do with him as she pleases.

John is a college student currently separated from his fiancée Laura, while she begins a hot sexual affair with her roommate

Christine. Though John is anxious to have Laura back, with Christine now a permanent fixture in Laura's life, the terms of the relationship are about to radically change. Either John agrees to be submissive in a menage a trois with two dominant females, or he's out. Eager to stay in Laura's good graces John agrees to anything, including public humiliation, panty wearing, and Laura's unique punishment for unauthorized masturbation: a locking chastity device. She tricks him into putting it on, not telling him that Christine has the keys. Later he learns from Christine that a key has been hidden in his weekend bag all along. But now, the demanding Christine wants him to consciously choose to remain in chastity! John can't help wonder who's running the relationship, Laura or Christine? As the two femmes take charge, John is trained to serve their every whim, to call them mistress, and play their humiliating sexual games. When he fails to please this daunting duo, he suffers a variety of painful punishments from bondage to whipping to being sodomized with a strap-on. Despite the rough demands of his new life, John finds his surrendering role strangely pleasing, and highly erotic. All misgivings aside, he's still in love with Laura, and willing to slavishly serve both women in order to have her. But how long can this strange menage a trois survive? Will John ever have Laura to himself again? Is Christine really falling in love with him? Although John's journey into chastity has just begun, it's certain to take some curious twists as these two lovely, in charge females turn this wary college boy into their groveling slave.
