The History of

American Foreign Policy | Boundless ...

In the period between World War I and World War II, the US's foreign policy was characterized by isolationism, which meant it preferred to be isolated from the affairs of other countries. The ideological goals of the fascist powers in Europe during World War II and the growing aggression of Germany led many Americans to fear for the security of

their nation, and thus call for an end to the US policy of isolationism.

American Foreign Policy Since World War II by Spanier, John

In their thoroughly revised 16th edition of American Foreign Policy, Steven W. Hook and John Spanier explore the conduct of American foreign policy at this crucial period in the nation's history by: closely examining the causes and

implications of September 11th. No other event since World War II has so changed the face of American foreign policy, extending its security strategy beyond the system of states that defined international relations since the signing of the Treaty of Westphalia in 1648.
