The Showstone Harper

A brilliant neuroscientist, obsessed with death since his own childhood near death experience, resorts to drastic measures to prove the existence of the afterlife. Milan, Italy today. It is the most serious crisis that the world has ever faced. Bewildered, young and old, believers and atheists are asking all the same, distressing questions: What will they do now that the greatest dream of humanity has turned into a nightmare? What will happen when the countdown clock winds to zero? Boston, a few months before. It is the most complex investigation that Cyrus O'Malley has ever faced. The FBI special agent looks at photos of the victims for the umpteenth time and wonders why, after being strangled, the serial killer has drilled a tiny hole through their skull. For Cyrus, the case becomes an obsession. To solve it, he will be forced to give up everything he holds dear. England, 1988. It is the most overwhelming feeling that Alex Weller has ever had. In ecstasy, at the pivot point between life and death, the boy sees a river of light flowing in front of him and on the other side there is his father, joyfully urging him to join him. But Alex cannot move, and suddenly he is back at the site of the terrible car accident that has just killed his parents. Since that time, Alex has had only one goal: to understand and relive that experience. Even if he is forced to kill.

The Luminaries Crossway

From the acclaimed author of the international sensation *Library of the Dead* comes a nail-biting new thriller that spans the globe and reaches back through the centuries in a dangerous, breathless search for the answer to one of history's most provocative and intriguing questions: Does the Holy Grail exist? Fifteenth-century England. For centuries, rulers, clerics, scholars and adventurers have searched in vain for the sacred cup from which Christ drank at the Last Supper. Locked up in a cold, damp cell, the knight Thomas Malory is despondent: he has failed in his quest to recover the Grail. He decides to write his famed work *Le Morte D'Arthur*, hiding within his tale of King Arthur and the Knights of the Round Table an enormous secret: the key to finding the Grail. England, present day. Arthur Malory, a scientist and amateur archaeologist, has just seen his best friend die at the hands of a ruthless murderer. It all started with a phone call about a potential sensational discovery about their shared passion: the Holy Grail. And now the killers are after Arthur . . . Thrust into a life-or-death quest to find the precious artifact, Arthur must follow a chain of clues left by his illustrious ancestor, Thomas Malory. His quest spans the centuries and takes him to King Arthur's Cornwall, Renaissance England, the Sagrada Familia in Barcelona, a modern physics lab in Modane, France, and ultimately, inevitably, to Jerusalem and the legendary tomb of Christ. The *Resurrection Maker* effortlessly blends history, science, and explosive questions in a page-turning adventure that takes us to the heart of mysterious forces dating to the very origin of the universe. Readers will be treated

to smarts, thrills, and nonstop entertainment in this irresistible treasure hunt of a story, the next blockbuster from the writer who has been called "the Indiana Jones of literature." PRAISE FOR GLENN COOPER'S LIBRARY OF THE DEAD: "Both incandescent and explosive. A seamless blend of modern-day thriller and historical mystery with an ending that left me breathless. New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is "God's purposeful sovereignty." Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from Genesis to Revelation—to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God's mission in this world.

Three Tales of Coven Tree Crossway

The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (*The Guardian*) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a

wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

Will Piper #3 Harper Collins

A Newbery Honor Book that the New York Times called "an eerie delight," *The Wish Giver* is an engaging literary folk story about those who get what they wish for—whether they want it or not.

The people of Coven Tree are no strangers to magic. In fact, the town's very name comes from a gnarled old tree where covens of witches used to gather. Even now, imps and fiends continue to appear, frightening the townsfolk with their devilish pranks. Usually these creatures are easy to spot. They have a particular smell, or sound, or way of moving, that betrays their dark nature. But Thaddeus Blinn showed none of these signs when he came to Coven Tree. He was just a funny little man who drifted into town with a strange tale about being able to give people whatever they wished—for only fifty cents. There was nothing scary about him. At least, not until the wishing began...

Showing the Supremacy of God in All of Life Little, Brown

"This is a time when the fragile form of this world is felt. The seemingly solid foundations are shaking. The question we should be asking is, Do we have a Rock under our feet? A Rock that cannot be shaken—ever?" —John Piper On January 11, 2020, a novel coronavirus (COVID-19) reportedly claimed its first victim in the Hubei province of China. By March 11, 2020, the World Health Organization had declared a global pandemic. In the midst of this fear and uncertainty, it is natural to wonder what God is doing. In *Coronavirus and Christ*, John Piper invites readers around the world to stand on the solid Rock, who is Jesus Christ, in whom our souls can be sustained by the sovereign God who ordains, governs, and reigns over all things to accomplish his wise and good purposes for those who trust in him. What is God doing through the coronavirus? Piper offers six biblical answers to that question, showing us that God is at work in this moment in history.
