From the award-winning author Matt Dymerski comes a connected anthology of thirty stories that delve deep into the existential agony of our technological era. Tales told with a unique blend of science fiction and horror explore what it means to be human and vulnerable in the face of threats larger than we can comprehend. Headlining this anthology is A SHATTERED LIFE, winner of Story of the Month for January 2018, and 7th ranked story of all time on

reddit.com/r/nosleep at the time of this publication. A Shattered Life is the story of a man with a very unique affliction: something horrible and unknown has broken his life into pieces around him, and he must find a way to stitch his days back together before time runs out. Following that are twenty-seven tales woven into the fabric of the life of one man as he grows up and struggles to find his purpose while the evil of μ-βμ slowly spreads throughout the world. His is a land filled with horrifying creatures rising on one side and society steadily going mad on the other. From the author who brought you the Best Series of 2012 and the Best Story of 2017, A

SHATTERED LIFE AND OTHER STORIES will leave your heart pounding and your mind questioning everything you've been told.

Are you at risk of being scammed?

Former con artist and bestselling author of *Catch Me If You Can* Frank Abagnale shows you how to stop scammers in their tracks. Maybe you're wondering how to make the scam phone calls stop. Perhaps someone has stolen your credit card number. Or you've been a victim of identity theft. Even if you haven't yet been the target of a crime, con artists are always out there, waiting for the right moment to steal your information, your money, and your life. As one of the world's most respected authorities on the subjects of fraud, forgery, and cyber

security, Frank Abagnale knows how scammers work. In *Scam Me If You Can*, he reveals the latest tricks that today's scammers, hackers, and con artists use to steal your money and personal information--often online and over the phone. Using plain language and vivid examples, Abagnale reveals hundreds of tips, including:

- The best way to protect your phone from being hacked
- The only time you should ever use a debit card
- The one type of photo you should never post on social media
- The only conditions under which you should use WiFi networks at the airport
- The safest way to use an ATM

With his simple but counterintuitive rules, Abagnale also makes use of his insider intel to paint a picture of cybercrimes that haven't become widespread yet.

A Novel Macmillan

The New York Times bestselling author of *Bird Box* returns with a supernatural thriller of love, redemption, and murder. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEWSWEEK “This one haunts you for reasons you can’t quite put your finger on. . . . [Josh Malerman] defies categories and comparisons with other writers.”—Kirkus Reviews Carol Evers is a woman with a dark secret. She has died many times . . . but her many

deaths are not final: They are comas, a waking slumber indistinguishable from death, each lasting days. Only two people know of Carol's eerie condition. One is her husband, Dwight, who married Carol for her fortune, and—when she lapses into another coma—plots to seize it by proclaiming her dead and quickly burying her . . . alive. The other is her lost love, the infamous outlaw James Moxie. When word of Carol's dreadful fate reaches him, Moxie rides the Trail again to save his beloved from an early, unnatural grave. And all the while, awake and aware, Carol fights to free herself from the crippling darkness that binds her—summoning her own fierce will to survive. As the players in this drama of life and death fight to decide her fate, Carol must in the end

battle to save herself. The haunting story of a woman literally bringing herself back from the dead, *Unbury Carol* is a twisted take on the *Sleeping Beauty* fairy tale that will stay with you long after you've turned the final page. Praise for *Unbury Carol* "Fantastically clever. A breakneck ride to save a life already lost, proving sometimes death is only the beginning."—J. D. Barker, internationally bestselling author of *The Fourth Monkey* "Breathtaking and menacing . . . an intricately plotted, lyrical page-turner about love, betrayal, revenge, and the primal fear of being buried alive."—Booklist (starred review) "*Unbury Carol* is a Poe story set in the weird West we all carry inside us, and it not only hits the ground running, it digs into that ground, too. About six

wonderful feet.”—Stephen Graham Jones, author of *Mongrels* “Bleakly lyrical à la Cormac McCarthy and Flannery O’Connor.”—Library Journal (starred review) “With vivid prose and characters that leap off the page, guns a-blazing, *Unbury Carol* creates its own lingering legend, dragging you along like an obstinate horse toward a righteous storm of an ending.”—Delilah S. Dawson, New York Times bestselling author of *Star Wars: Phasma*

A Growing Need to Die Simon and Schuster

The Deep Simon and Schuster

For the better part of a decade, Anita Dalton’s “Odd Things Considered” website has served as a unique outpost where sundry odd notions and odd creations—but mostly stacks upon stacks of odd books—are not merely considered, but treated with a kind of earnest analytical attention that’s rarely encountered in contemporary cultural discourse. This massive anthology

collects the most memorable and provocative examples of Dalton's conversationally-intoned counter-criticism, with insightful discussions of overlooked literature, anthropodermic bibliopeggy, serial killer memoirs, outsider manifestos, and conspiracy theories (among many other outré subjects) converging to illuminate a vast and volatile psycho-literary topography that has been ignored or deplored (but seldom explored) by our reigning arbiters of taste and culture. When you're ready to put down that Jonathan Franzen doorstep, consider picking up a copy of Anita Dalton's TL;DR: The Best of Odd Things Considered. You'll see what you've been missing.

A Shattered Life St. Martin's Griffin

An exhilarating debut by a young writer from Pakistan: provocative, funny, disarmingly original stories that upend traditional notions of identity and family, and peer into the vulnerable workings of

the human heart. From the high-stakes worlds of television and politics to the intimate corridors of home--including the bedroom--these wryly observed, deeply revealing stories look at life in Pakistan with humor, compassion, psychological acuity, and emotional immediacy. Childhood best friends agree to marry in order to keep their sexuality a secret. A young woman with an anxiety disorder discovers the numbing pleasures of an illicit love affair. A radicalized student's preparations for his sister's wedding involve beating up the groom. An actress is forced to grow up fast on the set of her first major tv show, where the real intrigue takes place off-screen. Every story bears witness to the all-too-universal desire to be loved, and what happens when this longing gets pushed

to its limits. Are You Enjoying? is a free-spirited, confident, indelible introduction to a galvanizing new talent.

When Cherie Alvarez was a child, a moment of shocking violence shattered her world into a thousand bloody pieces. Plagued by nightmares and taunted by schoolyard bullies, the young girl spent years recovering from what law enforcement described as a "sickening and gruesome act of evil." Now a college student, Cherie has found solace in film, theater, and all the beloved traditions of the Halloween season. But when she and her friends participate in an immersive, "extreme" haunted attraction, Cherie must once again break the chains of victimhood and face the open wounds of

her past. After enduring one man's twisted vision of horror and perversion, Cherie finds herself challenged by a cult-like force determined to destroy her. What follows is a singular night of grueling terror, calculated revenge, and backwoods slaughter. An epistolary thriller, *DEATH RITUALS* gathers the ephemera of a young woman's life--short stories, articles, scripts, photographs, televised reports, and more--to tell a story of chilling depravity and undaunted courage.

In *ASSASSIN'S CODE*, the fourth book in New York Times bestselling author Jonathan Maberry's Joe Ledger series, Joe Ledger and the DMS go on a relentless chase to stop an ancient order of killers from plunging the entire world into Holy

War. When Joe Ledger and Echo Team rescue a group of American college kids held hostage in Iran, the Iranian government then asks them to help find six nuclear bombs planted in the Mideast oil fields. These stolen WMDs will lead Joe and Echo Team into hidden vaults of forbidden knowledge, mass-murder, betrayal, and a brotherhood of genetically-engineered killers with a thirst for blood. Accompanied by the beautiful assassin called Violin, Joe follows a series of clues to find the *Book of Shadows*, which contains a horrifying truth that threatens to shatter his entire worldview. They say the truth will set you free...not this time. The secrets of the *Assassin's Code* will set the world ablaze.

Stolen Tongues Little, Brown

The "masterfully chilling" novel that inspired the hit AMC series (Entertainment Weekly). The men on board the HMS Terror — part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage — are entering a second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. "The best and most unusual historical novel I have read

in years." —Katherine A. Powers, Boston Globe

Penpal St. Martin's Paperbacks

A post-apocalyptic debut novel in a tradition that includes *The Hunger Games* and *Station Eleven*, this vision of a possible future shows humanity pushed beyond its breaking point, the forging of vital bonds when everything is lost, and, most centrally, a heroic young woman who crosses a frozen landscape to find her destiny. Lynn McBride has learned much since society collapsed in the face of nuclear war and the relentless spread of disease. As the memories of her old life continue to surface, she's forced to forge ahead in the snow-drifted Canadian Yukon, learning how to hunt and trap and slaughter. Forget the old days. Forget

summer. Forget warmth. Forget anything that doesn't help you survive in the endless white wilderness beyond the edges of a fallen world. Shadows of the world before have found her tiny community—most prominently in the enigmatic figure of Jax, who brings with him dark secrets of the past and sets in motion a chain of events that will call Lynn to a role she never imagined. “With elements of Cormac McCarthy’s *The Road* and TV’s *The Walking Dead*, (Kirkus Reviews) *The Wolves of Winter* is both a heartbreaking, sympathetic portrait of a young woman searching for the answer to who she's meant to be and a frightening vision of a merciless new world in which desperation rules. It is enthralling, propulsive, and poignant.

 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • Publishers Weekly
 New Hyde Hospital’s psychiatric ward has a new resident. It also has a very, very old one. Pepper is a rambunctious big man, minor-league troublemaker, working-class hero (in his own mind), and, suddenly, the surprised inmate of a budget-strapped mental institution in Queens, New York. He’s not mentally ill, but that doesn’t seem to matter. He is accused of a crime he can’t quite square with his memory. In the darkness of his room on his first night, he’s visited by a terrifying creature with the body of an old man and the head of a bison who nearly kills him before being hustled away by the hospital staff. It’s no

delusion: The other patients confirm that a hungry devil roams the hallways when the sun goes down. Pepper rallies three other inmates in a plot to fight back: Dorry, an octogenarian schizophrenic who's been on the ward for decades and knows all its secrets; Coffee, an African immigrant with severe OCD, who tries desperately to send alarms to the outside world; and Loochie, a bipolar teenage girl who acts as the group's enforcer. Battling the pill-pushing staff, one another, and their own minds, they try to kill the monster that's stalking them. But can the Devil die? *The Devil in Silver* brilliantly brings together the compelling themes that spark all of Victor LaValle's radiant fiction: faith, race, class, madness, and our relationship with the unseen and the

uncanny. More than that, it's a thrillingly suspenseful work of literary horror about friendship, love, and the courage to slay our own demons. Praise for *The Devil in Silver* "A fearless exploration of America's heart of darkness . . . a dizzying high-wire act."—*The Washington Post* "LaValle never writes the same book and his recent is a stunner. . . . Fantastical, hellish and hilarious."—*Los Angeles Times* "It's simply too bighearted, too gentle, too kind, too culturally observant and too idiosyncratic to squash into the small cupboard of any one genre, or even two."—*The New York Times Book Review* "Embeds a sophisticated critique of contemporary America's inhumane treatment of madness in a fast-paced story that is by turns horrifying,

suspenseful, and comic.”—The Boston Globe “LaValle uses the thrills of horror to draw attention to timely matters. And

he does so without sucking the joy out of the genre. . . . A striking and original American novelist.”—The New Republic
