PACKAGE! From the Queen of Mystery, The Murder on the Links, in which Hercule Poirot is called upon to solve a murder on a French golf course, and Murder on the Orient Express, where Hercule Poirot searches for a killer on a luxurious train. THE MURDER ON THE LINKS An urgent cry for help brings Poirot to France. But he arrives too late to save his client, whose brutally stabbed body	now lies face downwards in a shallow grave on a golf course. But why is the dead man wearing his son's overcoat? And who was the impassioned love letter in the pocket for? Before Poirot can answer these questions, the case is turned upside down by the discovery of a second, identically murdered corpse . . . With twists and turns until the final, satisfying conclusion, The Murder on	the Links once again does not disappoint the legion of Agatha Christie fans. MURDER ON THE ORIENT EXPRESS Just after midnight, the famous Orient Express is stopped in its tracks by a snowdrift. By morning, the millionaire Samuel Edward Ratchett lies dead in his compartment, stabbed a dozen times, his door locked from the inside. Without a shred of doubt, one of his fellow

An international cast of suspects, all passengers on the crowded train, are speeding through the snowy European landscape when a bizarre and terrible

murder brings them to an abrupt halt. One of their glittering number lies dead in his cabin, stabbed a mysterious twelve times. There is no lack of clues for Poirot - but which clue is real and which is a clever plant? Poirot realises that this time he is dealing with a murderer of enormous cunning and that in a case fraught with fear and inconsistencies only one thing is certain - the murderer is still aboard the train

waiting to strike again. **Murder on the Orient Express** Vintage Murder on the Orient Express is a detective novel by English writer Agatha Christie featuring the Belgian detective Hercule Poirot. It was first published in the United Kingdom by the Collins Crime Club on 1 January 1934. In the United States, it was published on 28 February 1934, under the title of Murder in the

Calais Coach, by Dodd, Mead and Company. The elegant train of the 1930s, the Orient Express, is stopped by heavy snowfall. A murder is discovered, and Poirot's trip home to London from the Middle East is interrupted to solve the murder. **Murder on the Orient Express** HarperCollins Hoping to make a clean break from a fractured marriage, Agatha Christie

boards the Orient Express in disguise. But unlike her famous detective Hercule Poirot, she can't neatly unravel the mysteries she encounters on this fateful journey. And Agatha isn't the only passenger on board with secrets. Her cabinmate Katharine Keeling's first marriage ended in tragedy, propelling her toward a second relationship mired in deceit. Nancy Nelson, newly

married but carrying another man's child, is desperate to conceal the pregnancy and teeters on the brink of utter despair. Each woman hides her past from the others, ferociously guarding her secrets. But as the train bound for the Middle East speeds down the track, the parallel courses of their lives shift to intersect - with lasting repercussions. Dame Agatha Abroad Simon and Schuster Agatha

Christie's most famous murder mystery, reissued with a striking new cover designed to appeal to the latest generation of Agatha Christie fans and book lovers. *Murder on the Orient Express Oficial* Charnwood It has been one hundred years since Agatha Christie wrote her first novel and created the formidable Hercule Poirot. A brilliant and award winning biographer, Laura

Thompson now turns her sharp eye to Agatha Christie. Arguably the greatest crime writer in the world, Christie's books still sell over four million copies each year—more than thirty years after her death—and it shows no signs of slowing. But who was the woman behind these mystifying, yet eternally pleasing, puzzlers? Thompson reveals the Edwardian world in which

Christie grew up, explores her relationships, including those with her two husbands and daughter, and investigates the many mysteries still surrounding Christie's life, most notably, her eleven-day disappearance in 1926. Agatha Christie is as mysterious as the stories she penned, and writing about her is a detection job in itself. With unprecedented access to all of Christie's letters,

papers, and notebooks, as well as fresh and insightful interviews with her grandson, daughter, son-in-law and their living relations, Thompson is able to unravel not only the detailed workings of Christie's detective fiction, but the truth behind this mysterious woman. *After Delores* Grove Press Just after midnight, a snowdrift stops the Orient Express in its tracks.

The luxurious train is surprisingly full for the time of the year, but by the morning it is one passenger fewer. An American tycoon lies dead in his compartment, stabbed a dozen times, his door locked from the inside. Isolated and with a killer in their midst, detective Hercule Poirot must identify the murderer – in case he or she decides to strike again.

P. D. James, the undisputed queen of mystery, gives us an intriguing, inspiring and idiosyncratic look at the genre she has spent her life

perfecting. Examining mystery from top to bottom, beginning with such classics as Charles Dickens's Bleak House and Wilkie Collins's The Woman in White, and then looking at such contemporary masters as Colin Dexter and Henning Mankell, P. D. James goes right to the heart of the genre. Along the way she traces the lives and writing styles of Arthur Conan Doyle, Agatha Christie,

Dashiell Hammett, and many more. Here is P.D. James discussing detective fiction as social history, explaining its stylistic components, revealing her own writing process, and commenting on the recent resurgence of detective fiction in modern culture. It is a must have for the mystery connoisseur and casual fan alike.

The Silent World of

Nicholas Quinn is the third novel in Colin Dexter's Oxford-set detective series. Morse had never ceased to wonder why, with the staggering advances in medical science, all pronouncements concerning times of death seemed so disconcertingly vague. When the newly-appointed and gifted member of the Oxford Examinations Syndicate is murdered in his north Oxford home, so starts a formidably complicated homicide case for Chief Inspector Morse. For tracking down the killer will involve navigating the insular and labyrinthine world of Oxford colleges . . . The Silent World of Nicholas Quinn is followed by the fourth Inspector Morse book, *Service of All the Dead*. [The Murder on the Links & Murder on the Orient Express Bundle](#) Arsenal Pulp Press Paris, 1914. American adventurer Sam Carter boards the Orient Express, departing France in style after an impulsive decision to desert the Foreign Legion. British diplomat Lucas Avery is already nursing a drink in the smoking car, resenting his assignment to the distant Ottoman Empire. Neither man expects anything more from the next three days

and three thousand miles than rich food, expensive champagne and fine cigars. But something dangerous is lurking aboard the train, hiding in plain sight among French aristocrats and German businessmen. Through fire and darkness, through blood and ice, the Orient Express is bearing an ancient evil across the continent - and not all its passengers will live to see Constantinople...

on Con Air—
“Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.”
Anthony Lane

on The Bridges of Madison County— “I got my copy at the airport, behind a guy who was buying Playboy’s Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.”
Anthony Lane on Martha Stewart—
“Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the

woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from

Buster Keaton to Vladimir Nabokov to Ernest Shackleton. Nobody’s Perfect is an unforgettable collection of Lane’s trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar. *Murder on the Orient Express: The Graphic Novel* HarperCollins UK
