"The Chela and the  
Path contains personal  
instruction from the  
master El Morya for all  
spiritual seekers and

chelas (students of a  
spiritual teacher). As El  
Morya Khan at the  
conclusion of the  
nineteenth century, he  
is known for his efforts  
in founding the  
Theosophical Society  
with the adept Koot  
Hoomi and for his far-  
reaching work in  
bringing together the

ancient spiritual truths of the East with the traditions of the West. El Morya's instruction came in part in the form of personal letters addressed to a handful of disciples of the "Mahatma of the Himavat." Those letters are now on file with the British Museum in London. Now, with the incomparable skill of a Zen master, El Morya teaches us in *The Chela and the Path to see beneath the surface of daily life and the ego of the lesser self to become who we really are.* He calls us to "experience life with the faculties of the soul" as we learn and practice the keys to self-mastery on the spiritual path. A foundational work for all who aspire to a higher level of

consciousness and spirituality." *The Emerald Tablet*

"The great lights who have come out of all the world's spiritual traditions and graduated from earth's schoolroom have become widely known as masters. They demonstrate that in

the world of Spirit, there is no division of race, religion or philosophy—there is simply oneness, ineffable sweetness and love. What is not so widely known is that these great masters have retreats—temples and cities of light in the heaven world—where we can go in spiritual meditation and while our bodies sleep at night. In this comprehensive work, Mark and Elizabeth Prophet talk about these great masters, the stories of their lives and their magnificent spiritual retreats."

*Come Twilight* John Wiley & Sons  
An ancient vampire born in the Carpathian Mountains journeys to Renaissance Florence in this novel by a Bram Stoker Award winner. In Paris during the reign of Louis XV, Le Comte de Saint-Germain was known as a wealthy, worldly, charismatic aristocrat, envied and desired by many but fully known to none. In fact, he was a vampire, born in the Carpathian Mountains in 2119 BCE, turned in his late thirties, and destined to roam the world forever, watching and participating in the drama of human civilization. Now, in Renaissance Italy, he will witness the collapse of the artistic and literary life in Florence after the death of Lorenzo the

Magnificent, followed by the rise of the fanatical Girolamo Savonarola. From a World Fantasy Award winner, *The Palace* is a different kind of vampire novel—rich, atmospheric, and full of the sweep of history. [Alchemy for Personal Change](#) Summit University Press  
HOW DO WE VERIFY THE TEACHINGS?  
These Teachings are as old as Man, and according to them, man has been in physical embodiment on Planet Earth for 18 million years, since Lemurian times or the last third of the 3rd Root Race. There has never been a time on Earth when the Teachings were not available somewhere. All books that claim Great Antiquity including the Bible are

a Translation or a Distillation of a previous Work. The Higher Teachings have remained Hidden, for the most part, since the Fall of Man, since the time when we were all individually able to walk and talk with Angels and Higher Beings. In the Beginning we were aware of our Higher Self and then Earth and Humanity began to densify. Because there is a Hierarchy for this planet as there is for every planet, star and celestial body, that Hierarchy was allowed to interpret the Law from a level of Absolute Clarity of Vision into practice on the planet while still allowing the use of Free Will for humanity. There could be no evolution, or learning, without the possibility

of choice. In the Divine Plan, all was a covenant from the beginning.

His skills were praised

by Louis XV, who

The adventures of a seductive immortal in Nero's Rome from a Bram Stoker Award winner: "Nobody does historical vampire fiction better" (Laurell K. Hamilton). Since 1978, Chelsea Quinn Yarbro has produced

about two dozen novels and numerous short stories detailing the life of a character first introduced to the reading world as Le Comte de Saint-Germain. We first meet him in Paris during the reign of Louis XV when he is, apparently, a wealthy, worldly, charismatic aristocrat, envied and desired by many but fully known to none. In fact, he is a vampire, born in the Carpathian Mountains in 2119 BCE, turned in his late thirties in 2080 BCE, and destined to roam the world forever, watching and participating in history and, through the author, giving us an amazing perspective on the time tapestry of human civilization. In Blood Games, beginning during the reign of Nero, Saint-

Germain finds his way through the political turmoil of the time and becomes the lover of the incomparable Atta Olivia Clemens.

"Voltaire called him the "man who never dies and knows everything." The Count Saint Germain turned base metals into gold, removed the flaws from diamonds and discovered the elixir of youth. In the eighteenth century, this "Wonderman of Europe" was the confidant of kings and a friend to the poor. Today the master Saint Germain shows that miracles are nothing more than the natural outgrowth of the practice of spiritual alchemy. In this greatest of all self-help books, he describes

the principles of alchemy and how you can use them in your own life to bring about spiritual, mental, emotional and physical transformation."

Ascended Master Discourses Createspace Independent Publishing Platform "The Golden Book of the Brotherhood of Saint Germain" collects the Sacred Scripture that Master Saint Germain arranged for His Golden Age and which forms the Third Teaching Cycle of the Saint Germain Brotherhood. Disciple Sainy Germain, a forerunner of the "I AM", warns the students to whom the work is especially directed not to be fooled by external things or appearance, created and distorted by man. Nor does it matter that we continually stumble in

life because God never criticizes or condemns, but has infinite patience. Saint Germain's message will be summed up in one sentence: he who knows the power of God within himself has nothing to fear from anyone. Those who are interested in investigating his work will find wise advice in this book that shows that the fullness of God can be experienced in our own lives and in the world and that, if we are aware of the divine presence within us, we will be filled with health, prosperity and happiness.
